ASSHOLE OF THE MONTH

SPIKE LEE

For being a skin-deep Hollywood revolutionary and a crybaby name-caller, for self-hype, finger-pointing and race-baiting, for reducing Malcolm X to a fashion accessory and for being the pot who calls the kettle a racist, Spike Lee is Asshole of the Month for March 1993.

Spike Lee is a filmmaker who claims being black as one of his primary strengths. His movies are entertaining, provoking and more racially equitable than might be expected from someone as pissy as Spike takes pains to be. If Spike Lee could let his celluloid speak for itself, the world would be a better place. But Lee has clawed his way to a high profile, from which he dictates and proclamates.

"I've never attempted to position myself as a spokesperson for anybody," begs Lee, blaming the media for foisting that role upon him. Yet he publicly tells Eddie Murphy how to run his business, takes Whoopi Goldberg to task for wearing blue contact lenses, and characterizes General Colin Powell as a yes-boy who would go to a New York neighborhood and "shoot every Dominican in the head" if told to. Responding to a rumor that clothing designer Liz Claiborne had appeared on Oprah Winfrey's talk show and stated that she didn't make clothes for blacks, nonspokesman Lee ordered: "Every black woman in America needs to go to her closet, throw that shit out, and never buy another stitch of clothes from Liz Claiborne." According to Winfrey's staff, Claiborne was never on the show.

"Black people can't be racist," Lee theorizes. "Racism is an institution. Black people don't have the power. Now, black people can be prejudiced. Shit, everybody's prejudiced about something."

Nonracist Spike Lee is fond of hurling the term "white boy" at any director who wins acclaim that Lee feels would more justly have been awarded to himself. The term "white boy" minimizes the accomplishments of an individual based on race. This is applied racism, not kneejerk prejudice.

A black writer doing a *Rolling Stone* magazine profile of Denzel Washington, star of Lee's most recent film, *Malcolm X*, refers to "the white boys playing CIA agents." One of these "white boys" is John Sayles, a novelist and filmmaker whose achievements compare to those of Mr. Lee and dwarf those of the *Rolling Stone* hack. Lee *does* have the power to institute racism.

"I'm a very spiritual person," spouts Spike. In the same interview, he anticipates "rejoicing" if bullets are fired into white South Africans. Aside from acting as a pom-pom boy for bloodshed, Lee shows his godliness by demanding that only black writers interview him concerning *Malcolm X*. (Lee insists that he did not demand, but would "prefer to speak to African-American journalists.") Spike's justification for journalistic apartheid is, according to a publicity shill: "That black writers come to interview him with a greater degree of understanding, both spiritually and intellectually."

Nonblack writers might not intellectualize the spirituality of pimping shoes for Nike, a company that pays Indonesian laborers 14 cents an hour to construct its sneakers. Can handkerchief-head Spike fight the power when Massa gives him such a sweet payoff?

Lee's Nike dollars pale next to what he stands to make from huckstering X hats. Spike's greatest example has been to entrepreneurs who are hawking X jewelry, mugs, posters, sunglasses, air fresheners and even X potato chips. Watch for X pigs' feet and malt liquor.

Malcolm X was murdered because he was delivering a vital message for everyone who would see past image to substance, who would escape the prison of demonizing those different from us.

In the film *X*, a white chaplain refers to Malcolm as "Satan." Later, a Muslim prisoner states that all white men are devils. In truth, we are all human, which spells trouble enough. Our failings, hates and fears will never be overcome if we persist in pasting bogeyman labels onto one another. That the races must come together in some fundamental way in order for this country to survive is self-evident. Spike Lee is a bright light, and his movies help, but he misses the point of his own work. Selling every kid in America a baseball cap does not go deep enough. In Spike's case, X marks the Asshole.

FARTS IN THE WIND

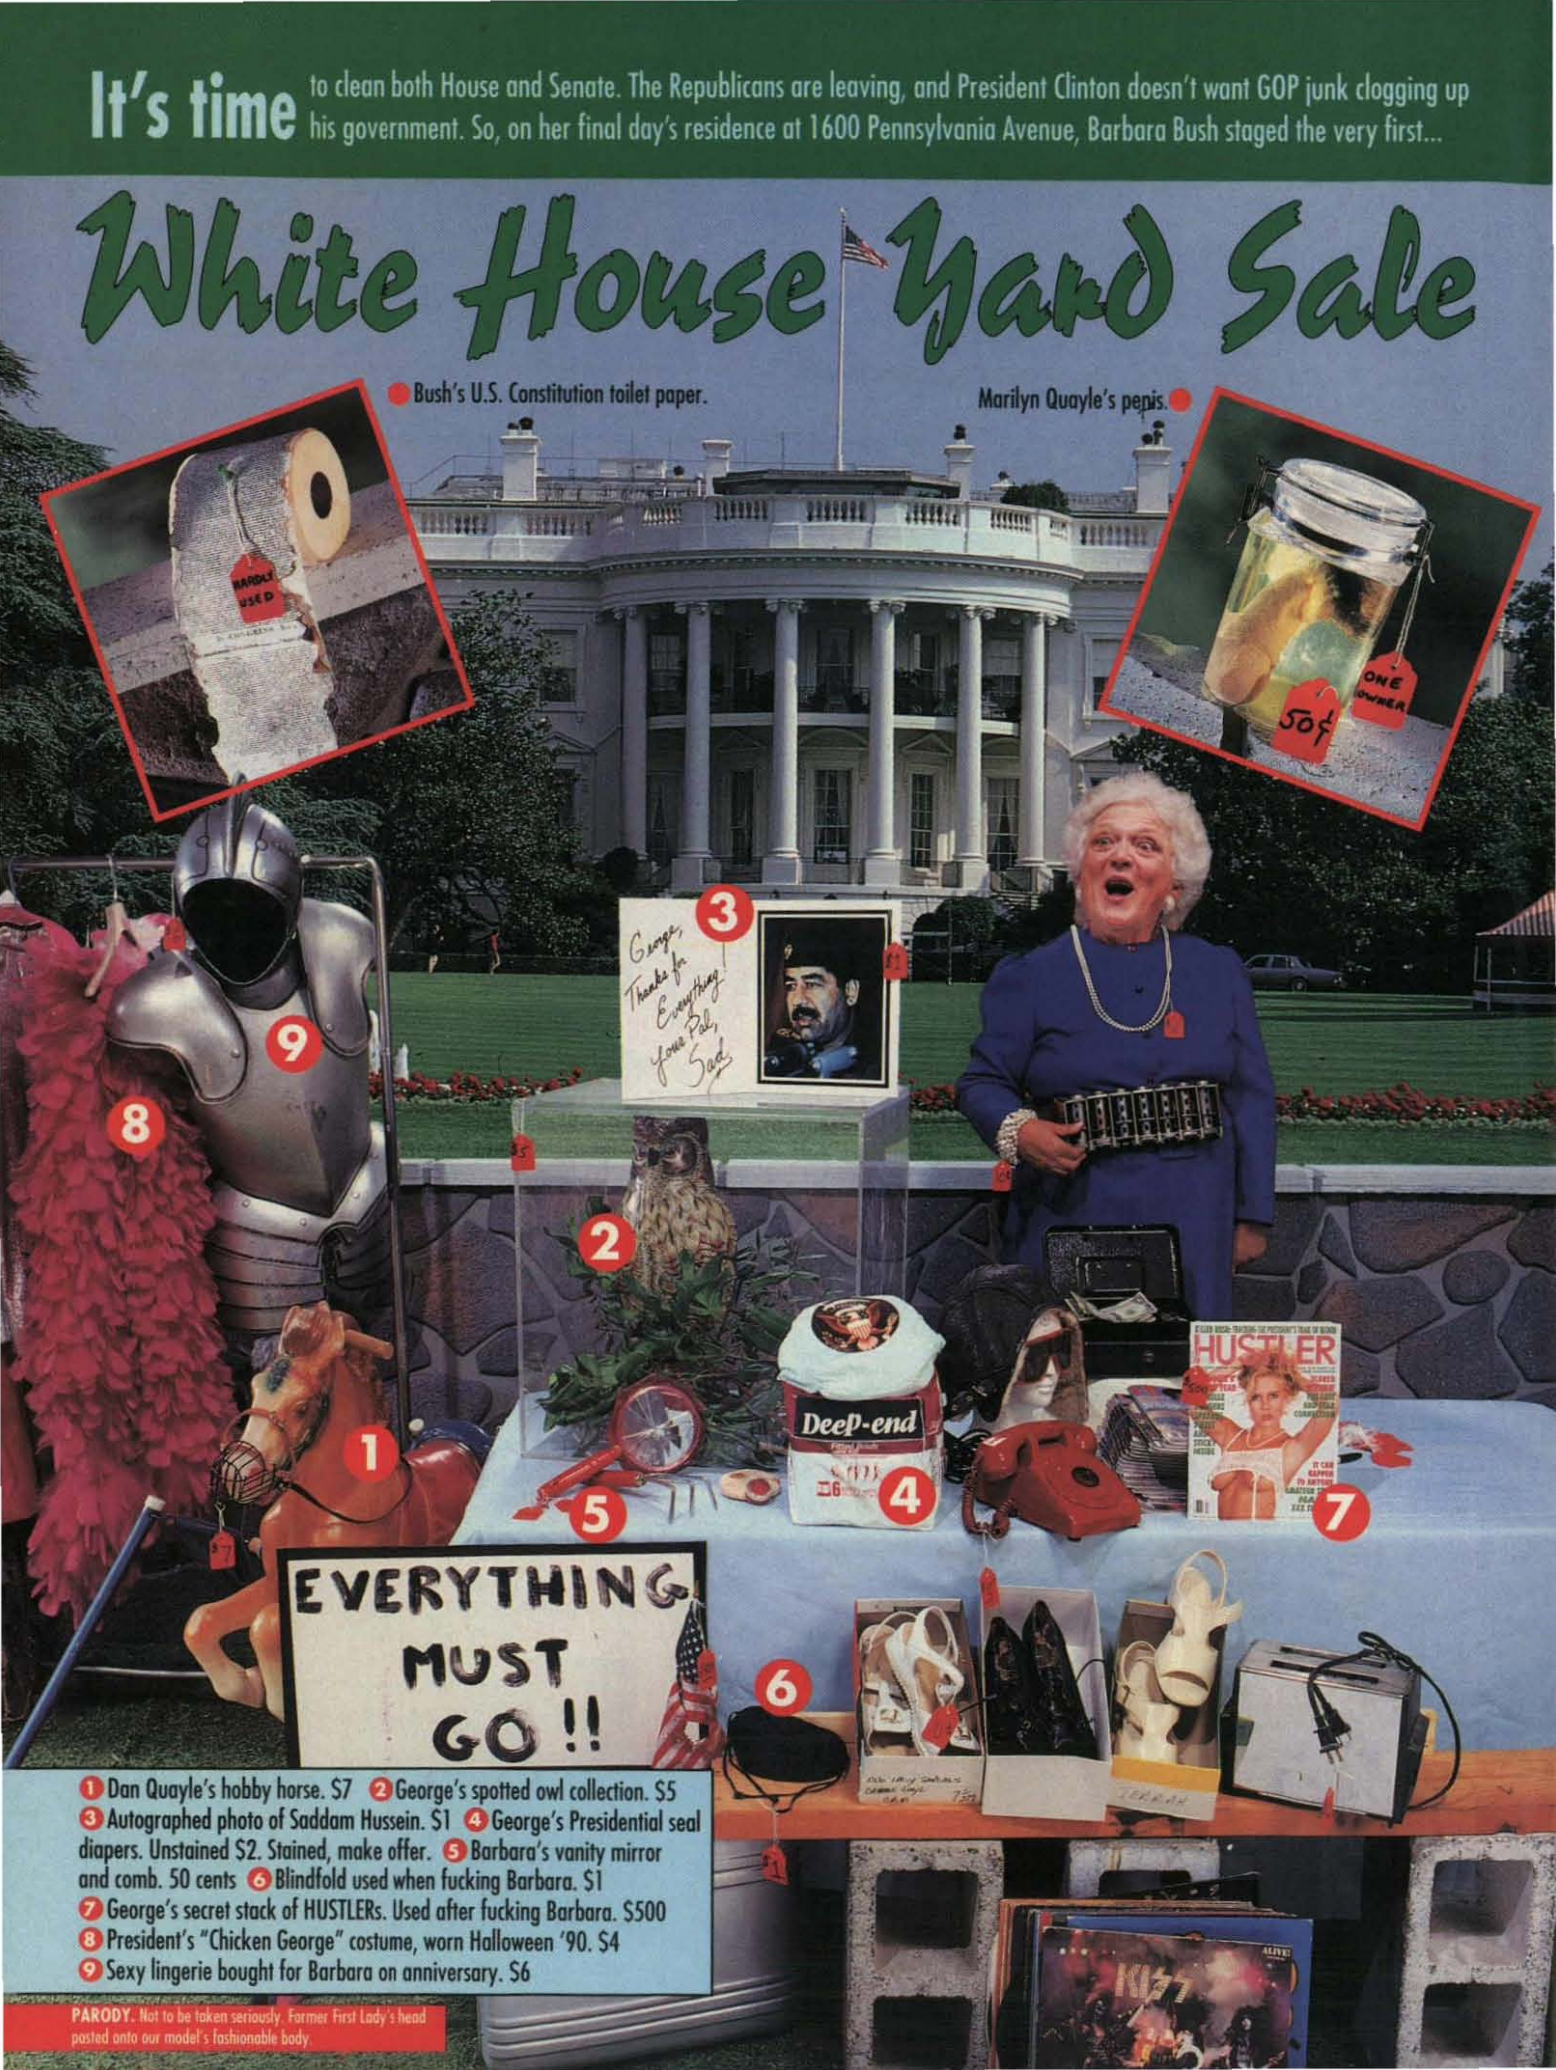

Sol Wachtler: Chief judge on New York State's Court of Appeals, Sol Wachtler was the Republicans' best hope to oust Mario Cuomo. But New York's chief jurist went nuts. An FBI investigation found that the happily married judge's long-term affair with Republican fundraiser Joy Silverman had soured into arraignments on conspiracy charges that Wachtler had harassed and tried to extort money from Silverman by threatening her 14-year-old daughter. The judge resigned and entered Asshole contention.

Cindy Crawford: As fashion model, M-TV hostess and wife of actor Richard Gere, Cindy Crawford has higher standards than most. "Some things cross the line," protested Cindy, regarding a fellow model posing topless in a jeans ad. "Not everything's for sale." Cindy also criticized Madonna's nudity. Yet Crawford is topless on the cover of *Details* and reclines nude in *Playboy*, a naked Asshole.

Richard Nixon: This unrepentant war criminal, under whom U.S. troops gunned down and killed unarmed American citizens, would have served justice better by being executed rather than pardoned. Nixon is now in court suing the American taxpayers to financially compensate him for the loss of tape recordings and documents seized for prosecution of the Watergate trials. Why should it pay to be an Asshole?

It's time to clean both House and Senate. The Republicans are leaving, and President Clinton doesn't want GOP junk clogging up his government. So, on her final day's residence at 1600 Pennsylvania Avenue, Barbara Bush staged the very first...

PARODY. Not to be taken seriously. Former First Lady's head pasted onto our model's fashionable body.

August 1992: A sexy lingerie saleswoman from Raleigh, North Carolina, enters our *Beaver Hunt* competition. November 1992: She's selected by HUSTLER editors as one of the four semi-finalists. February 1993: Readers choose sizzling Ava as...

HUSTLER's Beaver of the Year 1992

Bursting with excitement, 21-year-old Ava was chauffeured to our Beverly Hills offices...

...where Executive Editor Allan MacDonell inquired about her fantasy of being spanked by older men and tried to steal her *Beaver Hunt* Grand Prize check for $5,000.

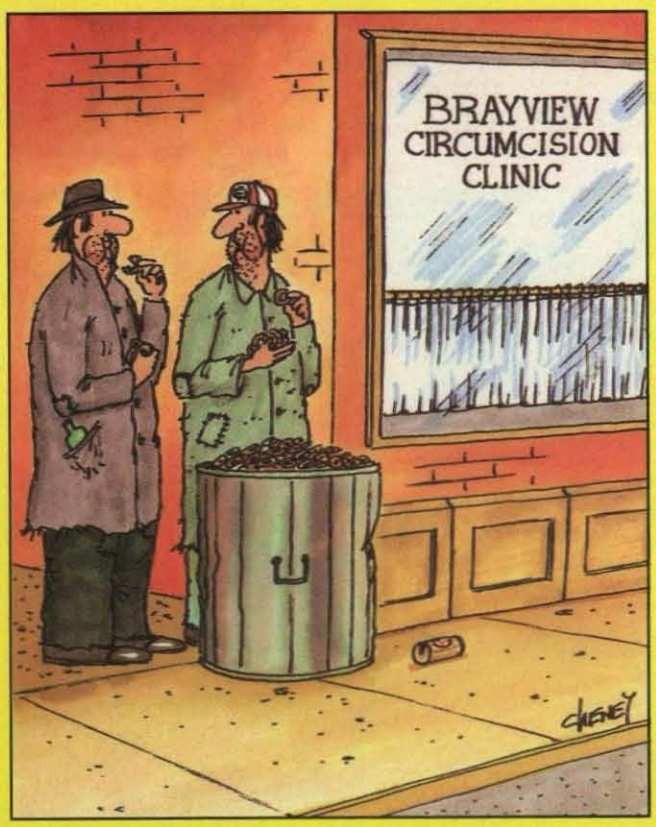

She then settled into the hands of HUSTLER Senior Photographer Clive McLean for a nasty leather layout. Congratulations, Ava, and congratulations, readers. Watch for Ava, coming soon in HUSTLER.

PORN from the PAST

We can almost guarantee that this woman is dead by now—proof that standing under a ladder really is bad luck. Thanks and $150 to D. Branham, who sent us this throwback to the days when big really was beautiful. Beef up your bank account by sending classic cooze to HUSTLER's Porn From the Past, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Predictions We Hope To See in '93

What's next for Madonna? She'll sew her pussy shut. Unfortunately, her mouth will remain active.

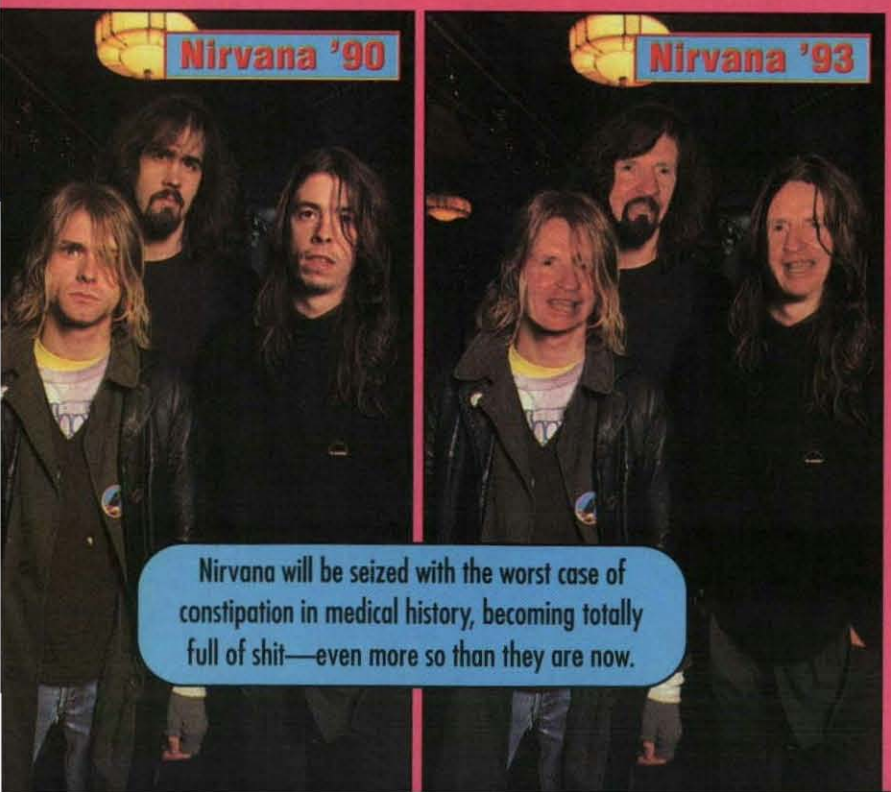

Gennifer Flowers will be photographed without a soft-filter lens.

PARODY. Not to be taken seriously. Celebrity heads stripped onto models' bodies. Whether or not these predictions come true, send money to *Bits & Pieces* Editor. Thank you.

The *90210* gang will introduce the latest fashion craze: butt-plug Bermudas. Bitch-babe Shannen Doherty will reveal, "One plug fits all inputs."

Nirvana will be seized with the worst case of constipation in medical history, becoming totally full of shit—even more so than they are now.

DON'T turn that page...
...MORE predictions just in!

Israel will run out of air. Warning: L.A. is next!

The George Bush Library will open, only to be burned down a week later by scheming son Neil so the family can collect the insurance.

Tipper Gore and Hillary Clinton will compete against one another on *American Gladiators.*

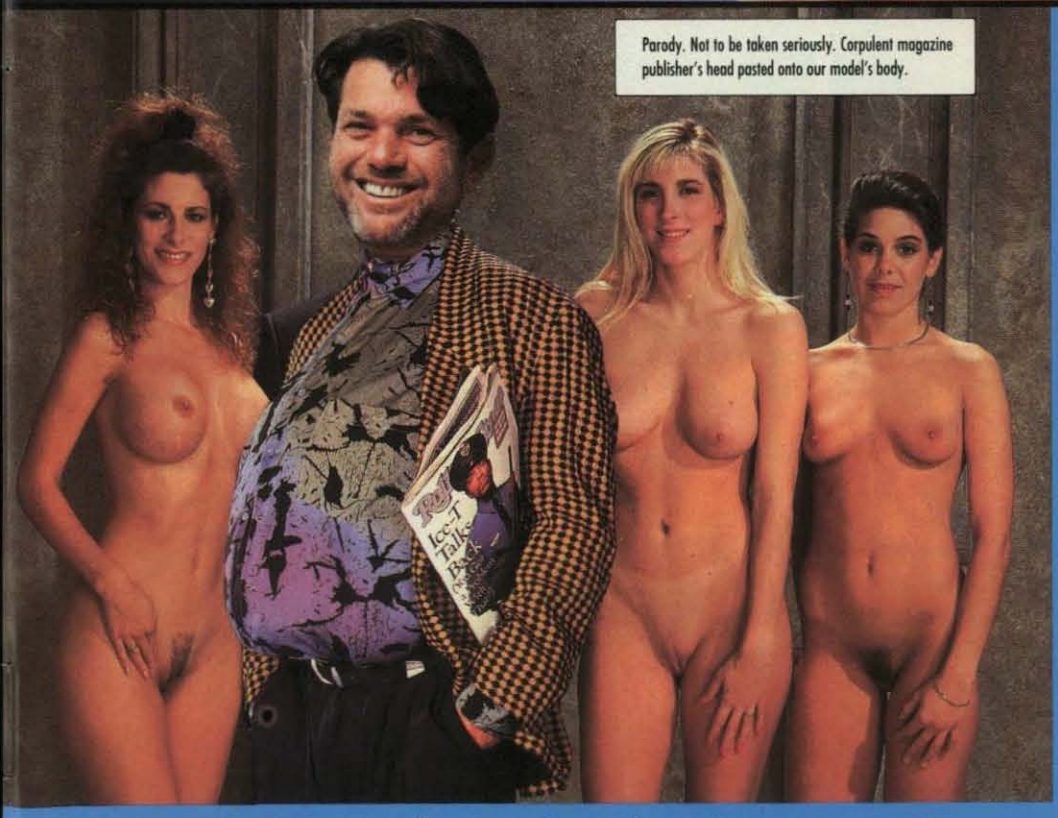

Money will cease to have value. Don't get stuck with worthless cash; mail it to *Bits & Pieces* Editor c/o HUSTLER Magazine.

Dan Quayle will resume his role as host of daytime *Wheel of Fortune.*

It takes a fisting and keeps on ticking.

SLIMEX

Stella "Boots" Bernhard was fist-fucking her lover Rita when she slipped on a bag of pork rinds and accidentally shoved her arm inside Rita's cunt. Digging with a crowbar and her "Cocks Suck!" belt buckle, she finally yanked her wrist free two hours later. "Boots" is wearing the durable Slimex watch, made especially for bulldykes. It costs about $13.

Parody. Not to be taken seriously. Corpulent magazine publisher's head pasted onto our model's body.

SPOT THE ANTI-CHRIST

As editor and publisher of *Rolling Stone*, this month's Antichrist propagates evil yuppie stereotypes and operates as Satan's earthly conduit by creating cultural icons from talentless "artists" who've sold their souls to the devil. The person is called Jann Wenner; the generation of readers is called shallow and senseless. Good luck and spot the Antichrist.

In the beginning, Larry Flynt created the Million Dollar Muffs contest. Celebrity femmes were offered a cool mil to open wide for HUSTLER. Surprisingly, no one cashed in. Maybe we were too generous. So we lowered the price to $43.50. Still, no takers. Now we realize our error. We're HUSTLER Magazine, goddamnit! If these media sluts want to part their pink in HUSTLER, they'll have to pay us a mil to join the legendary...

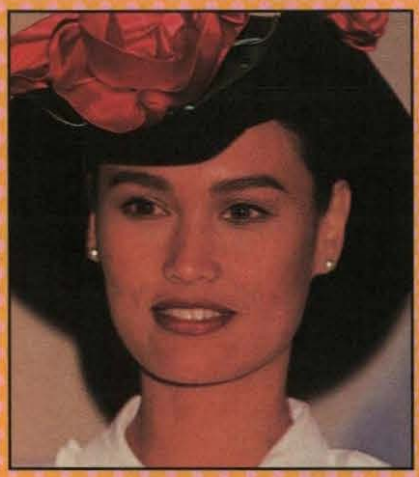

MILLION-DOLLAR MUFF$

Tori Spelling: Tired of being known only as a billionaire's daughter? Here's a chance to stand on your own two teats.

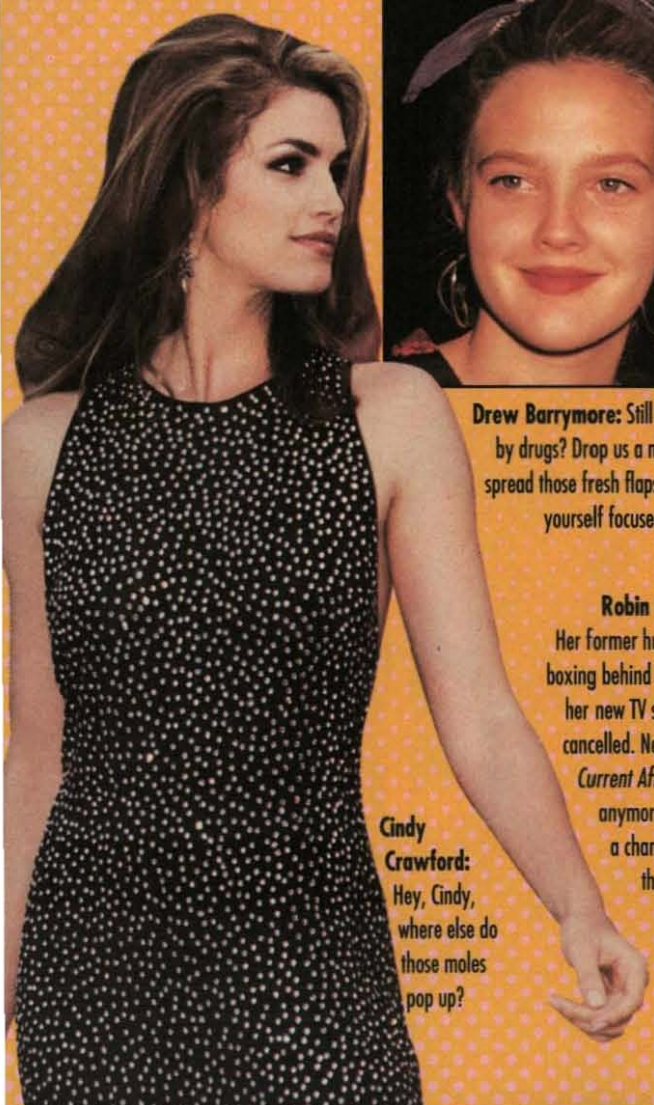

Claudia Schiffer: Guess whose crotch will look better *out* of designer jeans?

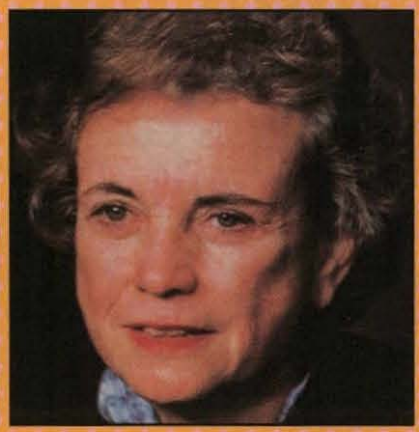

Tia Carrere: This babeola from *Wayne's World* has a dick. NOT! But she can schwing on ours any time.

Sharon Stone: Fuck that bush! Let's see those lips. (Ice pick optional.)

Drew Barrymore: Still tempted by drugs? Drop us a mil and spread those fresh flaps to keep yourself focused.

Sandra Day O'Connor: We know this Supreme Court justice has a strong mind, but she could balance the scales with a little pussy. Show how the country will open up with President Clinton.

Amy Fisher: She confessed to shooting and maiming the wife of her alleged lover. Now this former prostitute wants everyone's attention. Here's a chance to pull our trigger.

Cindy Crawford: Hey, Cindy, where else do those moles pop up?

Robin Givens: Her former husband is boxing behind bars and her new TV show was cancelled. Not even *A Current Affair* cares anymore. Here's a chance to get that career moving again.

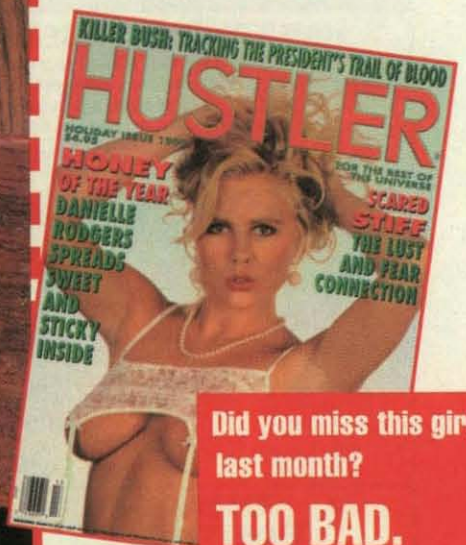

Soon-Yi Previn: We HUSTLER. You immigrant who slept way into headlines. You show us pussy like did to step-lech. We see what up Tiger Lily's skirt. We even let Woody supervise shoot.

FEMINUTSY

I recently came into contact with the magazine you put out. You know—the one that inflicts violence on women, instigating, instructing and applauding it; the one that puts out propaganda degrading all races, whether it demotes people of color to a subhuman level or raises those lily-white dicks to new heights of macho masochism. The one that brings you that profit margin you so enjoy.

You have certainly given much to your community in return. Accelerated the rape rate, for instance, increased the number of women dying from torture and mutilation, rendering violence against women invisible by sexualizing it. I'm sure you don't think twice about the women and girls who are dehumanized at the click of your camera.

It may do them some good for every free woman to get some practice at the art of free speech herself. For if it's your right to abuse our rights, it's our right to harass every buyer of your product—the cowering male, the beer-guzzler with his buddies, the man with his briefcase. It'll be our pleasure to do everything that comes to mind, including hanging your mutilated penises in every window across the country.

I'm sure you're quick enough to figure out that I don't like you or your product, though I'm sure you won't concern yourself with this, for I'm just a person, something you can't relate to. —L. V. P.

Northampton, Massachusetts

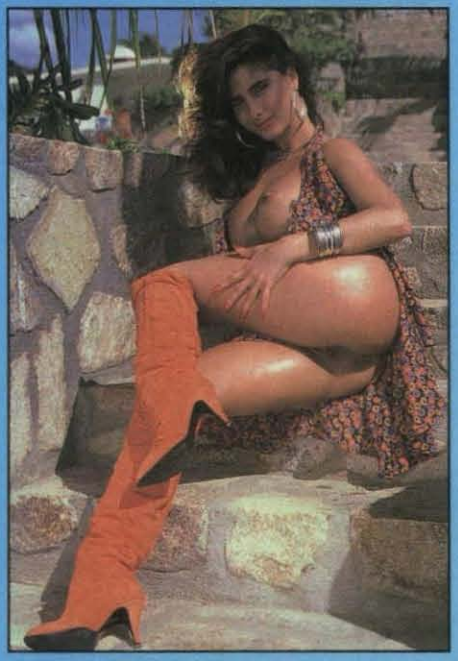

Do you realize, L. V. P., that there are many countries in this world where women are so respected that they're forced to remain completely covered from head to toe—protected by strict legal mandate from so much as showing their faces? Of course, in these very same countries, women are not permitted to vote or own property. Who respects women more—America and HUSTLER or Iran?

FEMINASTY

Thank you for the beautiful pages you present your audience with every month! I'm a gay woman. I notice many of your shots of lesbians show a lot of pussy eating. I should mention that many lesbians cannot be stimulated by a man's genitals, only by a woman's. When you show me the outside texture of a woman's snatch, I go bonkers. Especially if she looks like the girl on HUSTLER's February 1992 cover (*Samantha: Fresh Spread: 1991 Beaver Hunt Winner*, February '92)! Lesbians do a lot of crotch rubbing, and let me tell you, it's just as hot for us to see a sexy HUSTLER girl/girl spread as it is for you guys out there. One other thing: My girlfriend and I are interested in purchasing strap-on dildos and the like, but we're shy. Can you recommend a decent mail-order supply shop for sex toys? —D. R.

Windham, Maine

Thanks, D. R., for reminding us that freedom of choice is what it's all about. To satisfy your sex-toy needs, write Condomnation, 505 South Beverly Drive, Suite 1104, Beverly Hills, CA 90212.

Alex: Thigh High

ALL IN THE FAMILY

Just bought your December 1992 issue, and it is great. The spread on Alex is super (*Alex: Thigh High*, December '92). My wife's gone tonight to see Louis Farrakhan, but I'm sitting here jacking my dick. I love shaved pussies and assholes. My wife's going to get excited when she sees Alex's fat lips and butthole. She has always wanted to watch me fuck another woman in the ass while she watches and finger-fucks herself. We're looking for pretty, shaved cunts to have a threesome, but we're afraid because of that AIDS thing. My wife and I like looking at women with their assholes wide open. Won't you print more pictures featuring wide-open bungs? —B. R.

PETERED PECKER

This letter is from one of Randy West's many concerned fans. It is evident from Mr. West's recent movies that he is unable to muster even the slightest visible evidence of an orgasm during the climaxes of his sex scenes. More moisture drips off the tip of his sweaty nose than is ever released from the tip of his stretch-marked dick!

Granted, Mr. West was never in the Peter North category of copious ejaculators, but as recently as the *Taboo* movie series back in the early '80s, he was able to dribble a mini-load

that was at least visible to the naked eye. These days, sadly, when the time comes for Randy to deliver an onscreen facial, it's a rare occasion when his sperm-producing abilities can conjure up enough fluid to mask even a single freckle on the willing starlet's face. In a recent film of Randy's, I swear I saw a slight puff of dust erupt from his throbbing tool, and nothing more! —S. D.

San Ramon, California

A familiar name in the X-industry, who asked not to be identified, claims that Randy West's dick has experienced so much heat-making friction in his lifetime, everything liquid in West's body evaporated long ago!

WORD FUN!

Stupidity, once settled in, is well-nigh impossible to remove! Take as an example the widespread, erroneous use of the word *sperm* as a synonym for the male reproductive cells of animals. The word *sperm* refers, more correctly, to the male sex cells of plants! Man is not a plant; so the word *sperm*, used to describe his seed, is incorrect! Human male sex cells are really flagellate protozoans—in other words, animals! The biologically ignorant have perpetuated the incorrect usage. Incidentally, since the human male sex cells are self-propellant, how they are deposited into a woman's vagina for procreative means does not really matter! —G. W.

Chicago, Illinois

It may not matter to you, G. W., but most fathers in America prefer to know they've done the job personally.

EYE STRAIN

I'd like to congratulate HUSTLER Magazine on its November 1992 issue, but I can't.

Your girls were fine. There was one for each finger and thumb. First, there was Sybil (*Sybil: Sun-Kissed*, November '92). Man, she had it all together. And no tan line I could find! Then there was Barbara (*Barbara: Slippery When Wet*, November '92). If I could have been anywhere near her, I'd have been like a starved hustler. We'd have eaten lunch together—out of each other's laps! Afterward, there were Mia and Marie (*Mia and Marie: Bath Toys*, November '92), two young lookers and doers. I wish I had been there to watch as they bathed one another, to see them wiping each other in turn until they were glistening.

Scoping all this girl crack, it took me about an hour to get hot. This is when I started reading the stories in your book. Boy, was I in heaven until I came to the last story, *School for Scandal* (*School for Scandal: Mistress Ava Spares No Rod*, November '92). As the story was going, I was really getting into it. Harder and faster I stroked! On page 94, it said it continued on page 104. Page 104 was there, but motherfucker! The story was not! Shit, I was pissed.

HUSTLER, you can thank each of these girls that this fuckup of yours is only a thought left in my mind. But send me the rest of the story! —J. C. G.

Deerlodge, Montana

No need, J. C. G. Pull out your November 1992 HUSTLER. Turn to page 104. Start reading. While the title caption at the top of the page says S&M School, it is indeed the conclusion to School for Scandal, which is titled in the same way as on previous pages.

DEAR MR. GOVERNMENT

Here is a letter I recently sent to Washington, D.C. Won't you share it with HUSTLER readers nationwide?

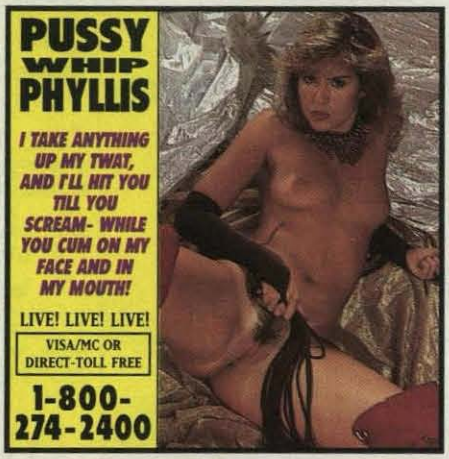

Dear Mr. Government: Please accept this letter as a request under the Freedom of Information Act to answer three questions for me: One, what are you doing; two, what do you want me to do; and three, why?

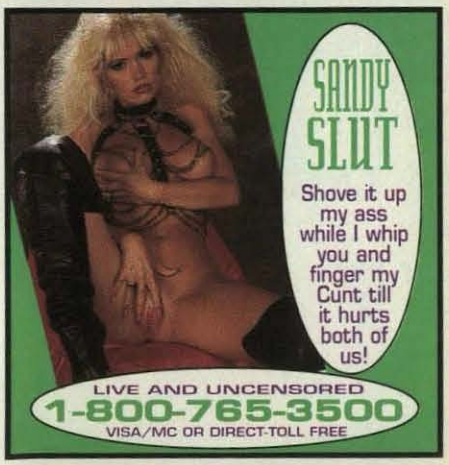

I am a 54-year-old, white male from Albuquerque, New Mexico. Two years ago, Mr. Government, you set me up, framed me, and sentenced me to serve 71 years and three months in the federal penitentiary at Leavenworth, Kansas, for carrying and using a

SHADES OF BLUE

Three-Quarters Erect. *Directed by Michael Craig; starring Nikki Dial, Tiffany Million, Summer Knight, Alex Jordan, Francesca Le, Mike Horner, Jerry Butler, Nick Rage, T. T. Boy and Tom Byron. Videocassette: VCA.*

In Nikki Dial's hands, even an innocent cucumber unfolds a passionate sex fantasy. Dial imagines delivery man T. T. Boy ass-fucking Francesca Le in the middle of a crowded restaurant. There are many such moments in *Shades of Blue*, an adult fable of one woman's quest for love. Dial has a natural onscreen presence and shines in the lush glow of 35-millimeter film. She actually makes a slimmer and surprisingly self-controlled Jerry Butler seem human in a lively, outdoor fuck. Better still is Dial's sizzling masturbatory scene, where she drips icy water onto her large nips before burying the lucky cube inside her wet pussy. Tan, taut Tiffany Million squeezes her muscular labes around Mike Horner's reliable schlong before he returns the favor with a frothy mouthwash. Most of the eight-plus sex scenes are skillfully edited, and some are as hot as the sweat that drips from Alex Jordan's beautiful B-cups. Director Michael Craig's style, however, is soft and too couples-oriented for serious wanking—or a higher rating. An adult movie that harkens to the days when fuck films were made by people, not by assembly lines. *—Seth Roberts*

A cucumber inspires a table-top butt-fuck.

Raunchy moments for couples.

Bleu gets ass-reamed in ***Brooklyn****.*

The ***Contessa*** *turns romance to raunch.*

BACKDOOR TO BROOKLYN

One-Quarter Erect. *Directed by Rick Savage; starring Bunny Bleu, Krisstarrah Knight, Michelle Gabriel, Rick Savage, Chris Lavae and Jay Street. Videocassette: Pleasure Productions.*

Bunny Bleu is the unhappy mate of Rick Savage, an uptown stud who can't force himself to give her a torque in the tush. She finally heads to Brooklyn, where Jay Street satisfies her shithole; but like most of the sex in this snorefest, it's not worth the trip. As porn fate would have it, Savage gives in to the temptations of sodomy, butt-banging Krisstarrah Knight in a closing coupling that finishes with a good facial. Michelle Gabriel, another anal angel, allows Chris Lavae to ream her rump routinely. Gabriel is more notable for throating Lavae to a kneeling eight-count. Too much low-energy lusting makes this exit to *Brooklyn* a bust. *—Sam Lowry*

THE CONTESSA

Half Erect. *Directed by F. J. Lincoln; starring Victoria Paris, Bionca, Porsche Lynn, Stephanie Rage, Mike Horner, Jon Dough, Jamie Gillis, Robert Malone and Christina Bell. Videocassette: VCA.*

Victoria Paris and Bionca are on the loose in Paris, France, the world's most romantic city, hunting for cock, cunt and cash. The two go to a country estate where filthy rich suitors hang out in hopes of finding a suitable mate. Bionca may get the most scenes (three) to strut her stuff, but Paris really pulsates in her two scenes—a wicked threeway with Jon Dough and Robert Malone and a muff maul and dildo diddle with Bionca, in which Paris shoves love beads up Bionca's crapper, only to pull them out with her teeth. Porsche Lynn opens orifice with Mike Horner and Stephanie Rage in another searing slam, as Rage rams a dildo up Lynn's ass while Horner bangs away from beneath. For all footwear fetishists: Jamie Gillis spews spunk in Bionca's shoe. *—S. L.*

KITTENS 3

One-Quarter Erect. *Directed by B. J. Copperhead; starring Dallas Starr, Brittany Saks, Lynden Grey, Gina Grace, Alexis Ross and Brandy Daniels. Videocassette: Coast to Coast.*

In a tedious trip through lesboland, Brittany Saks is a dildo manufacturer who quality-tests her rubber dicks on every wet pussy she finds, including her own. While their cunt-chewing and bung-tonguing abound, the sex between these dong-wielding bimbos is eventually tiresome and predictable. The sole exception is a brief but genuinely dirty scene in which Alexis Ross jams a 12-inch joy toy up Saks's hungry poop chute. Lynden Grey deserves recognition—for a seemingly bottomless blond fuck-hole that demands vicious pumping, and for the worst orgasm ever captured on tape. Her cries of "Oi! Oi! Oi!" sound like a rabbi with his dick caught in his zipper. Definitely one for the kitty-litter box. *—Tony Cara*

CRAZED 2

One-Quarter Erect. *Directed by Paul Thomas; starring Hyapatia Lee, Christy Canyon, Wayne Summers, Flame, Summer Knight, Chip Knights, Marc Wallice, Melanie Moore, Tony Martino, Carl Esser, Jonathan Morgan and Tim Lake. Videocassette: Vivid. Shot on film.*

Like most of Paul Thomas's recent cable-friendly efforts, *Crazed 2* is "smut" only wimps and sitcom viewers will enjoy. Hyapatia Lee and Christy Canyon star in a *Thelma and Louise* spinoff that sacrifices sex for excessive plot development and outdoor panoramas. The first of the film's three skimpy sex scenes features heavy-tittied Canyon enjoying a prick picnic with Marc Wallice. Canyon crams the man meat in her pussy and mouth with ravenous abandon, and is rewarded with a belly-load of jizz. Horny Hyapatia then humps Wallice's tent pole by a campfire, only to have him leave his load inside her. Even more frustrating is the final threesome that ends dry, with Canyon and Melanie Moore refusing to allow Wayne Summers to ejaculate. Only a luscious Lee lick-job keeps this one from being Totally Limp. *—T. C.*

TAKING IT ON THE CHIN

It wasn't a Peter North cum-shot they were trying to avoid, but a right cross, as some of porn's more feisty felines stepped into the ring and took a punch at censorship—and each other. K. C. "Tomboy" Williams (white trunks) pummeled former G.L.O.W. tumbler Tiffany Million in their three-rounder, and Holly "Marble Clit" Ryder (black trunks) and "Green Meanie" Madison, looking like wind-up toys on speed, beat the shit out of each other until they collapsed in an exhausted draw. The idea was to raise money for the Free Speech Coalition's legal-defense fund, but it was a TKO, as organizer Buck Adams got battered twice—in the ring against Woody Long, and at the box office.

ANYTHING THAT MOVES

Half Erect. *Directed by John Leslie; starring Selena Steele, Tracey Winn, Tim Lake, Randy Spears, Cassidy, Heidi Kat, Nick E., Joel Clupper, Steve Drake, Lee Chandler, Melanie Moore, Tony Tedeschi, Flame, Shanna Rose, Terri Diver, Tianna Taylor, Jake Williams and Nick Santaero. Videocassette: VCA. Shot on film.*

For *Anything That Moves*, director John Leslie, revealing an imagination that has dried up like last night's condom, virtually hijacks the entire script of the Bruce Willis/Demi Moore thriller *Mortal Thoughts*. Selena Steele and Tracey Winn star as best friends under investigation for murder. The story unfolds in flashbacks, starting with a bachelor party that gets orgasmically out of hand. While Steele gets slammed by groom-to-be Joel Clupper in the back room, Winn takes on Randy Spears and another partygoer in back-to-back grinds that should pop a few corks. Winn and Steele team up to drain Steve Drake's dong in the back of a car. Another threeway, this one involving Tim Lake, Nick E. and Heidi Kat, isn't nearly as fulfilling, and a mount between Tim Lake and Cassidy is marginal filler. Winn's solo slit stroke in a car while Nick E. jacks off on the window gives a new definition to autoerotica. The film has Leslie's usual polished look, and forgiving the cribbed scenario, still makes enough right moves to merit meat-beating consideration. —*S. L.*

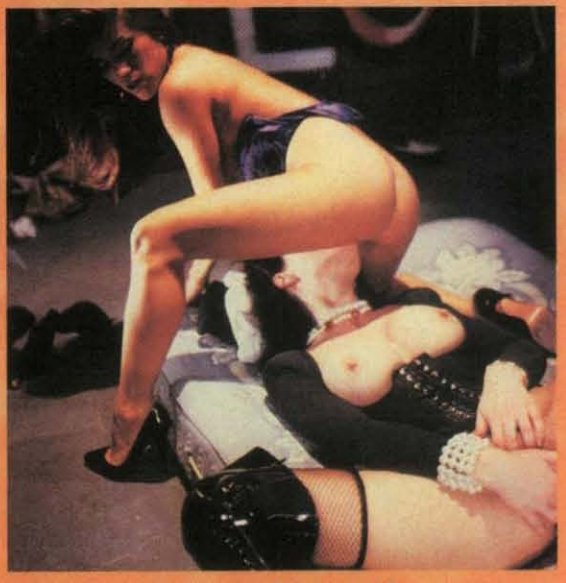

*Winn's **Moves** merit meat-beating consideration.*

DEEP INSIDE JEANNA FINE

Three-Quarters Erect. *Directed by Wesley Emerson; starring Heather Hart, Shawnee Cates, Sikki Nixx, Buck Adams, Peter North, Randy Spears, Jon Dough, Tom Byron and Sean Michaels. Videocassette: VCA.*

Queen of Tramps Jeanna Fine, arguably the prettiest cocksucker ever to deep-throat Peter North's spritzing beer can, doesn't need a fancy plot to make viewers squirm; so *Deep Inside Jeanna Fine*, a vignette-style video album that revels in Fine's flair for raw sex, lets the bitch goddess's cunt do the talking. Between fucks, the superslut plays with her pussy and answers questions about what gets it wet and drippy. These finger-games are fodder for a good pop-off, but the highlight is Fine swallowing every inch of North's heavy-duty shaft, her nose rubbing his pubes, her lips stretched to the max and a dreamy look in her eyes. Other stroke-points include a back-alley threeway that ends with Fine sucking cum out of a just-fucked cunt, and Fine giving a paraplegic the ride of his life. *Deep Inside* contains no scenes from Fine's blond-punk days, but if the dick is raw and the hand is wet, the tape has done its job.—*Kent LeLak*

*Fine laps cum from the **Inside**.*

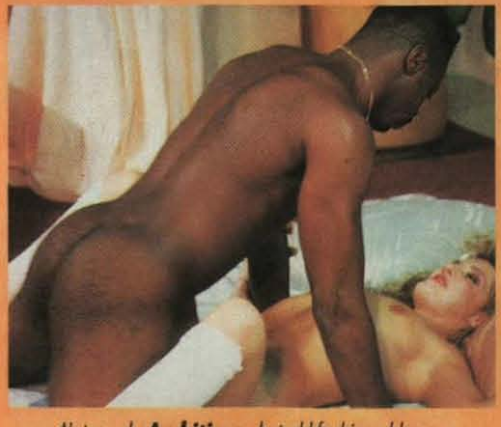

That cock should be in Trump's ***Butt****.*

Girls*: A sloppy-cunt circus.*

Speedster *runs out of gas.*

Not overly ***Ambitious****, but old-fashioned horny.*

RENT-A-BUTT 1

One-Quarter Erect. *Directed by William Black; starring Nikki Sinn, Stacey Nichols, Bianca Trump, Lynette, Sonja, Marve, Peter North, Scott Irish and Jake Steed. Videocassette: VCA.*

Five unrelated sex scenes, three of them anal, linked by the idiotic intros of a rollerskating Marve, are served up in *Rent-A-Butt*. Most of the players slog through the porking, with the single bright spot being cuddlesome Stacey Nichols butt-banged by Scott Irish. Nichols looks scrumptious with a cock in her cornhole. In the other two fanny flogs, Peter North works wood into the dirtbox of Nikki Sinn, while nonpro Lynette has her browneye boffed by a passionless pud. It's a shame to see Bianca Trump's rump go unrutted. *Rent-A-Butt* is strictly bargain-basement shopping. *—S. L.*

WHERE THE GIRLS PLAY

Three-Quarters Erect. *Directed by Bionca; starring Porsche Lynn, Madison, Lauryl Canyon, Aja, Summer Knight, Heather Lere and Nikki Wilde. Videocassette: Coast to Coast.*

Borrowing a few steps from Bruce Seven's all-girl dance book, Bionca choreographs the pearl-jam-sucking twats of *Where the Girls Play* into a slit-slurping, gash-grinding delirium, a sloppy-cunt circus even the master would be proud of. Porsche Lynn and Madison play a couple of tarts trying to save their failing nightclub, but most of their energy goes into pleasing each other's orifices. Aja joins the pair for a five-alarm cunt creaming; Madison finger-fucks the assholes of both Lynn and Aja, before reaming Lynn's rump with a dildo. Lynn bar-dances with Summer Knight; the redheaded tigress shoots a brewski all over Knight's body before lapping up the suds. The finale is pussy-pounding pleasure, as Heather Lere, Aja and Knight whip their vaginas into a frenzy for Madison's demented delight. Aja does a solo act with fire that has to be seen to be believed, and Lauryl Canyon DPs herself with dildos in a sultry striptease that starts the tape. *—S. L.*

SPEEDSTER

One-Quarter Erect. *Directed by Paul Thomas; starring Savannah, Heather Hart, Summer Knight, T. T. Boy, Marc Wallice and Paul Thomas. Videocassette: Vivid.*

Built from the ground up with the best custom parts, Savannah should really move as a cock-injected *Speedster*. She looks fast in the showroom (read: box cover), but the trick piece of ass never comes close to red-lining in this sputtering, Paul Thomas-fueled fuck vehicle. Savannah's baby-fat face only works in airhead roles; here we are asked to believe that she holds an actual job. Marc Wallice also challenges reality as a scriptwriter who mistakenly picks up Sav's phone-number book in a park. She has his. Stemming from this cheesy plot device is equally mundane sex. Summer Knight and Savannah suck shaven mounds; T. T. Boy dorks Savannah in a scene that's irritatingly intercut with Wallice nailing Heather Hart. Hart tries to act excited, but wood withers watching this tepid sex montage. Wallice finally gets to smack on Sav's crack, but by the time he sinks his curved dipstick into her grease pit, *Speedster* has run out of gas. *—Dewey Huevos*

AMBITIOUS BLONDES

Half Erect. *Directed by Milton Ingley; starring Tonisha Mills, Lynn Lemay, Marissa Malibu, Delta Force, Terri Diver, Mona Lisa, Sean Michaels, Don Fernando and Courtney. Videocassette: Visual Images.*

Some of the best onscreen screwing can be found in old-style, plotless, eight-millimeter loops. Performers simply strip and bang, without the benefit of a specific situation. Directed by Milton "Words Cost Extra" Ingley, *Ambitious Blondes* brings the old days back on video. Don Fernando is a simpering loon who acts as the tape's emcee, introducing the various couplings. Sean Michaels digs licking Marissa Malibu's pierced cunt flap, and she's not shy about slurping his black, wrist-thick log. Tonisha Mills and Lynn Lemay slather each other with sticky chocolate syrup and whipped cream. Terri Diver and Mona Lisa take on an anonymous schmoe, performing by rote. For muscle fans, gym-queen Delta Force plies her flopping snatch curtains with fingers and various dildos. Tiny Courtney bends over Fernando's desk for an anal cramming. Sluicing through her pussy-pocket first, he sheathes up in medically correct fashion and plumbs her dirty doughnut. A fitting end to a varied fuck tape that offers a bite for every taste. *—D. H.*

off the Lip

MELANIE MOORE

TABOO X

One-Quarter Erect. *Directed by F. J. Lincoln; starring Melanie Moore, Terri Diver, Mona Lisa, Heather Lere, Flame, Fantasia, Samantha York, Meeka, Jonathan Morgan, Marc Wallice, Jake Steed, Cal Jammer and Jake Williams. Videocassette: Intropics.*

In an obvious nod to government censors, the tenth installment of one of porn's most enduring series forgoes the socially offensive incest theme that made it famous in favor of a new vein of supposedly erotically charged sexuality. The opening scene is a classic, and is the only reason to watch *Taboo X*. The entire cast assembles at a bar for no reason other than to stage a 20-minute orgy. Among the many minisexcapades, pale-faced Flame grinds her fiery gash into Heather Lere's pouty face before Lere gets fucked bent over a barstool; the exotic Fantasia endures a DP from Marc Wallice and Cal Jammer, who, along with five other wankers, coat her back and butt until her Asian skin glistens with cum pearls. Subsequently, the movie settles for safe, standard porn fare concerning a young sex therapist (Jonathan Morgan) and a devious nurse (Melanie Moore) who use hands-on techniques to solve patients' sexual hangups. Aside from the orgy, a paltry four fucks do not stand up to today's full-length features. While *Taboo* no longer means incest, it doesn't mean stiffness either. —*S. R.*

"When you want sex all the time, it makes you sexy."

Strolling into Los Angeles from Tulsa, Oklahoma, in 1991, Melanie Moore presented herself as an easy-access spread with trampy, blond hair-extensions and a taste for multiple penetration. "I think three guys is best. One in my mouth and one in my ass and one in my snatch. I like that," Moore told the industry, and the smut factories churned out another slut. Moore, who's pushing 30 but won't admit it, has appeared in more than 150 videos, and claims to come in nearly all. "Orgasms are my favorite part of sex," she says. "You can check. My body flushes when I have an orgasm." With titles like *Deep Cheeks 2, Anal Blitz, Anal Addiction 3, The Assford Wives, Anal Analysis, Anal Fever, The End, Twin Cheeks, Romancing the Butt* and other rear-crack spectacles, Moore's credit list reads like an anal-sex almanac. It's no wonder, considering her first dicking was a butt-bang. "I wanted to be a virgin when I got married," Moore explains. "That's how I got into anal sex. For two years, until I was 18, I only got fucked in the butt. It was so funny. During lunch, I would be sitting on his dick in the car, and people would come up to us and start talking." After being a featured piece in HUSTLER Video's *Just for the Hell of It* and *The Pink Pussycat*, Moore had her first sex on a beach, an ass-and-pussy simul-stuff, naturally, in the latest HUSTLER stroke, *Captain Butts Beach*. Other titles include *Foreign Affairs, Out of the Blue, Alone and Dripping, Black Encounters, Pornographic Priestess* and *Hard Talk* (pictured, in her favorite position). Moore has canned the wig and now comes across as more of what she is off-camera: a disarmingly cute, soft-spoken, small-town girl who just loves getting paid for sex.

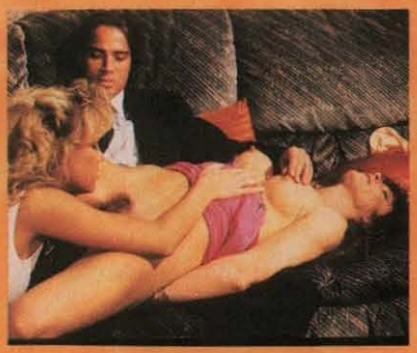

Taboo *doesn't mean incest anymore.*

THE LAST GIRL SCOUT

Half Erect. *Directed by Herschel Savage; starring Heather Lere, Sean Michaels, Bionca, Scott Irish, Heidi Kat and Rob Tyler. Videocassette: Pleasure Productions.*

Pouty bitch Heather Lere softens her spoiled-cunt attitude in *The Last Girl Scout*, playing a cop spying for crooked senator Jon Dough. The personality change doesn't dilute Lere's sexual appeal, but she's much more fun in her make-me-come-and-to-hell-with-you mode. Her first assignment is to peek in on a muff munch between Bionca and Madison. Bionca slurps on Madison's asshole before Madison straps on a fake cock and makes the butt-licker worship her penis power. Madison also works up a sweat with Rob Tyler, a full-throttle hump that culminates with Tyler splattering the pixie sex freak's heaving mams with cum. Scott Irish learns that it's better to prime the poon before poking when he realizes that Heidi Kat is more receptive to a cunt probe after receiving a few laps from his friendly tongue. Her happy face gets splashed with jism, but the effect is ruined by slow-motion trickery. Bionca gives Tyler what is perhaps the world's longest blowjob, and in return gets a frantic butt-banging. All the while Lere is chewing on her slippery slit. There are a few sweet cookies in her box, but *The Last Girl Scout* won't be missed when she's gone. —*K. L.*

Scout*: No memorable cookies.*

It's the viewer who's on ***Trial****.*

ON TRIAL 3

One-Quarter Erect. *Directed by Paul Thomas; starring Savannah, Racquel Darrian, Sharon Kane, Kym Wilde, P. J. Sparxx, Gloria Leonard, Sean Michaels, Randy Spears, Derrick Lane, Scott Irish and Woody Long. Videocassette: Vivid.*

The jury doesn't reach a verdict in *On Trial 3*, but Vivid might be facing lawsuits from viewers unable to find their dicks after watching this dreary flick. No camera tricks can make Savannah look like she's remotely interested in sex. In her "woman-directed fantasy," P. J. Sparxx inhales Scott Irish's lance and lets him spew on her succulent chest globes, but never manages to get off herself—a Paul Thomas touch if ever there was one. More thrilling is Kym Wilde's kiss and grope with Derrick Lane that leads to her mouth worshiping his cock. Racquel Darrien appears and knocks Lane unconscious. Lane lies motionless while Wilde bounces on his bone and Darrien muffs his mouth—almost creating reasonable doubt about a low rating. —*K. L.*

firearm, which I did not carry or use, in the commission of a drug-trafficking offense, when there were no drugs and no trafficking.

I can only assume that you sent me to Leavenworth to die. My current release date is August 2062. I'll be 126 years old when I get out, and then, of course, I still have to do my six years of supervised release.

Shortly after I reached Leavenworth, it was determined that I had lung cancer. I was immediately shipped to the federal medical center at Springfield, Missouri. I received at Springfield the finest doctor's care and medical attention I have ever known in my life. The right lower lobe of my lung was removed by one of the finest surgeons available in this part of the country. However, in the process of operating on my lung, attending physicians hyperextended my neck, which cost me the use of my left hand by severing some nerves. This resulted in further tests and consultations. My previously shattered right ankle was causing some problems; so physical therapy, orthopedic consultations and more extensive testing resulted.

In the meantime, Mr. Government, you folks found out that my cholesterol level was high. Now, thanks to the taxpayers, I take two different cholesterol medications, which probably cost $100 a month and will doubtless extend my life considerably.

I've had extensive lung surgery, tests and X-rays that our average tax-paying citizen could not begin to pay for, many trips outside the federal medical center escorted by armed guards to see expensive neurosurgeons and to take tests that I could not have afforded even if I had been the drug trafficker you say I am. I've had so many X-rays I glow in the dark. I have had brain scans, bone scans and HIV tests, as well as hundreds of others.

Which brings us to question number one: What are you doing? I mean, let's face it—if (perish the thought) you were me and I were you, I would have handed you a bottle of aspirin and told you I had some bad news. You would have assuredly made the old "knotty-pine parole" by now. Since that's not the case, perhaps you would like to give the taxpayers the answer to question number two: What do you want me to do? My left hand does not work; I walk funny because of my right ankle; I'm missing one lung, and if you'd left me alone in Albuquerque, I'd be dead by now. There's no parole for me. There's no good-conduct time for me either, and you, Mr. Government, have spent approximately $250,000 keeping me alive. Which brings us to question number three: Why?

If you would like to apologize to me and cut me loose, I would be willing to forget this whole thing, but if you can't see your way clear to doing that, then why don't you explain it to the taxpayers that can't afford to send their children to the doctor for needed care and treatment? —W. A. S.

NOBLE MOOSE

HUSTLER shows more insight and imagination than any other skin magazine I've ever read before. My favorite part of HUSTLER is picking it up every month to see who the "Asshole of the Month" will be. I thought choosing Joan Lunden was great ("Asshole of the Month," *Bits & Pieces*, November '92). It was about time someone gave it to that Barbie doll!

Freedom of speech is one of the greatest rights of any civilized country, but it seems to be alive only in HUSTLER. Maybe you could start a magazine in Canada, separate from the one that reaches us with half the pages blacked out, and give the moral Nazis up here something to think about! —A. J. C.
Winnipeg, Canada

HAIR TODAY

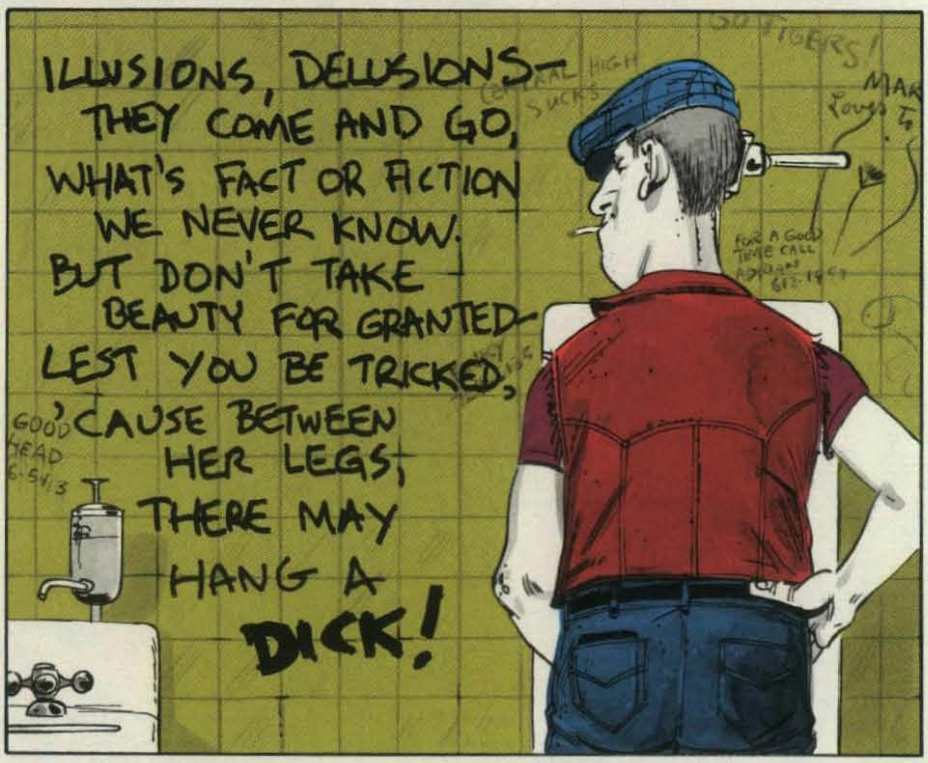

In HUSTLER's November 1992 issue, I came across Sybil in one pictorial (*Sybil: Sun-Kissed*, November '92) and Mia and Marie (*Mia and Marie: Bath Toys*, November '92) in another. My question: Do these lovely young women trim and shave their own pussies, or does someone do it for them? The reason I ask is that Mia's pussy looks neatly trimmed and shaved, and Sybil's pussy looks shaved but not trimmed. I would like to ask you to tell Mia to give Sybil a lesson on pussy trimming. If not, please send Sybil or any of the young ladies that do not know how to trim their pussies to Pittsburgh, and I'll gladly do it for them free of charge! —B. B.
Pittsburgh, Pennsylvania

PRESS THE BUTTON

Okay, Holly Ryder has a great clit ("Night of the Living Clit," *Bits & Pieces*, November '92). How about equal exposure for E. Z. Rider's colossal tool and Vanessa del Rio's monster button? —J. R. B.

HOT LETTERS

A HONEY OF A NEIGHBOR

From the day she moved into the apartment next door there was something familiar about her. She was beautiful with long, sandy-blond hair and a full body that she proudly displayed every time she sauntered to the trash dump in her bikini top and satin shorts. She had heavy breasts that jiggled nastily under the thin, silky shirts she wore, and she looked enough like Vanna White to spell the word *boner* in big, bold letters.

The name on her mail slot, Lacy M., didn't sound familiar. Still, I had seen this babe somewhere before. I just couldn't put my finger on it. I spent several nights with my ear pressed to the wall that joined our apartments. Fortunately, it was a newer building; so the walls were paper thin. One night I heard laughter above the annoying din of Madonna music throbbing through the partition. I turned off my lights and peeked into her apartment from my balcony. Her slender, dark silhouette shimmied in front of the door. Then the lights went out in her place, and the slider began to open. I ducked back into my room, nearly lobotomizing myself on the doorjamb.

She stepped onto the tiny balcony, followed closely by a young man. In her sheer, see-through robe, she seemed to have stepped out of a Victoria's Secret catalog. The pair kissed romantically, serenaded by the street traffic below. He parted her robe at the top and slid his hand under one of her heavy tits that spilled out into the night air. He ran his tongue across her neck; she tossed her head back in ecstasy, and suddenly it hit me like a wave of semen—she was a HUSTLER centerfold!

I scurried to my bedroom and flipped through my back issues until I found her. Reclining naked in a wicker chair with her legs and pussy spread was Lacy, HUSTLER Honey, October '92, and my new next-door neighbor. Talk about life imitating art! As the pages turned and my dick expanded, the centerfold was making a man come to life just a few feet away.

I returned to the balcony with magazine in hand. They had gone inside. I peeked over the short wall that joined our balconies and saw them love-wrestling on the floor inside the curtain. He opened the robe completely and sank his mouth into her breast; there was enough flesh to feed a Somalian family for months! My eyes had finally adjusted to the darkness, and I saw him suck her dark nipple with his puckered lips. His other hand was buried between her legs, rubbing her light-brown fur and certainly creating some moisture. She ran her tongue down his torso until her sweet face hovered over his impressive cock. She moved to her knees and stuck her meaty ass in my direction. I thought about running for the binoculars, but didn't want to miss a second of the action. She stood and cupped her breasts, lifting and letting them bounce naturally. She ran two fingers through her mouth, then through her pussy, before crouching over his elongated cock. Quickly, the entire muscle disappeared inside her tight, little twat.

With her ass still poised in my direction, he reached around and sank his fingers into the puffs of butt flesh. My neck bounced like a bobbing-head doll peeking from glossy pages to living room and back again with daredevil speed. With her hands pressed into his chest, she pushed herself up and off the cock. While she traced her tongue over his mouth, I stared in awe at her Grand Canyon pussy flaps that remained open even without a cock inside. She stood; so did he. I could see where this rendezvous was headed—for the fucking bedroom! Fortunately, they hesitated for a kiss and, as he ran his hand through the crevice of her ass to feel the gnarly crinkle pictured clearly in my HUSTLER, I knew my time had come. I sat the magazine on my patio table and unfolded her centerfold. I barely had to touch my dick before my frothy semen spilled across her golden breasts and dribbled on her sparkling, red lips. The last drop of spuzz snuck out of my shaft about the same time my friendly neighbors moved out of sight.

An hour later her front door slammed. I saw the guy walk onto the elevator. She was alone now. I was in lust. My heart throbbed with the thought that I could walk next door and meet this naked centerfold face to face! I went outside for some fresh air and

considered my options. It wasn't too late, maybe ten o'clock, and her light was still on. I had to see her now, fresh in the afterglow of sex. As I passed the mailboxes, I noticed a new stack of phone books on the ground. It may sound stupid, but they were my only chance. I grabbed a directory, snubbed my cig and walked upstairs.

I stood in front of her door for at least five minutes practicing conversation in my head. Finally, I knocked. In the excruciating moments that followed, I briefly considered bolting. Then the door opened as far as the chain-lock would allow. "Who is it?" she asked. Her voice was slightly raspy, probably from the multiples she'd just enjoyed.

I cleared my throat. "Hi, I live next

HOT LETTERS

Nicole and Kelly burst into laughter as my pee dripped from his shriveled ball sac onto the white tile below. For a moment I thought he was going to strike me.

door, and this package was delivered accidentally to my part of the mail boxes," I exhaled. The door closed, and I figured that was that; but it quickly reopened after she'd removed the chain. There she stood—every bit as lovely as her layout! Her hair was slightly damp and stringy from the sex, and she smelled of sweet perspiration. I was mesmerized by her brown eyes and soft red lips. She smiled, tightened her robe at the waist and looked down to my crotch. For an instant, I thought my fantasy would come true. I prayed to hear the words, "Why don't you come in?" But instead she chuckled and said, "Great, the new phone books are here."

I looked pretty stupid, but she was very nice, very down-to-earth. We talked for a few moments about neighbor shit. I didn't want to blow her cover, no matter how much I wanted her to blow mine. After she shook my hand, I sprinted back to my apartment and dove into the HUSTLER. Her scent was tattooed on my palm. I clenched my cock tight and rubbed her fragrance into my shaft. I've never wanted to suck my own dick so much in my life! She looked at me from her chair, with one hand pulling open her pussy lips. Her eyes stared down the barrel of my cock as I knelt over the supine beauty and shot a stream of smoldering dew across her flawless face.

Since that night we've become friendly neighbors. She's a sweet girl with a slutty soul, judging from her nightly episodes of sex. Which brings me to the point of this letter: Please find enclosed a check for 50 back issues of HUSTLER. October '92 only! —B.H.

Santa Fe, New Mexico

WORKOUT AT MUSCLE BITCH

Men crack me up! I'm amazed by men who openly stare and flirt with women, as if dumping their semen inside a vagina were the sole purpose of existence. Men are so incompetent when it comes to making love, and I thought I'd let your male readers in on a little secret: We hate you!

We don't like your slobbering, pushy attempts at French kissing; we don't like your tongues' hurried trips around our clitties, or your hairy backs and sagging paunches; and we don't like your chalky, sticky semen clinging to our hair!

Yet we persist until we find something better, which I thankfully did. I had never considered lesbianism until I got a job at a coed gym. In the past eight months I've met the most gorgeous, in-shape honeys, who are free and open about their lovely bodies. Now I beat them by joining them!

New Year's Eve exemplified my disdain for the opposite sex. The gym had just closed. Two other aerobics instructors and I began wiping down the equipment. We were more giggly than usual, because of the holiday, and decided to strip for an impromptu workout. I found it so exhilarating exercising in the buff, muscles tensing, breasts flexing and moisture glistening off our bodies.

Kelly, Nicole and I were so aroused from the nude workout that we decided to move to the showers to cool off and rub each other down. I realize that most of these stupid letters go to great lengths of description, since men have such pathetic imaginations. So here goes: Kelly's blond, Nicole's brunet, and I'm a brunette as well. You'll have to figure out the rest for yourselves.

We stood side by side in the white-tiled shower, each scrubbing the back of the girl in front. I was lucky enough to be the creamy center of this female cookie. Water trickled down Nicole's back as I slid the tiny bar of soap over her muscular shoulder blades and between the slippery cheeks of her ass. Every time I tried to squeeze her beautiful butt, my hand slipped between her sturdy thighs.

Kelly scraped her nails lightly against the back of my legs, tracing the underside of my ass. She also reached around and cupped my right breast. While she tweaked my aroused nipple with delicate urgency, my finger settled on Nicole's clitoris. I lightly rubbed the soapy clit while pushing my muff tightly into her sleek bottom. Soon the froth was no longer caused by the soap suds, and the three of us moved to the hot tub for comfort.

We sat on the side of the fiberglass tub concocting an oral daisy chain. I was so hot for the pink petals of Nicole's pussy that I pressed my nose and mouth as far inside as I could. She was sweet, but so was I, judging from Kelly's slurping upon my own pie.

Anyway, we were totally lost in each other's bodies when a throat cleared on the other side of the room. In the doorway stood a musclebound meat-

LETTERS

(continued from page 29)

head, wearing shorts and a tank top. "Is this a private party?" the poet laureate intoned with a slimy leer.

Kelly and Nicole self-consciously hid their bodies under the gyrating water. I stayed on the spa's ledge, refusing to be intimidated by this pestering baboon. "Why don't we fulfill two fantasies—yours and mine," he said, removing his shirt. Kelly rolled her eyes, but I gave her a wink and invited the dolt over.

As he popped out of his shorts, his steroid abuse was immediately evident. His dick's shaft was twice the size of his pecker's head. The thing was soft as lard, and even after he tugged on the putty for several seconds, the piece of shit was limp as linguini.

"Well," I chuckled, spreading my knees apart, "where's the beef, stud?"

There was minor panic in his eyes—the look a man gets when he's psyched himself out of an erection. Kelly and Nicole suppressed their laughter, but I pressed the point.

"Let us know when you're ready," I laughed at him openly.

"Well, why don't you girls give me a hand." He prided himself on the double entendre. I hate being called a "girl," so I knelt on the side of the sauna with my ass and cunny a few inches from his dago face.

I reached between my legs and slid my finger through my little, pink pussy. "Bet you wanna climb aboard, huh?" I was acting like a total slut. He squeezed that pecker like his life depended on it, but the thing wouldn't budge beyond a useless two inches. This poor, flaccid fucker was in misery.

Nicole and Kelly returned to licking and fondling one another under the hot water. I wanted to join them, but this bozo wouldn't leave. I moved my vagina closer to the edge of the tub top and spread my legs. I rubbed my tiny clit until the tip of the knob shot from the upper labes. I plunged my middle finger inside myself, scraping my inner walls with my long nail.

He was sweating and said something like, "Oh, baby, you're so hot."

"Oh, yeah?" I replied. "You want to feel my heat?"

"Yeah, baby, I do," he begged, practically pulling the pathetic, shrunken penis off his groin.

I opened my pussy with both hands, closed my eyes, clenched my sphincters and let fly a steaming stream of urine that bounced off his pectorals and slid down his plastic torso until the pee drenched his soggy cock. Whatever minor erection he had earned melted immediately like the Wicked Witch in Oz. Nicole and Kelly burst into laughter as my pee dripped from his shriveled ball sac onto the white tile below.

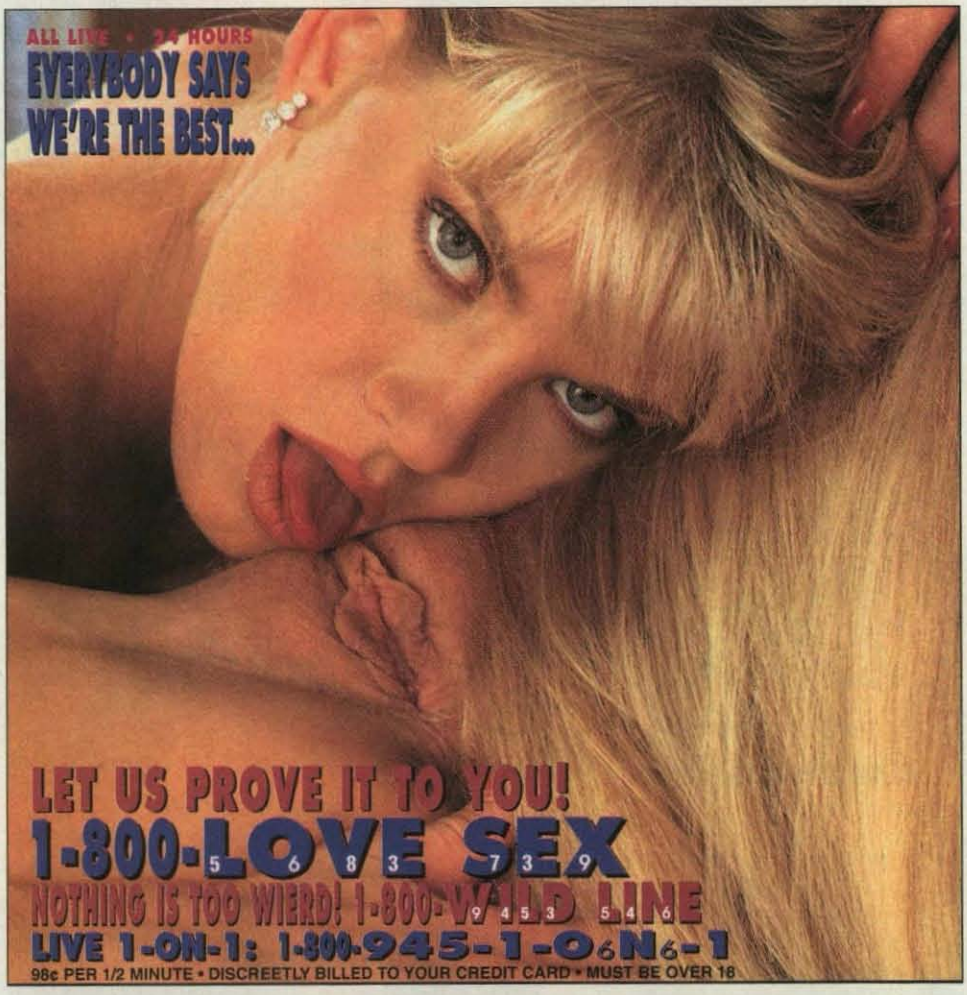

He was pissed—literally, and for a moment I thought he was going to strike me.

"You fucking touch me and I'll kill you," I told him so matter-of-factly, I even frightened myself. "Get the fuck out of here and don't come where you don't belong...or where you can't!"

He sneered, used the classy adjective *bitch* a time or two, pulled up his shorts and walked from the sauna like a dog with its tail between its legs.

Dabbing my moist pussy with a hand towel, I phoned our late-night security chaperone and asked him to watch our cars in the lot. Nicole, Kelly and I finished our task, melting again into one giant mass of lips, breasts and warm, gushing pussies. The sex was charged, thanks to the joyous battle of the sexes I'd just won. Without a doubt, that was the greatest orgasm any man had ever given me. —Name Withheld

Drawn to Indecency

Paint a Brush With Cartoon Tail

by Michael Brown

Thirty-nine-year-old Frank is a freelance carpenter and building contractor in Silverlake, California. Out of work since July, Frank has taken to watching daytime TV while his girlfriend Debby temps for a secretarial service in downtown Los Angeles.

Unwashed, unshaven and under the influence of some hellish vodka/aspirin/antacid concoction he whipped up in the blender, Frank flips through the ghetto of TV talk shows, trying to focus on something, anything, that will take him out of his out-of-work ennui.

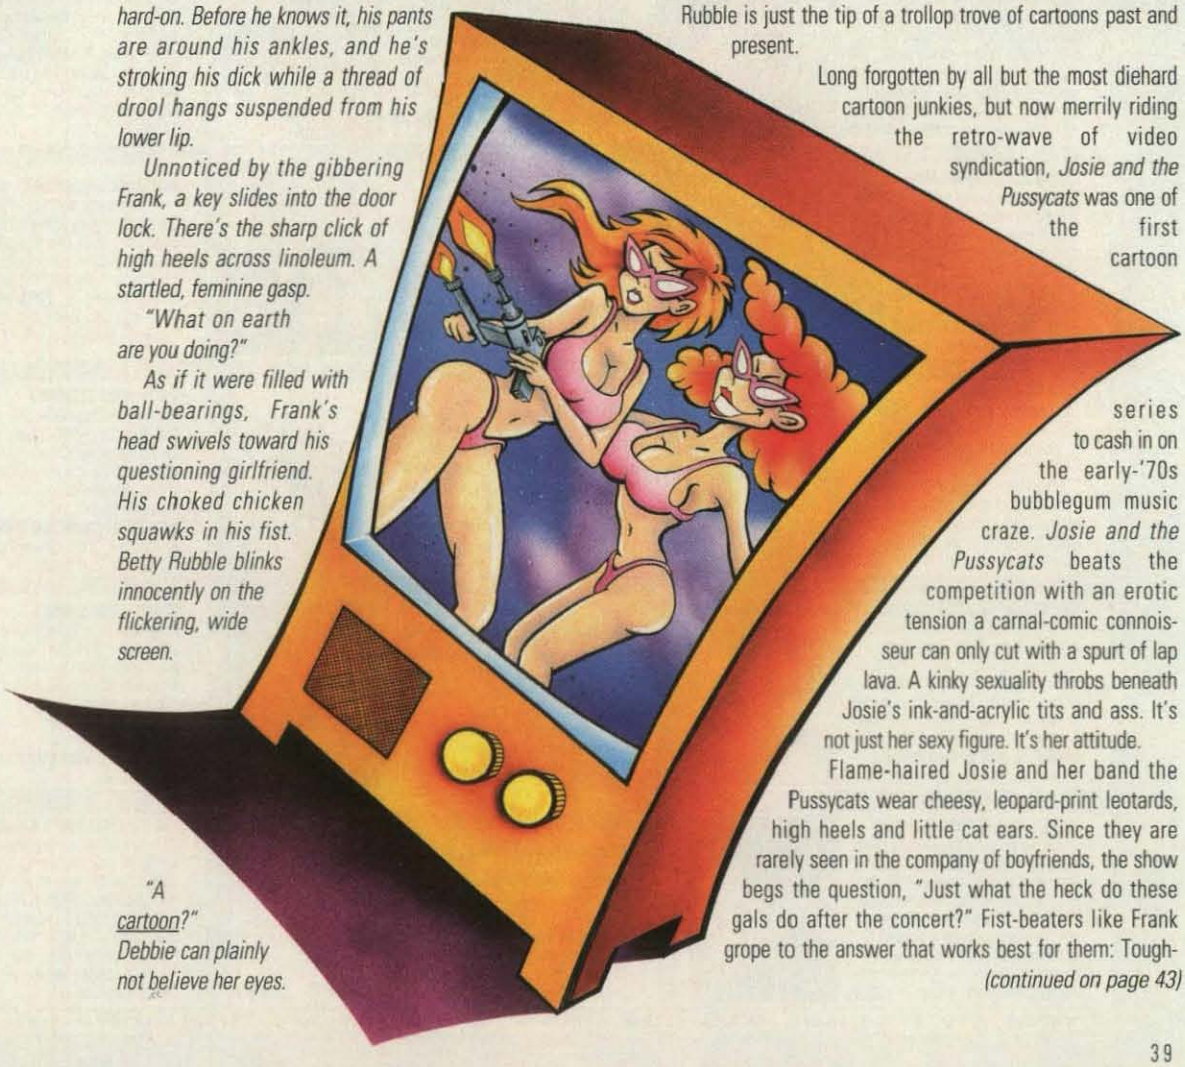

"Flintstones! Meet the Flintstones! They're a modern, stone-age family...!" Something clicks in his brain, a reminder of happier, simpler times. Good old Fred Flintstone. Good old Barney Rubble. Frank settles on his old cartoon favorite and begins to watch.

Funny. Somehow, he'd forgotten how good Betty Rubble looks in a tiger skin. Betty's perky bust meets the perfect hourglass curves of a model. Long, smooth legs end in tiny, bare feet. The fringe of her fur skirt tickles her upper thigh. Frank feels the rumblings of a nascent hard-on. Before he knows it, his pants are around his ankles, and he's stroking his dick while a thread of drool hangs suspended from his lower lip.

Unnoticed by the gibbering Frank, a key slides into the door lock. There's the sharp click of high heels across linoleum. A startled, feminine gasp.

"What on earth are you doing?"

As if it were filled with ball-bearings, Frank's head swivels toward his questioning girlfriend. His choked chicken squawks in his fist. Betty Rubble blinks innocently on the flickering, wide screen.

"A cartoon?" Debbie can plainly not believe her eyes.

"You're jerking off to a cartoon? Are you some sort of a pervert or something?"

Frank hasn't gotten laid in a month. But he has found a new passion. Every morning Debbie heads off for the bus, and Frank makes a beeline to TV, where a world of uncomplicated, hand-painted women wait to scratch his itching nut sac.

Every man's criteria when evaluating a woman strictly on the basis of sex appeal sooner or later comes down to two points: Does he think she's cute? Does he think she has a nice body? All things considered, Betty Rubble is one girl sure to pass the test with flying colors.

Most women fail to develop a taste for masturbating to visual stimuli during their pubescent years. During this formative time of erotic indoctrination, girls mainly confuse the issue of sexual identification with obsessional thoughts of horses, favorite bathtub toys, or homofied boy idols torn from the pages of squeaky-clean teen magazines.

Guys who have yanked the crank over TV tarts from Ginger Grant to Marcia Brady know full well the powerful sexual draw of the scrotum-sketched girls of cartoonland. For overgrown boob-tube brats like Frank, rediscovering the woman in Betty Rubble is just the tip of a trollop trove of cartoons past and present.

Long forgotten by all but the most diehard cartoon junkies, but now merrily riding the retro-wave of video syndication, *Josie and the Pussycats* was one of the first cartoon series to cash in on the early-'70s bubblegum music craze. *Josie and the Pussycats* beats the competition with an erotic tension a carnal-comic connoisseur can only cut with a spurt of lap lava. A kinky sexuality throbs beneath Josie's ink-and-acrylic tits and ass. It's not just her sexy figure. It's her attitude.

Flame-haired Josie and her band the Pussycats wear cheesy, leopard-print leotards, high heels and little cat ears. Since they are rarely seen in the company of boyfriends, the show begs the question, "Just what the heck do these gals do after the concert?" Fist-beaters like Frank grope to the answer that works best for them: Tough-

(continued from page 39)

talking Suzi Quatro/Pat Benatar prototype Josie fucks boys and beats them up afterward. The masturbating mind reels at the possibilities for non-musical uses for drum sticks and guitar necks (at least, the mind of that eight-year-old boy still beating off in every 40-year-old man's heart).

The rockin' picture-perfect babes of the cartoon *Jem* are the logical extension of Josie's Pussycats, but with an '80s-greedhead spin. Forget the music—for Jem and her cohorts, it's fame that counts. To an adult imagination well-jaded with the screw-or-be-screwed realities of business, Jem's search for fame leads the imagination to a dozen furtive sexual encounters with any man—no matter how unwashed or unshaven—capable of advancing their careers. Jem's quest for recognition leads Jem and her band, the Holograms, on a worldwide adventure through the Byzantine twists of the corrupt, corporate world of pop music. Frank, with dick in hand, easily conjures up Jem-assisted blowjobs around every corner. Adding long legs and pert tits to the finger-fire, Jem and the Holograms are hounded and harassed by their arch-rivals, the Misfits, another girl group. But where Jem and the Holograms are squeaky clean, the Misfits are a trio of mean-tempered cycle sluts with purple hair.

Again, it all boils down to attitude. Jem and the Holograms promulgate the idea that "...when I touch you, I feel happy inside." The Misfits subvert this to read, "...when I touch you inside, I feel happy." Either way, girl musicians wanting a hand up the ladder sign recording contracts with vaginoil.

The Archies were the only cartoon group to have legitimate top-40 hits, but what's really notable are the onscreen gyrations of the show's two female leads, Betty and Veronica. Betty is the corn-fed, tambourine-shakin' blonde. When she isn't working the cheerleader angle, Betty's wholesomeness verges on the nauseating. She's good at getting a guy hard, but this girl wouldn't look at a woody, let alone lip one.

Which is where keyboard-playing Veronica comes in. Spoiled, scheming and Southern-fried, this brunet bombshell puts real *oomph* into figurative painting. When Veronica sings lead on "Jingle Jangle," she means every word of the line, "Swing me, swing me, baby." The generic, India-ink blots of her eyes let every man watching know he's just the guy to do it for her.

The stars of *The Jetsons* aren't rockers—just your average, space-age family. But daughter Judy—pony-tailed and brain-dead—appears to be continually listening to world-class, fuck-bunny music in her head. What's more, Judy seems to be erotically addicted to high-collared, space-age rubberwear. Clearly, her pointy tits are tightly jammed into latex. It doesn't take much imagination to borrow the image of the bobbing, sharp-edged ponytail on her head and picture Judy Jetson with a bun-weltering horsewhip in her hand.

Housewife Jane Jetson, by comparison, is as sexy as Judy, in a more down-to-Venus way. Jane is probably nymphomaniacal and frustrated, what with husband George hatching one goofy scheme after another in between hijinks on the job with Mr. Spacely. Is it any wonder that George's eternal cry, "Jane, stop this crazy thing!" as the show's credits roll at the end of each episode, leaving him trapped on a futuristic dog-walking contraption, is never answered?

For his part, Frank enjoys picturing doing the wild thing with Jane and Judy in zero-gravity. Throw in their robot maid, and he's light-years from regretting whipping out his dick to a cartoon show.

The real star of *Scooby-Doo* is not the wacky, snot-lapping mutt; it's adorable, thrill-seeking Daphne, who is cute, smart and looks great in a mini. The rest of the cast, including the dog, the beatnik and the dyke with the glasses, is a handjobber's nightmare, but the show's creators clearly keep their most attentive audience in mind: The luscious Daphne appears in nearly every scene of every episode.

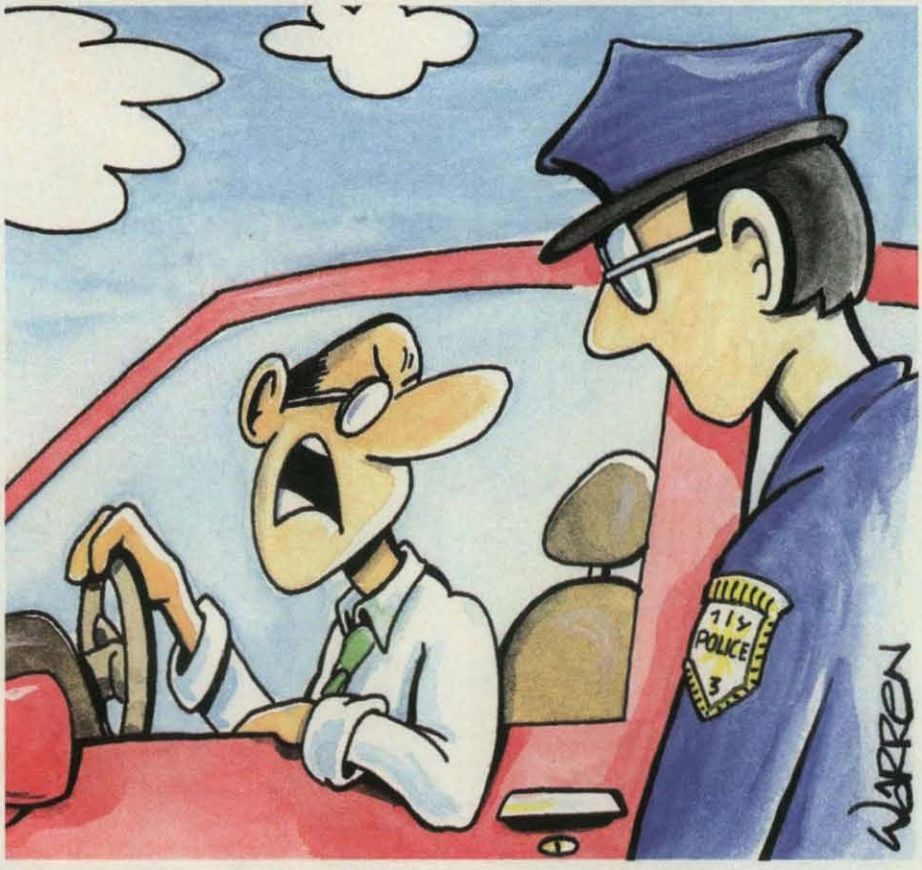

Apparently, Daphne went on to become the grown-up Pebbles Flintstone in Pebbles's early-'80s *Flintstones* spin-off. Daphne with a bone in her hair, wearing a tattered, fur sarong, presents an uncanny similarity to post-pube Pebbles, attesting either to the character's enduring, bone-stiffening appeal or to the limited talent of Hanna-Barbera animators. Either way, Daphne and Pebbles depict a vision of vixenhood worth wiping cum-shots off the 21-inch Magnavox.

The big screen's got its share of primo cartoon babes. Jessica Rabbit of *Who Framed Roger Rabbit?* has it all—legs that cut up a room like two jackknives, a breathy, husky voice, a sultry Veronica Lake hairdo, a slinky, hip-slinging walk and a pair of monstrous tits. Like Betty Rubble, Jessica Rabbit is saddled with an unsavory spouse. But—same as with Betty—with a body like Jessica's, who really cares who she's married to? After sleeping with Roger, at least she knows how to fuck like a bunny!

Pouty, blond and patterned after Marilyn Monroe, Tinker Bell, from Walt Disney's *Peter Pan*, is the hottest thing going in Disney's usually unappealing-unless-they're-little-boys pantheon of pulchritude. Tink's small enough to fit in a pocket. Think wing-job.

Wanna-be cartoon goddess supreme Holli Would stars in X-rated cartoonmeister Ralph Bakshi's R-rated feature *Cool World*. Blond and buxom, Holli's got it way over Jessica Rabbit and even her real-life alter-ego Kim Basinger. Holli's a major-league slut with a penchant for spreading her creamy, cartoon thighs and adjusting her big, cartoon breasts—the first animated ginch whose attire features French-cut panties and thigh-high boots. All she needs is the proper touch to be real. If that don't strike a universal chord....

Holli, Tink and Jessica can wait. At this point in his fist-pumping, cartoon-fetish travails, Frank is a far cry from popping an animated feature into the VCR, just to wank to a drawing. It's the sexily casual, cheaply made cartoon girls on TV that get him wringing his glans. No doubt he won't be fucking Debbie for a goodly while—or any of his cartoon cuties, ever. But that's why God gave him hands—and an eye for true art.

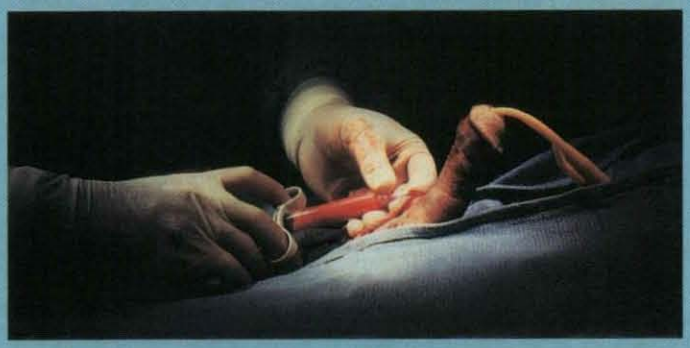

"My radio is off—that sound you hear is my wife in the trunk."

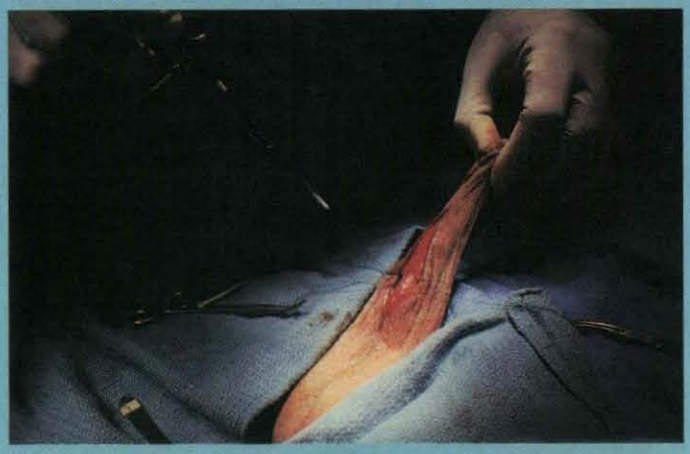

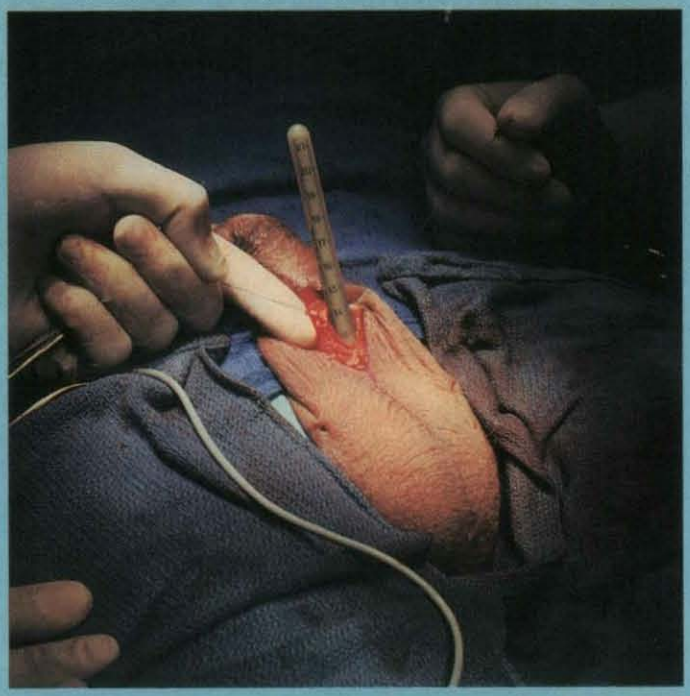

DR. JAMES ELIST:
BUILDING BETTER PENISES

REPORT BY SCOTT SCHALIN

The surgeon closes his incision, and the operating room falls eerily silent. Chatter between doctor and nurse ceases, as does the tinkle of instruments against the sterilized metal tray. The surgical team backs away as Dr. James Elist stands over his creation. The doctor clips an excess suture and slowly loosens his grasp upon the patient's penis. The time has come for the dick's first solo flight in many years. Elist steps back. Shards of surgical light illuminate the hardened cock. As the patient peacefully snoozes under a haze of anaesthesia, the penis remains boldly erect. Dr. Elist smiles under his mask. Another lifeless cock has been resurrected to fight—that is, fuck—another day.

ALL PHOTOS BY LADI VON JANSKY

If the penis is the antenna to a man's soul, then James Elist must be the Marconi of medicine. Dr. Elist didn't invent the procedures that cure impotency or increase a cock's size, but, like the Italian inventor who perfected radio transmission, Elist has refined and advanced these techniques, which restore life and liberty for the pursuit of man's most prized attainment—pussy.

Of all the sexual deficiencies that strike men, impotency is the most frustrating. Simply defined, impotency is the inability to gain an erection suitable for sexual penetration. Considering the intricate structure of a penis and the many valves and vessels needed to control it, it's a wonder that any man can get a hard-on.

The inside of a cock is separated into three chambers. The center cylinder contains the urethra, through which urine and semen travel. Impotency, however, affects the two outer cylinders, the *corpora cavernosas*, located on each side of the urethra. Filled with spongy tissue, these cavities engorge with blood and swell when a healthy man becomes sexually aroused, producing an erection. Impotent men, though they're as driven by horny thoughts and desires as their healthy counterparts, are burdened with dicks that refuse to cooperate in the urge and remain devoid of the bone-giving blood.

Although not a topic men discuss over a round of beers, impotency has become a common but misunderstood malady. More than ten million impotent men seethe in the U.S. alone; many remain too embarrassed to discuss their erection deficiency even with a physician.

Dr. Elist is erasing the stigma of impotency. A practicing urologist who has performed implant surgery for nearly 15 years, Elist seeks to enlighten men about their sexual biology. As West Coast Director of Impotency Anonymous, he helps men realize that with a flaccid member they're neither alone nor without a cure.

(continued on next page)

IMPLANT (continued from previous page)

A male gorilla who weighs nearly 600 pounds has an erection of only two inches. Yet humans are humiliated with a cock even doubling a gorilla's in size.

"Many people, some physicians included, believe that after 50 or 60, sex should not be that important," Elist explains. "But do you stop eating at 60 because you've been eating for 60 years? No. So why stop doing something you enjoy? Sex in the later years can be tremendously beneficial. It extends health, contentment and life. But a man who is impotent feels inadequate, less powerful, and somehow like less a man. His self-esteem suffers, and so do his relationships and his work."

Although the average impotent male is between 55 to 75 years old, the affliction can strike any guy, anytime. Most sexually mature men have at one time experienced the debilitating and embarrassing effects of impotency. A man ends an enjoyable night on the town, returns to his date's apartment for a good-night fuck and *wham!* The bottle of wine they shared at dinner has knocked out his dick. Stress, at work or at home, can lead to long nights of limpness. Married men in particular sometimes feel numb after many years of looking at the same woman spreading the same pair of legs in the same bed. However, if any of these men sprout erections at other times, with other partners or even alone with an issue of HUSTLER, then impotency is not the problem. "These [truly impotent] patients cannot even get an erection during oral sex, which is the best stimulation," Elist contends.

Until a decade ago, medical experts believed that almost all impotency was psychologically rooted, caused by religious guilt, performance anxiety or plain fatigue. According to Dr. Elist, new urological research reveals that more than 60% of all impotence is physiological. Diabetes remains among the leading causes of permanent limpness. Other factors, such as vascular disease, drug or alcohol abuse, or, in the case of Dr. Elist's most famous patient, HUSTLER Publisher Larry Flynt, spinal-cord injury, also lead to a comatose cock.

Once he's diagnosed impotency, Dr. Elist performs a series of tests on his patient to determine the most effective cure. For example, a report written by Elist for the *Journal of Urology* (April 1984) found that "heavy smokers often become impotent." If the patient smokes or drinks, the doctor asks that he stop and return in a few weeks for reevaluation. If the problem persists, then medical steps are taken. Before jumping onto the operating table, the doctor attempts nonsurgical cures. Prostaglandine is the safest prescribed course of treatment. When injected into the base of the cock, the drug stimulates blood flow, causing normal, albeit temporary, erection. The drug will last around two hours before the stiffness subsides and an additional shot is required.

"May I bring you another six rounds?"

The "Vacuum Constrictor" is not a Dick Tracy crime fighter, but another nonsurgical technique to encourage temporary hard-ons. A plastic cylinder is placed over the soft dick, and a surge of air creates enough suction to erect a man's statue. Once the prick rises, the cylinder is removed, and rubber bands are wound over the balls to prevent blood from escaping. After the sex act, the bands are removed and the cock returns to its former useless self. Both of these nonsurgical methods lack intimacy and spontaneity. The most naturalistic way to reestablish an erection is through surgical intervention.

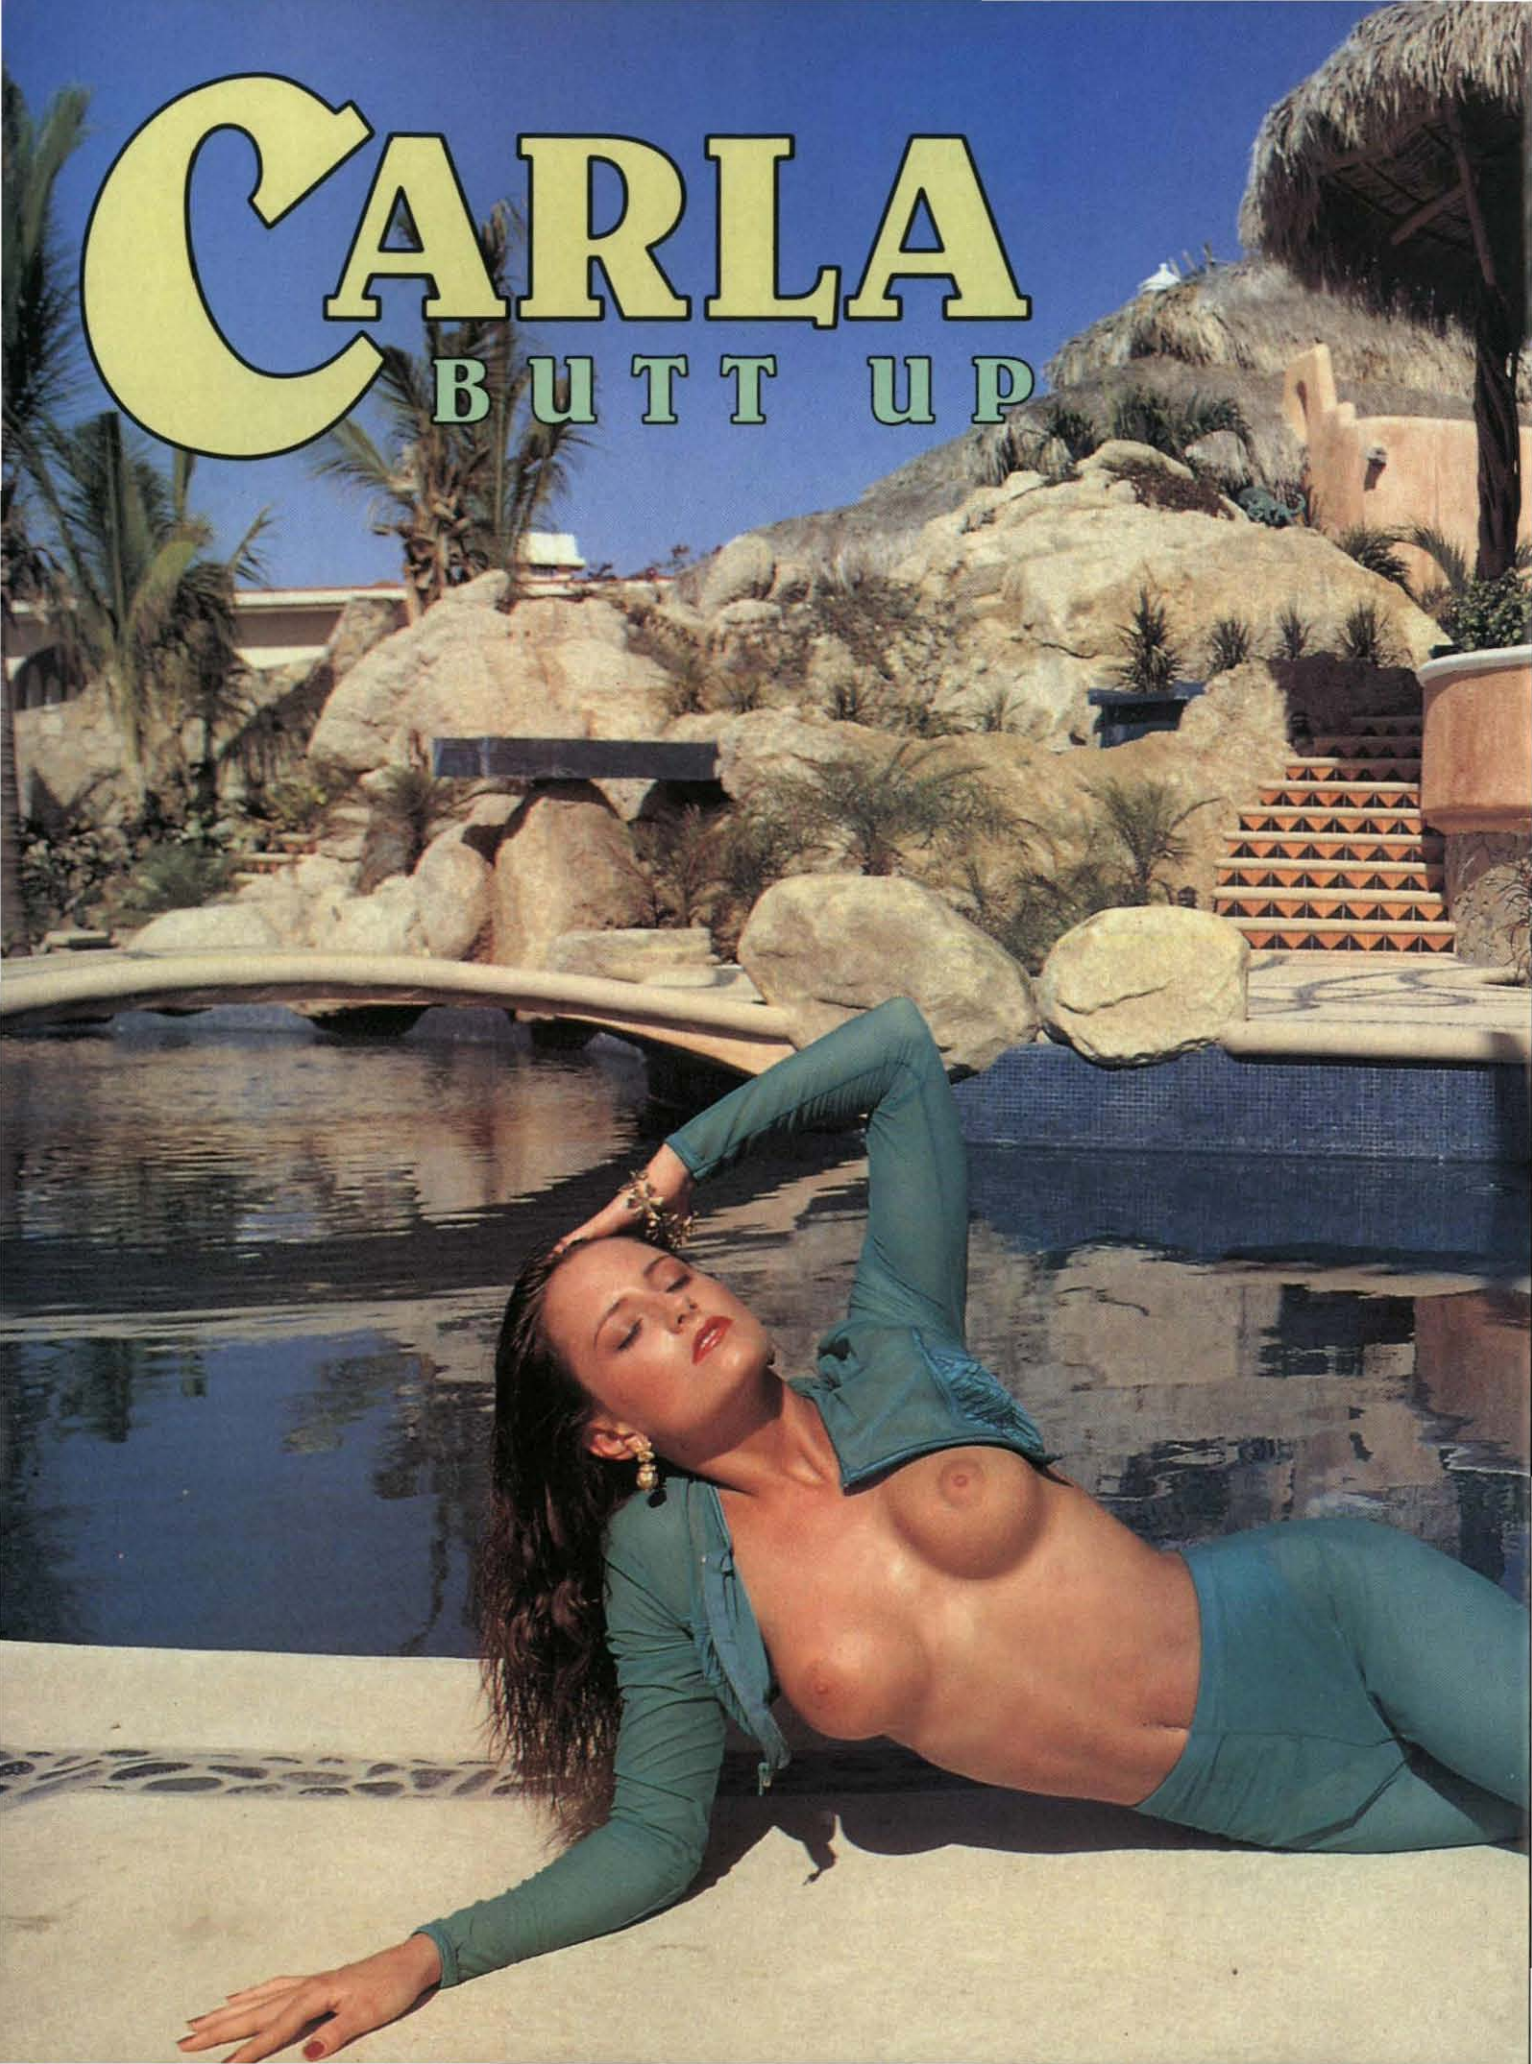

Penile-implant surgery officially began in 1936, when a since-forgotten surgeon sewed rib cartilage into a man's limp lumber. Thankfully, modern medicine has come a long way toward a permanent cure. The first successful implant operation was performed in 1973 and, 20 years later, Dr. Elist is one of many surgeons who perform the operation with a 100% efficiency rating. Quite simply, once the implant is in place, a man's impotency is cured. "This [surgery] is the only part of medicine that can help male and female at the same time," Elist expresses.

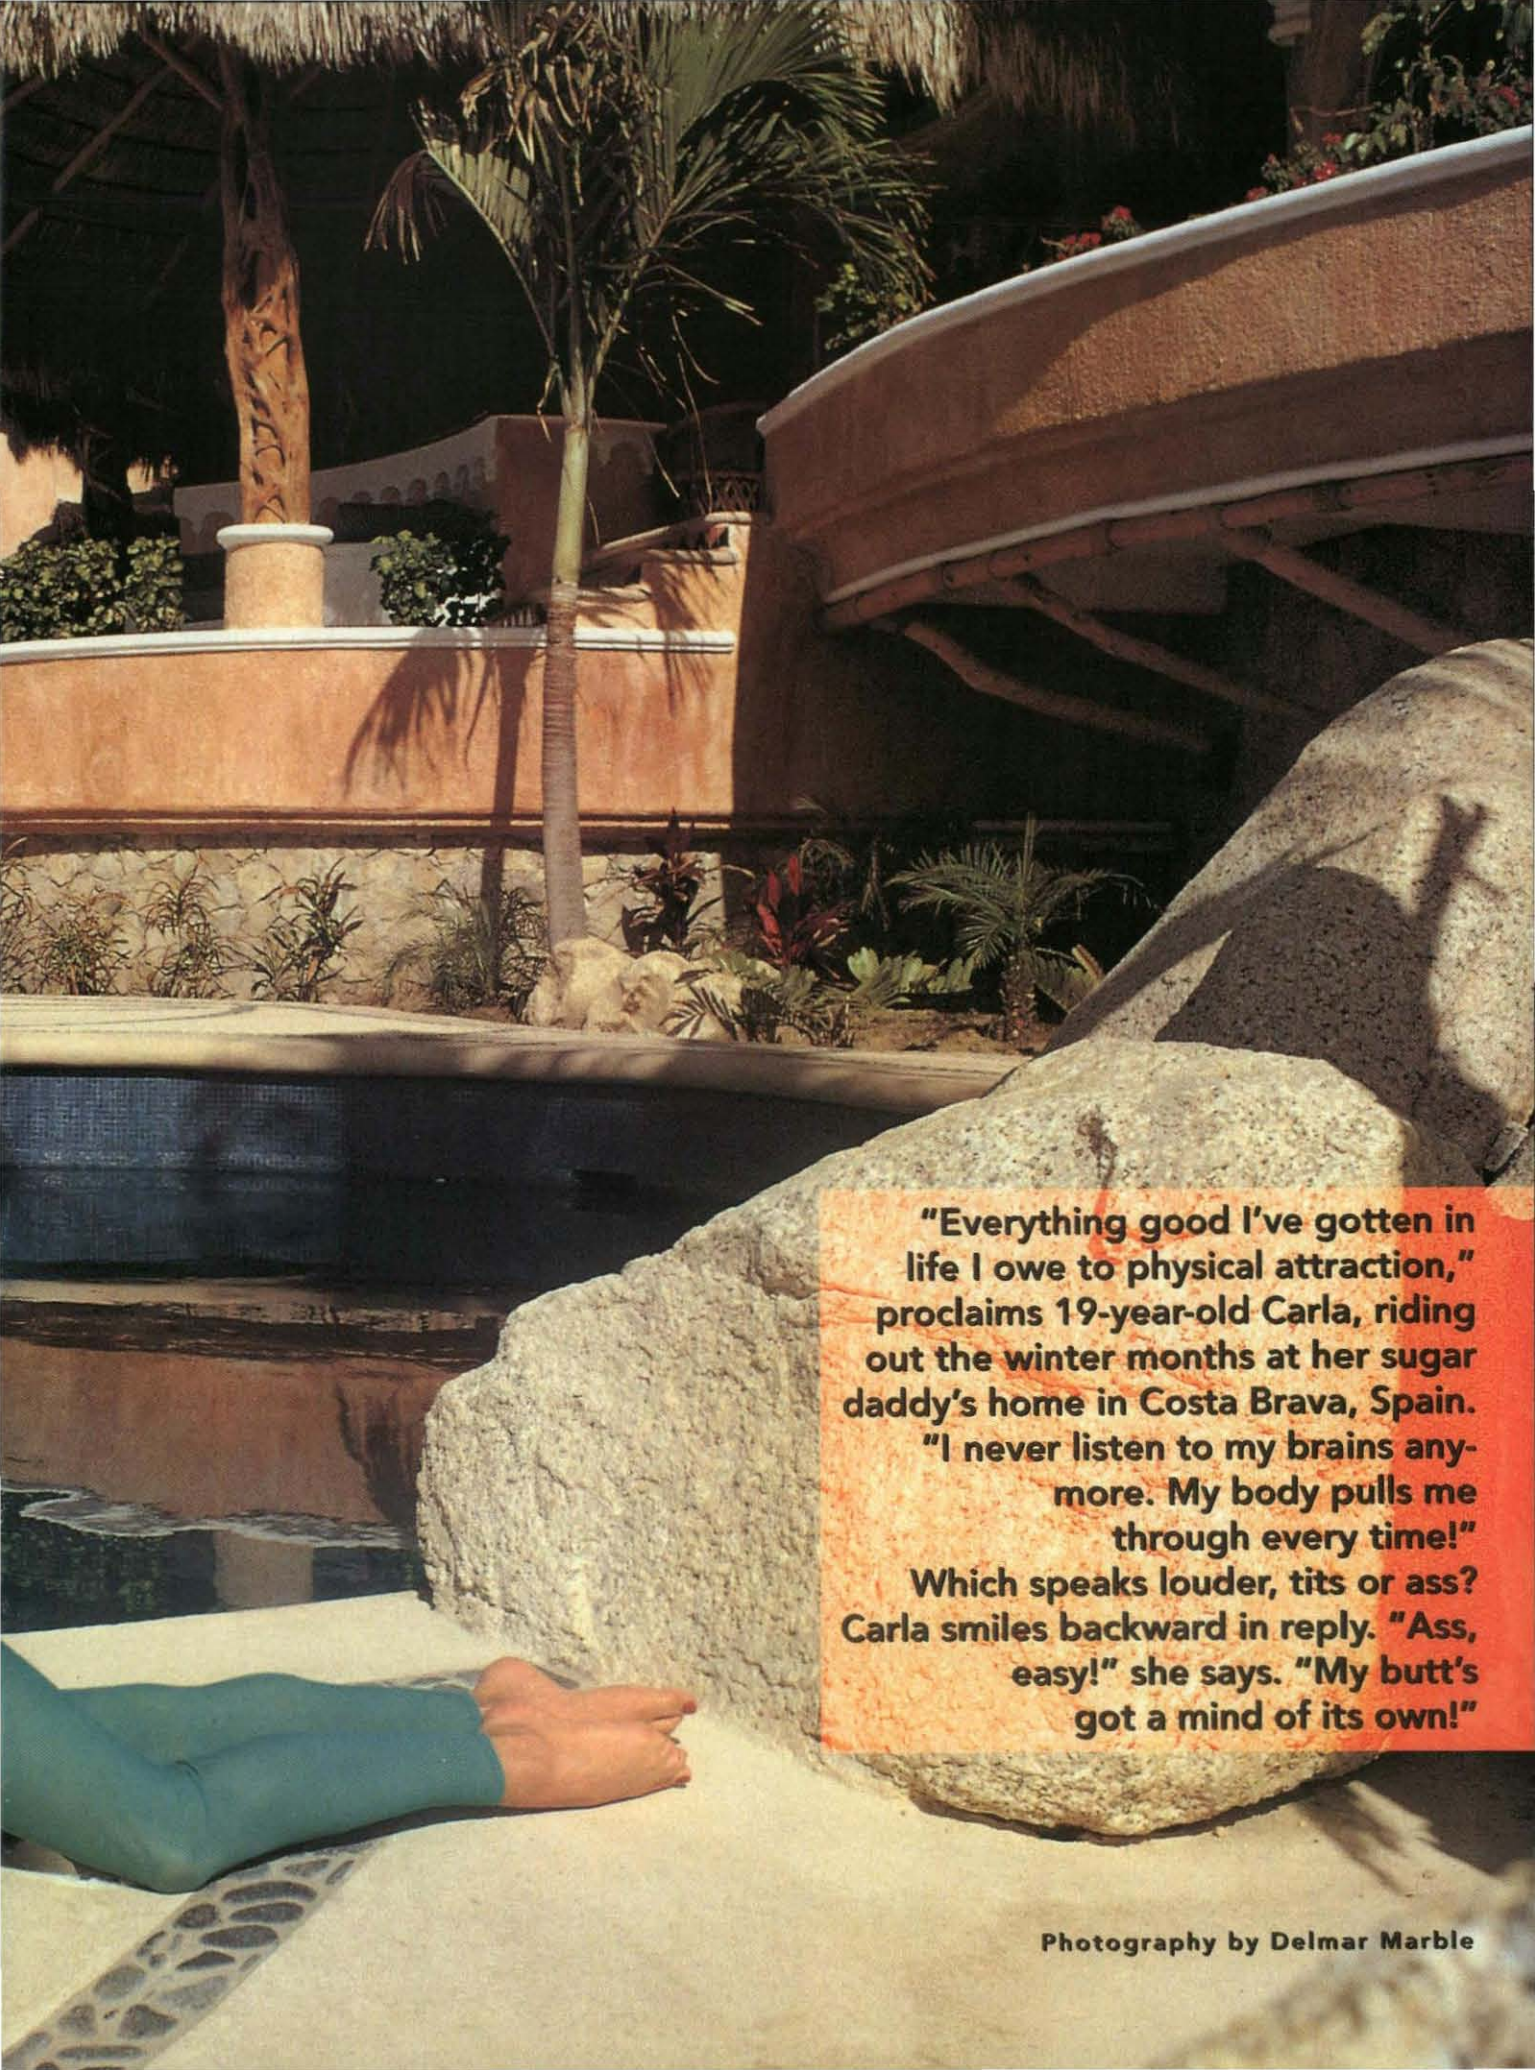

There are two types of implants. The inflatable device includes two hollow cylinders inserted into the barren corporal chambers. For $6,000 to $10,000 (covered by most insurance plans), the impotent man will vault skyward after pressing a tiny inflation pump sewn inside the scrotum. The pump sends saline fluid into the implants from a reservoir situated underneath the abdominal muscle, forcing erection. Dr. Elist calls it the "Rolls-Royce" of implants. "It most closely imitates a natural erection and appearance," Elist maintains. It is also the implant Larry Flynt chose to continue a fulfilling sex life. "Nobody can tell I even have the implant," discloses Flynt. "And once it goes up, it doesn't come down until I take it down. Believe me," he grins, "girls find that more satisfying."

The more common, more affordable ($3,000 to $5,000) of the two prosthetic implants is the semirigid device. Of the several types of rods, explains Dr. Elist, "The one I use most often is made of a special kind of silicone that's solid and safe, unlike breast silicone, which is a liquid solution." A rod inside the implant, made

BUTT UP

"Everything good I've gotten in life I owe to physical attraction," proclaims 19-year-old Carla, riding out the winter months at her sugar daddy's home in Costa Brava, Spain. "I never listen to my brains anymore. My body pulls me through every time!" Which speaks louder, tits or ass? Carla smiles backward in reply. "Ass, easy!" she says. "A small dick affects the way you think about yourself and relate to others. In the back of your mind, you always think, 'I wish I were bigger so that I could please my partner more.' "

of pure silver, not only creates a pliable boner, but also adds to the man's physical worth. And, no, it does not activate airline metal detectors as some of the older wire implants tended to do. Once the device is in place, the penis remains rigid, but can be bent to conform to the body's needs.

Four to six weeks after surgery, the patient can rekindle his lost love affair with the warmth and wetness of a vagina. "Implantation has no effect on the quality or quantity of a man's semen," reports Dr. Elist, "and [most men] report increased self-esteem and a stronger feeling of masculinity. No man should give up something as vital as his sexuality. Indeed, I have patients in their 70s enjoying a satisfactory sex life."

Ponce de Leon may have found the fountain of youth, but penile implants erect a monument through which a man's fountain can continue to flow. While prosthetics dissolve the frustrating effects of impotency, younger would-be studs encounter a different, self-defeating relationship with their cocks: size shame. From the earliest bonding rituals in junior-high locker rooms, men live by their cocks' length and performance. The *Atlas of Human Sex Anatomy* lists the average length of an erect penis at six inches with a circumference varying from 3.1 to 4.7 inches. Ironically, a male gorilla who weighs nearly 600 pounds has an erection of only two inches. Yet humans, with less than a third of that species' weight, are humiliated with a cock even doubling a gorilla's in size.

Is bigger really better? The Kinsey Institute's *New Report on Sex* (1990) claims there is "no scientific research saying women prefer large penises." In fact, the report determined that "women can only feel sensation in the two inches...nearest the vaginal opening."

Whereas a man well below the human average, and even a gorilla, could satisfy a woman given those measurements, Jim Boyd believes women want more. Boyd is the founder of Hung Jury, a national organization that fixes up men with large cocks (eight inches minimum) with women seeking such fulfilling partners. "Once a woman has experienced a larger penis, she's hooked on it," Boyd maintains. "Those [women] who have no experience with [a large penis] say it doesn't matter only because they've been brainwashed by society to believe it doesn't matter. Their social conditioning [says] they are bad, naughty, nasty girls to even think about it."

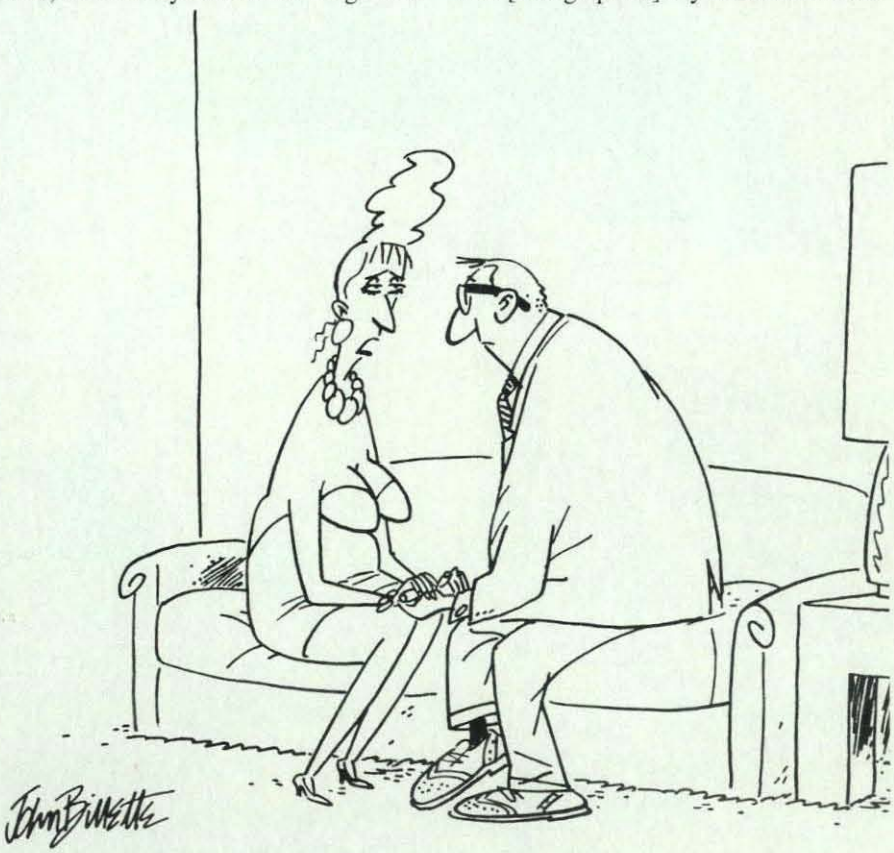

Experts agree. "I prefer longer and thicker cocks," insists Danyel Cheeks, an adult-film star who sees, touches and sucks dicks for a living. Newcomer Nikki Dial concurs, with minor reservations. "I have a small torso; so I can't fit that much inside," the beautiful brunette relates, removing her robe and spreading open her petite pussy. "Too big is not good because it hurts. But it's a turn-on to see a bulge in a guy's pants."

Men blessed with large penises, and the women who love them, are less qualified to discuss small pricks than the men afflicted with them. The psychological effects of a small schween can be overwhelming in a society fixated on size and status. "All the bullshit about 'it's not the size that counts' is just a lot of crap," intones Tony C., an Italian man born with a puny five-inch prong. "A small dick affects the way you think about yourself and relate to others. In the back of your mind, you always think, 'I wish I were bigger so that I could please my partner more.' "

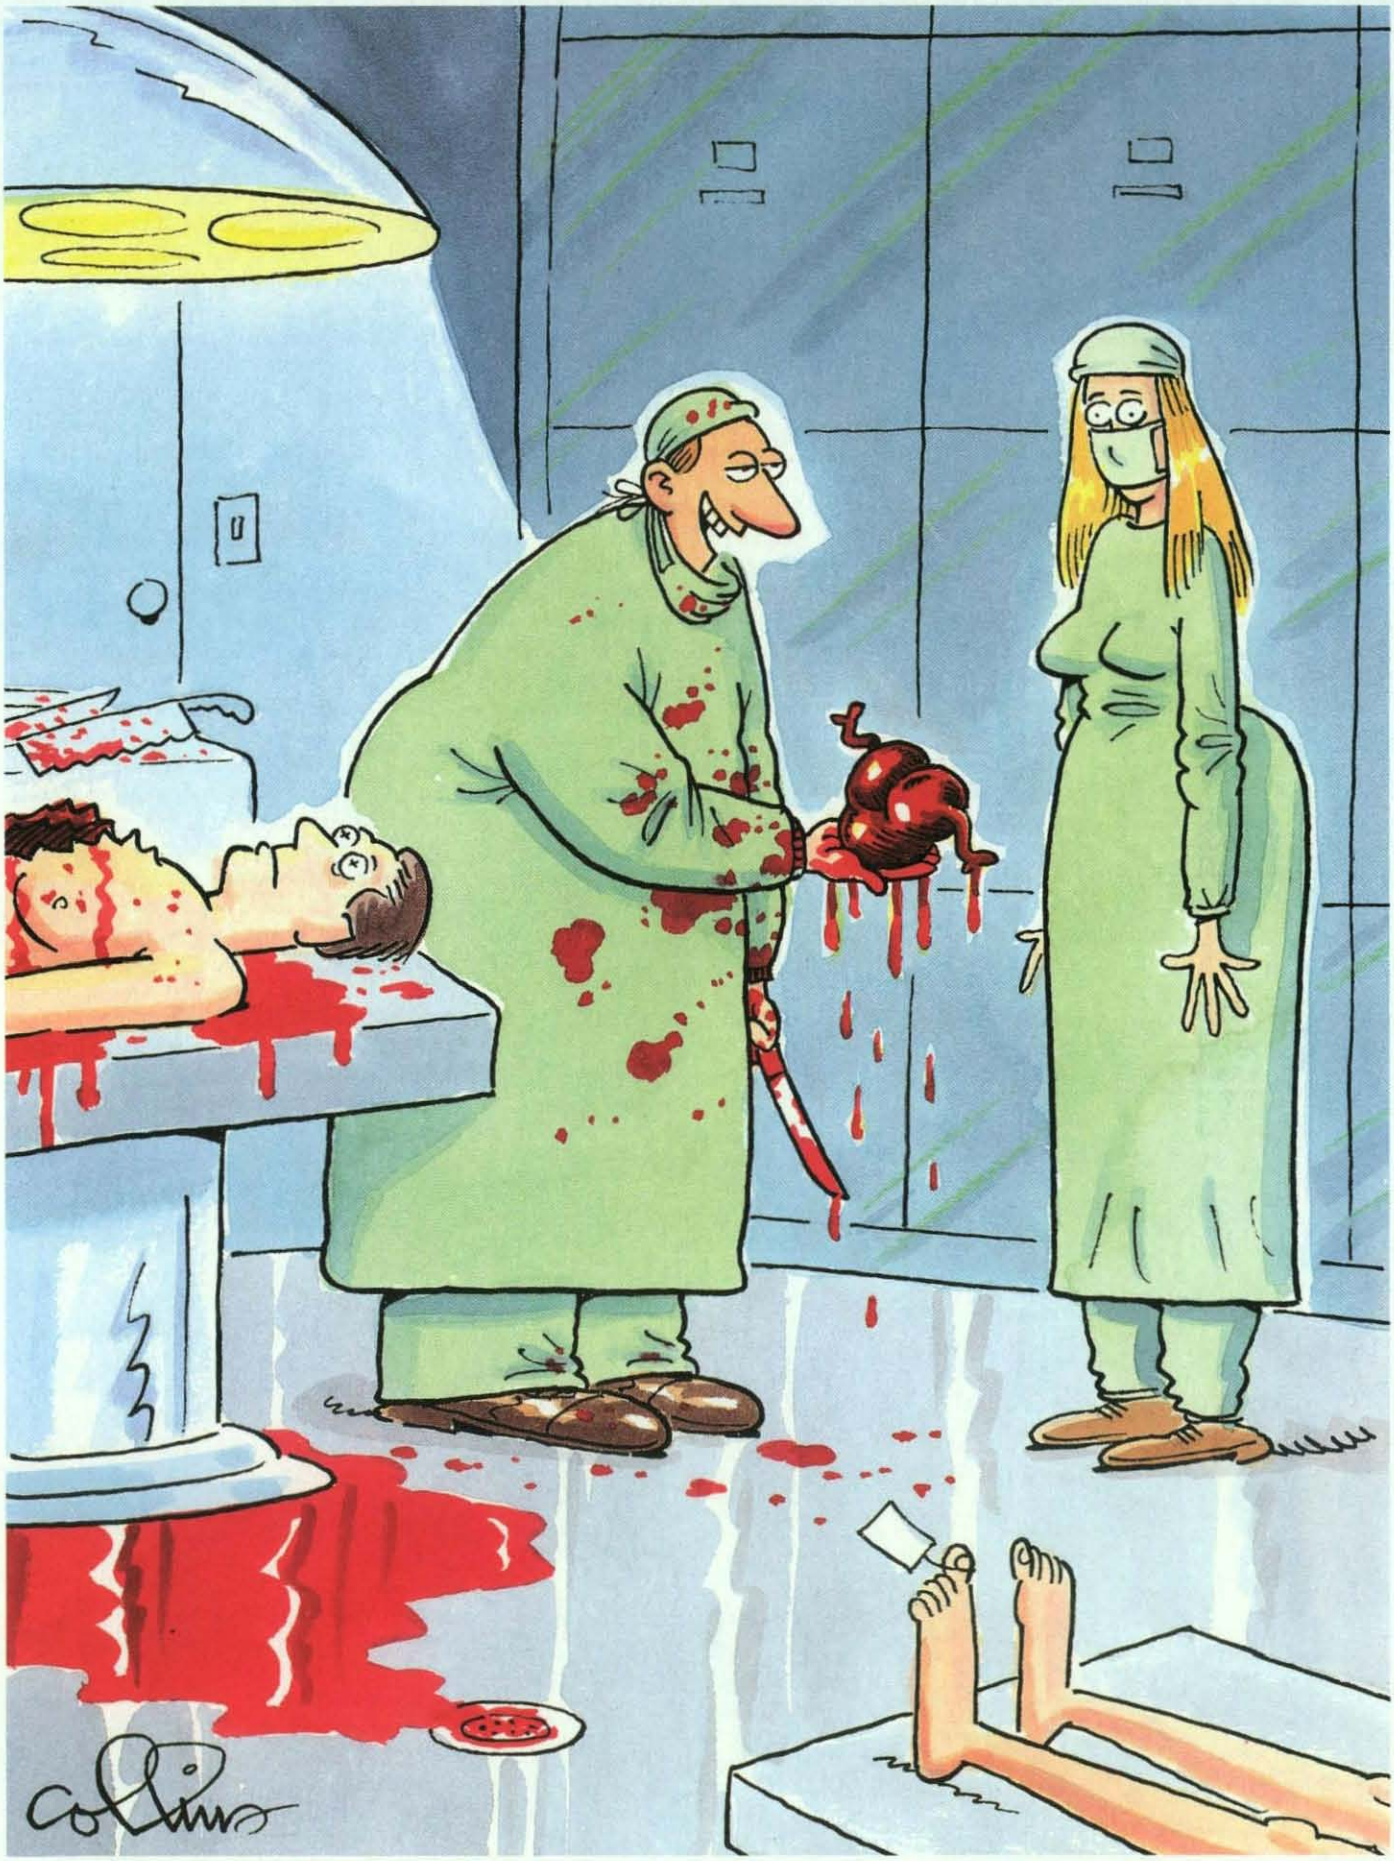

"I do believe it matters to women," agrees 19-year-old Chris F., born with an average six-inch dong. "I'm kind of vain and really into women, and I figured they would want a larger size."

Dr. Elist is one of only two men in the U.S. who thickens the penis through fat injections and increases the length by removing specific ligaments. Although Dr. Ricardo Samitier Jr., a cosmetic surgeon in Miami, Florida, was the first to officially perform the operation more than a year ago, Dr. Elist had already been performing the surgery for medical, as opposed to cosmetic, purposes. Dr. Elist recalls that he would inject fat into the penises of young boys who had been born with misshapen or slightly bent penises. "The fat would make it straight, but it would also increase the girth. Fat injections for other parts of the body—lips, forehead and under eyes—have been used for over ten years," Dr. Elist explains. But he resisted proposing it as a penile-enlargement technique because he was afraid of being branded a "gimmick" surgeon. Yet, because of the demand, he eventually looked into it more seriously.

Forget gimmicks like pumps and pills that profess penis enlargement. Dr. Elist insists that no nonsurgical method will increase cock size. Despite the intimidating notion of slicing into the schween, Elist assures that the surgery is safe and free from postoperative pain. He points out that since they are your own fat cells, there is no rejection from your body and no silicone or foreign bodies to worry about. Although 40% of the injected fat will be absorbed by the penis after a year, the patient can refill

his shaft as many times as he wishes. (The first refill is free, with additional replenishments priced at $500.)

Dr. Elist has performed 15 penile-enlargement operations since April 1992, and the waiting list grows through positive word-of-cock. Just how small are these pixie peckers? "Some are very small," Elist responds, "especially Filipino and Japanese. I also get white people." Of all races, black men have the least need of his magical scalpel. "They are blessed," he says simply.

Penis surgery promises a miracle of modern medicine: the total reconstruction of a man's most delicate area. The patient is anesthetized and shaved from navel to balls. Dr. Elist slides a catheter—a circular rubber tube about the width of a pencil—into the penis hole and up into the bladder to absorb and obstruct urinary flow during the operation. He makes his first incision at the base of the cock and opens a vertical three-inch gash down the scrotum. After the initial bursts of blood have been mopped, Dr. Elist peels apart the incision flaps as if the skin were pages of a book.

For implant surgery, the surgeon first eradicates the dead blood cells accumulated through years of disuse. The doctor shoves a silver stick through the incision and up the shaft of the penis, bulging the skin as he scrapes away the cells. He then inserts a mock turkey baster and flushes the shaft with antibiotic fluid. The liquid gushes up the penis and out of the wound, splashing the balls with a grayish wave of frothy cells, no longer suitable for erection.

After mopping, Dr. Elist inserts a square measuring stick into the opening to determine the length of implant to be used. Assuming he's using a semirigid prosthesis, he bends the white, flexible rod and pops one end up the shaft of the cock and the other down into the darkened cavern of the scrotum. He sews the foreign object to the remaining spongy cells and, within seconds, the dick that moments ago flopped as aimlessly as a freshly cooked noodle stands firm, like a proud cobra pushing its way back into the jungle of the senses.

At this point, the implant procedure is finished. If, however, the patient also wants a larger penis, Dr. Elist makes a tiny incision in the abdomen, near the "love handle" area. A suction device with a hollow, metal tube is inserted into the patient's gut. With one hand, Elist grabs the belly and loosens the fat nearest the tube. At the same time, he extracts the cylinder's plunger in a tug-of-war between man and fat. Soon, pinkish-yellow slices of fat drip into the chamber, looking very much like lox ready to adorn a breakfast bagel.

Dr. Elist transfers the predetermined amount of fat into a proper syringe and inserts the needle through the penile incision. Pushing the needle upward into the shaft, the doctor can actually see the sharp point bulging out from inside the skin just below the cock's head. He depresses the plunger and sends mounds of fat flowing under the skin of the cock. Once the needle is removed, the doctor squeezes the cock like a tube of toothpaste, distributing the fat cells evenly and molding the dick until the mutant slab of meat embodies the smoother aesthetics of a man's penis.

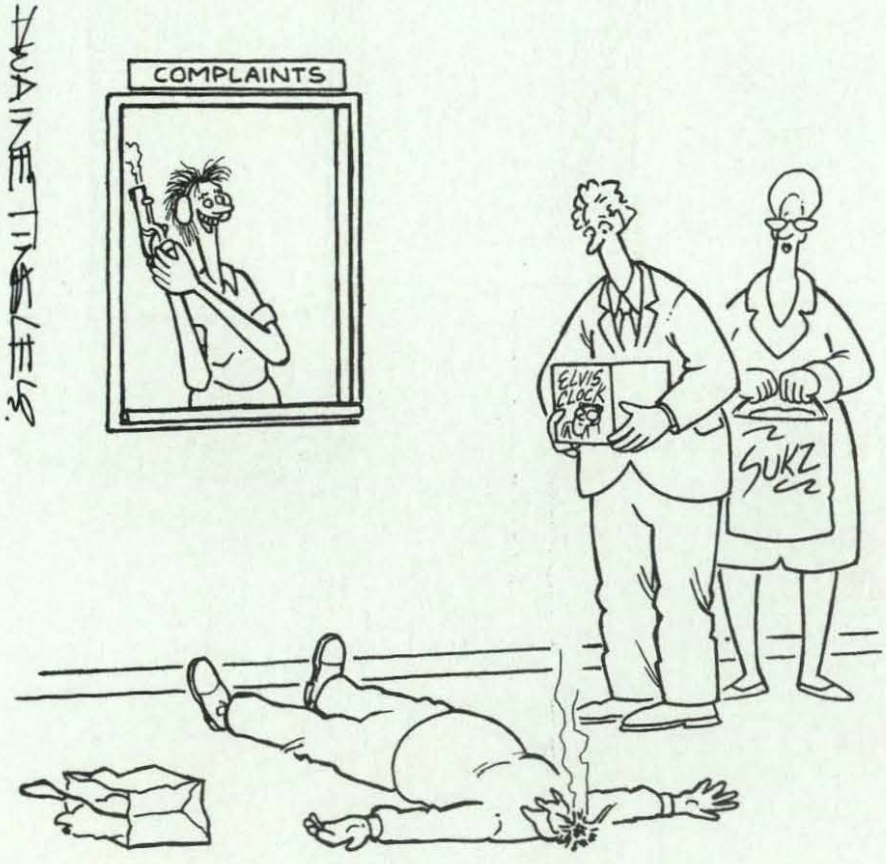

For an extra $1,500, Dr. Elist will also lengthen the cock. One of the two methods involves cutting the flap of skin underneath the dick where the muscle meets the balls, and is referred to as the "web process." The doctor eliminates that turkey-neck fold of flesh, adding a good half-inch of usable cock to the owner. Elist can also cut the ligaments at the top of the penis where the shaft meets the pubic bone. According to Dr. Elist, every man has at least an inch of usable penis length inside his pubic area, and when the ligaments on top are released or cut, the penis comes out farther, exposing that length and making it useful.

When the surgery has been completed, Dr. Elist closes the incision and bandages the still-erect cock. In about an hour, this patient has not only reestablished erection, but also increased his size. Twenty-four hours later the bandages will be removed, and the patient will massage the shaft until the fat cells take hold. In two weeks, his cock will literally look like new, and he'll embark on a vigorous sex life.

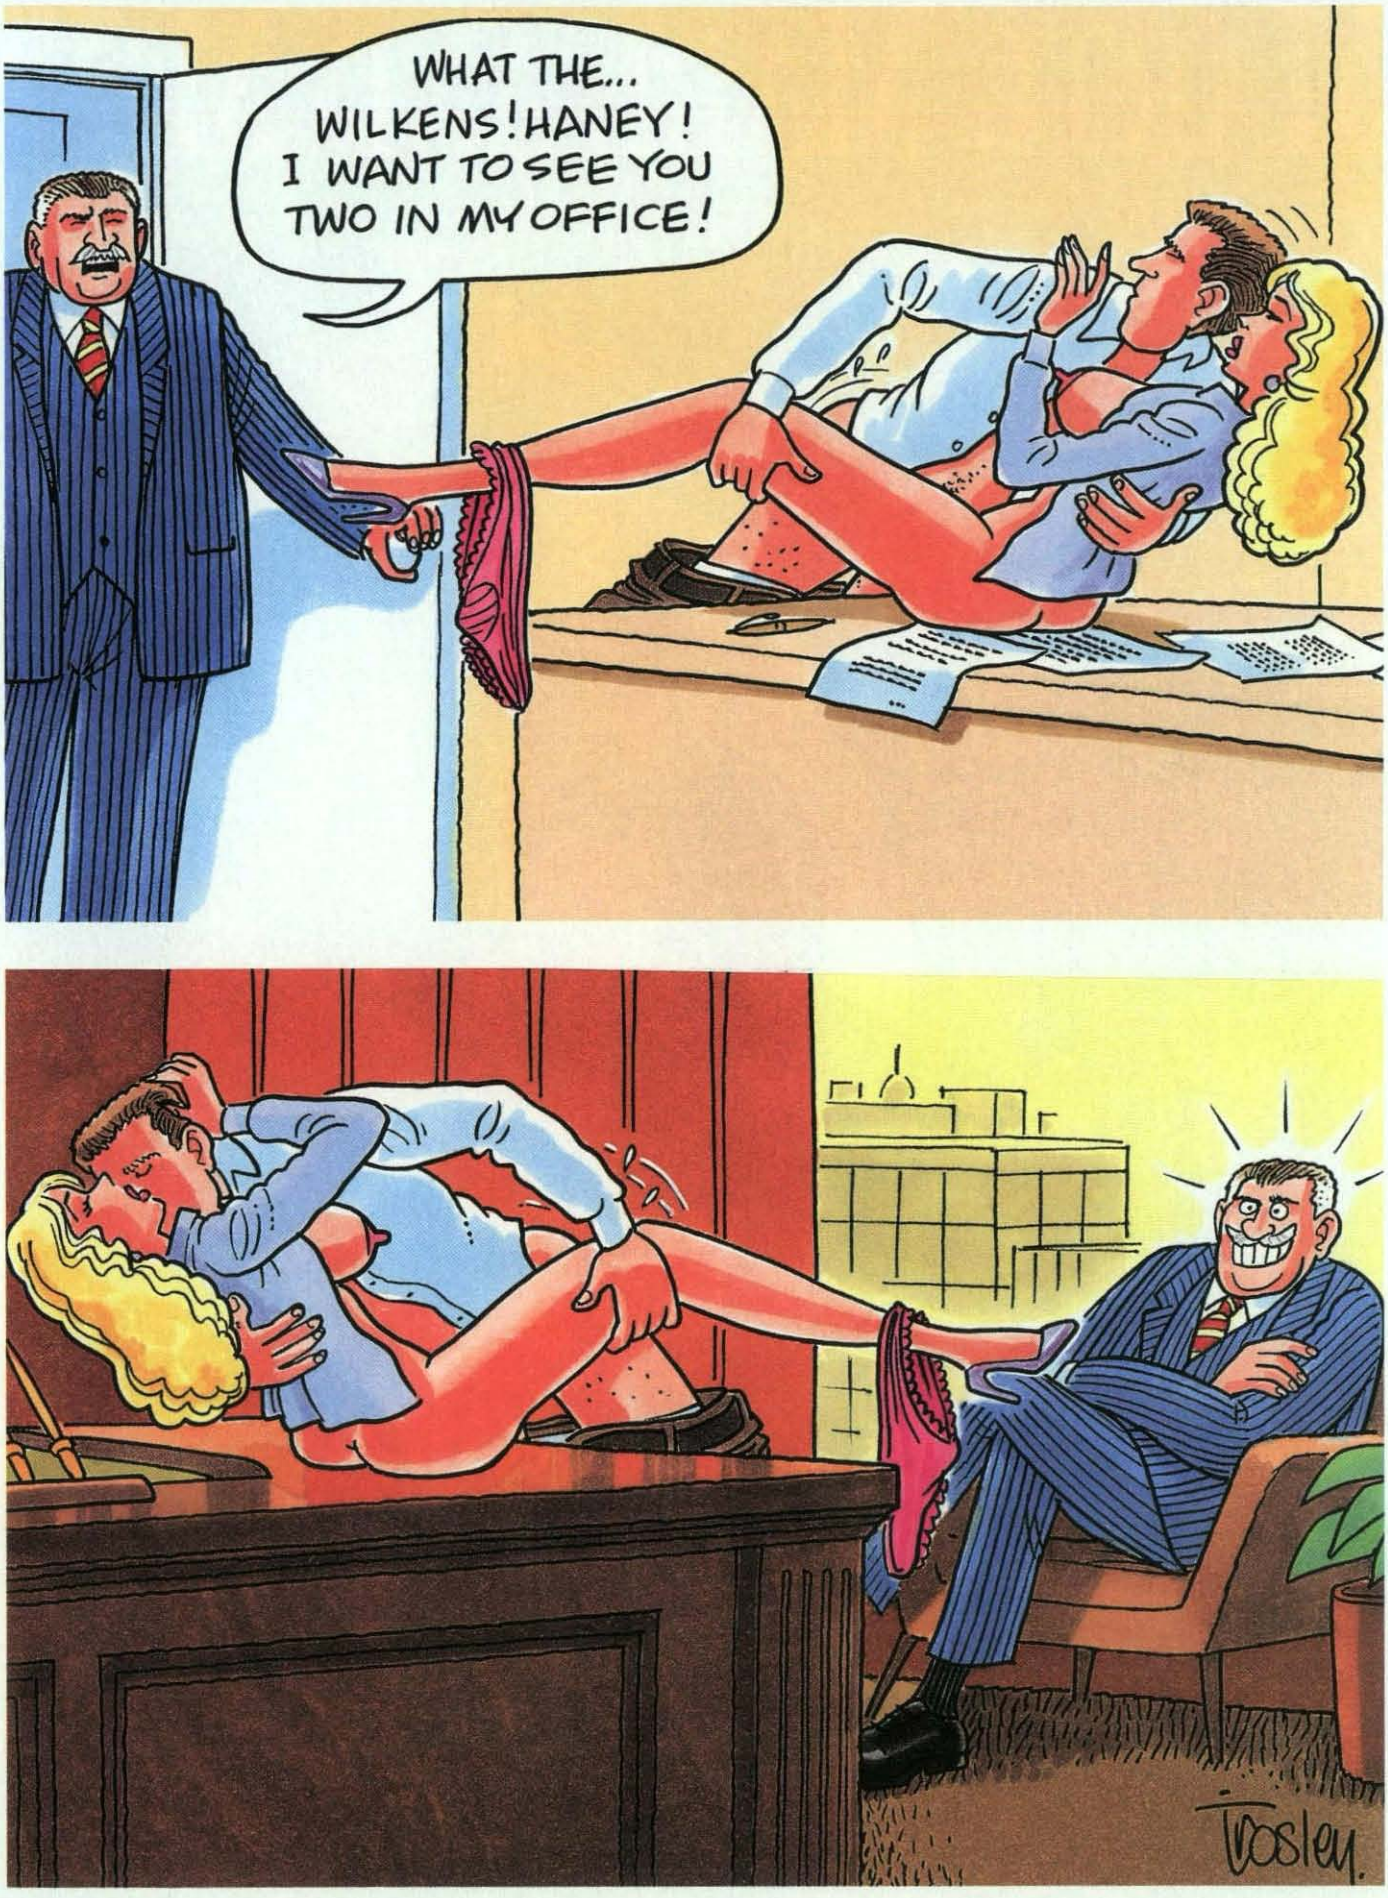

Tony C. admits to having greater satisfaction now. "It's a matter of not turning off the lights or being touched after sex. You feel that satisfaction, and you feel that you are satisfying your partner as well."

Chris F., who added an inch and a half to his length and a half-inch to his circumference, agrees. "I notice a big difference during sex," he says. "My girlfriend actually said I feel larger. Plus, my penis is more sensitive during sex, thanks to the psychological feeling of knowing that I'm filling her up."

Dr. Elist thinks of these procedures as preventive medicine. "I believe that I can prevent divorce and change [the patient's] lifestyle. When you work hard to reach certain goals, you have to achieve what you're looking for. People want to feel great, and want to look good. We can now change men's lifestyles for the better."

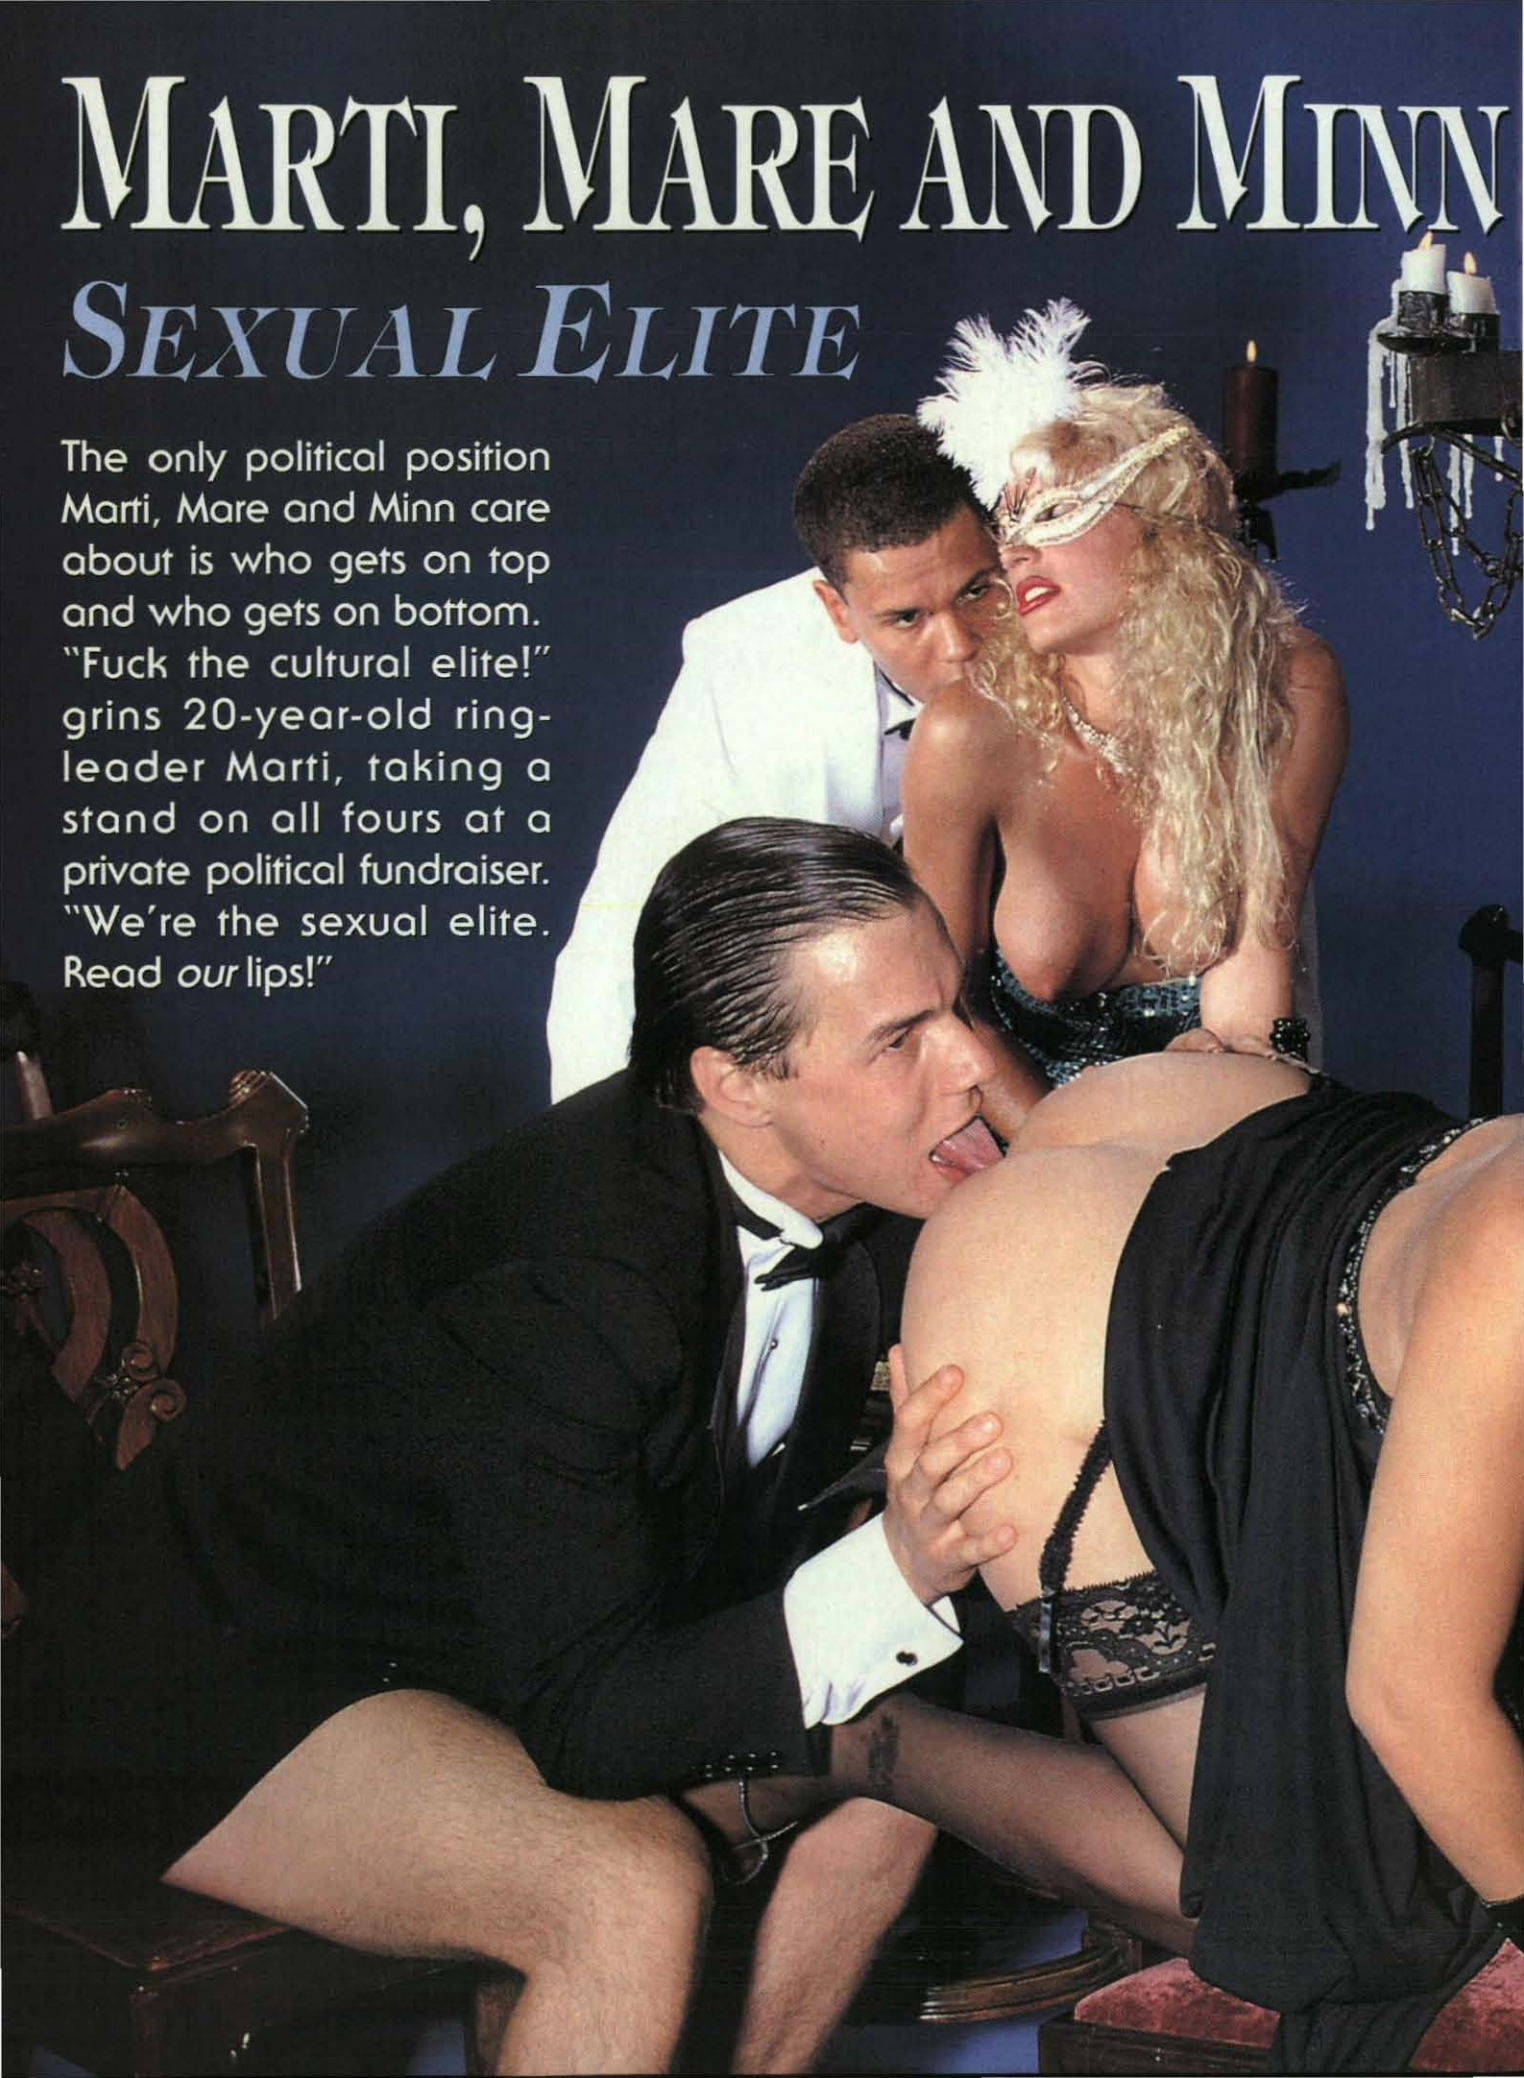

"Problem solved—next!"

These holehells showcased working women in all their pudged-up, unshaven, odiferous magnificence, allowing lowly menfolk to be the worshipful, slaves-to-punani cretins that we are.

[NOTE: Every establishment described in the treatise below has either been shut down or beaten into "movies only" submission by the Orwellian Thought Thugs of New York's Times Square Redevelopment Program. Consider the following dick diary a requiem. Some things truly are too good to last.]

Lapdancing, Mardi Gras, Tease 'n' Squeeze, Bill-Greasing Prettied Puerto-Rican Slit-Slots for the Pleasure of Having a Cottage-Cheese Caboose Booming Up and Down on Your Bone-On—call it what you will, lapdancing seems to be some sort of scourge in the Bug Apple these days.

Cum-padres, cancer spread in Times Square recently. Ugly cancer, vile cancer, misogynist cancer—the kind of cancer that forces women to starve themselves, to put silicone cancer-bombs in their tits, to waste their money on pore-clogging war paint. The tricked-out tumors that cropped up in light of this infection were high-tech, Wall Street-sanitized versions of what pimple-dicks in $1,200 suits think a tit bar should be, complete with "carving board" buffet tables, walls of TV monitors spewing sports events (just to let the girls know that, sure, their tits are okay, but they ain't worth shit compared to Bobby Bonilla) and, of course, scads of brain-unencumbered bimbolines.

Scumigos, dutiful, dork-diddling, Forty-Deuce maestro Selwyn Harris has come to HUSTLER Magazine to report a benevolent counter-canker that grew alongside the one described above. For a few magical weeks in Sin City, it seemed that for every Trump's Tush Mahol that cracked open like a festering pustule, some dank, skeezy squirt-toilet sprang to brief, but infinitely fruitful, glory. These miraculous holehells showcased working women in all their pudged-up, unshaven, odiferous magnificence, allowing lowly menfolk to be the powerless, worshipful, slaves-to-punani cretins that we are (and that shitpit, sissified "gentlemen's clubs" go all out to make it seem like we ain't). Herewith is Selwyn's firsthand, eulogistic roundup of the late, great lapdancing establishments that put real hope into grope.

FANTASY IN MOTION

Fantasy in Motion was on the north side of 42nd Street before it burned down. Then it moved south, changing its name to Show Time Fantacy (*sic*).

Label me as you will, but I prefer my lady-friends, both professional and otherwise, blobby and Caucasoid. Imagine my delight when, after paying the weighty $10 entrance fee, I locked eyes inside Fantasy in Motion with an even weightier blond boobillabaisse spilling over the sides of a folding chair with my name practically written all over her cellulite! Excited, I shot her my finest little-boy-lost-in-the-big-city-with-only-his-wallet-to-protect-him-and-his-hard-on look. Unimpressed, she shot back her I'm-on-break reply, which shot me right the hell down.

Luckily for my incipient hard-on, a dark angel swooped upon me before a sense of total rejection set in. This jet squack was bone-thin, black and pretty, and she looked happy to see me. I figured that, since she probably dealt with so many obese, ugly 50-year-olds all day, she was grateful to service a strapping, young buck like myself. But then she turned to the fatty glamourpuss on break and said, "This is cool! I can give you back those ten bucks I owe you as soon as he's finished!" *Oh.*

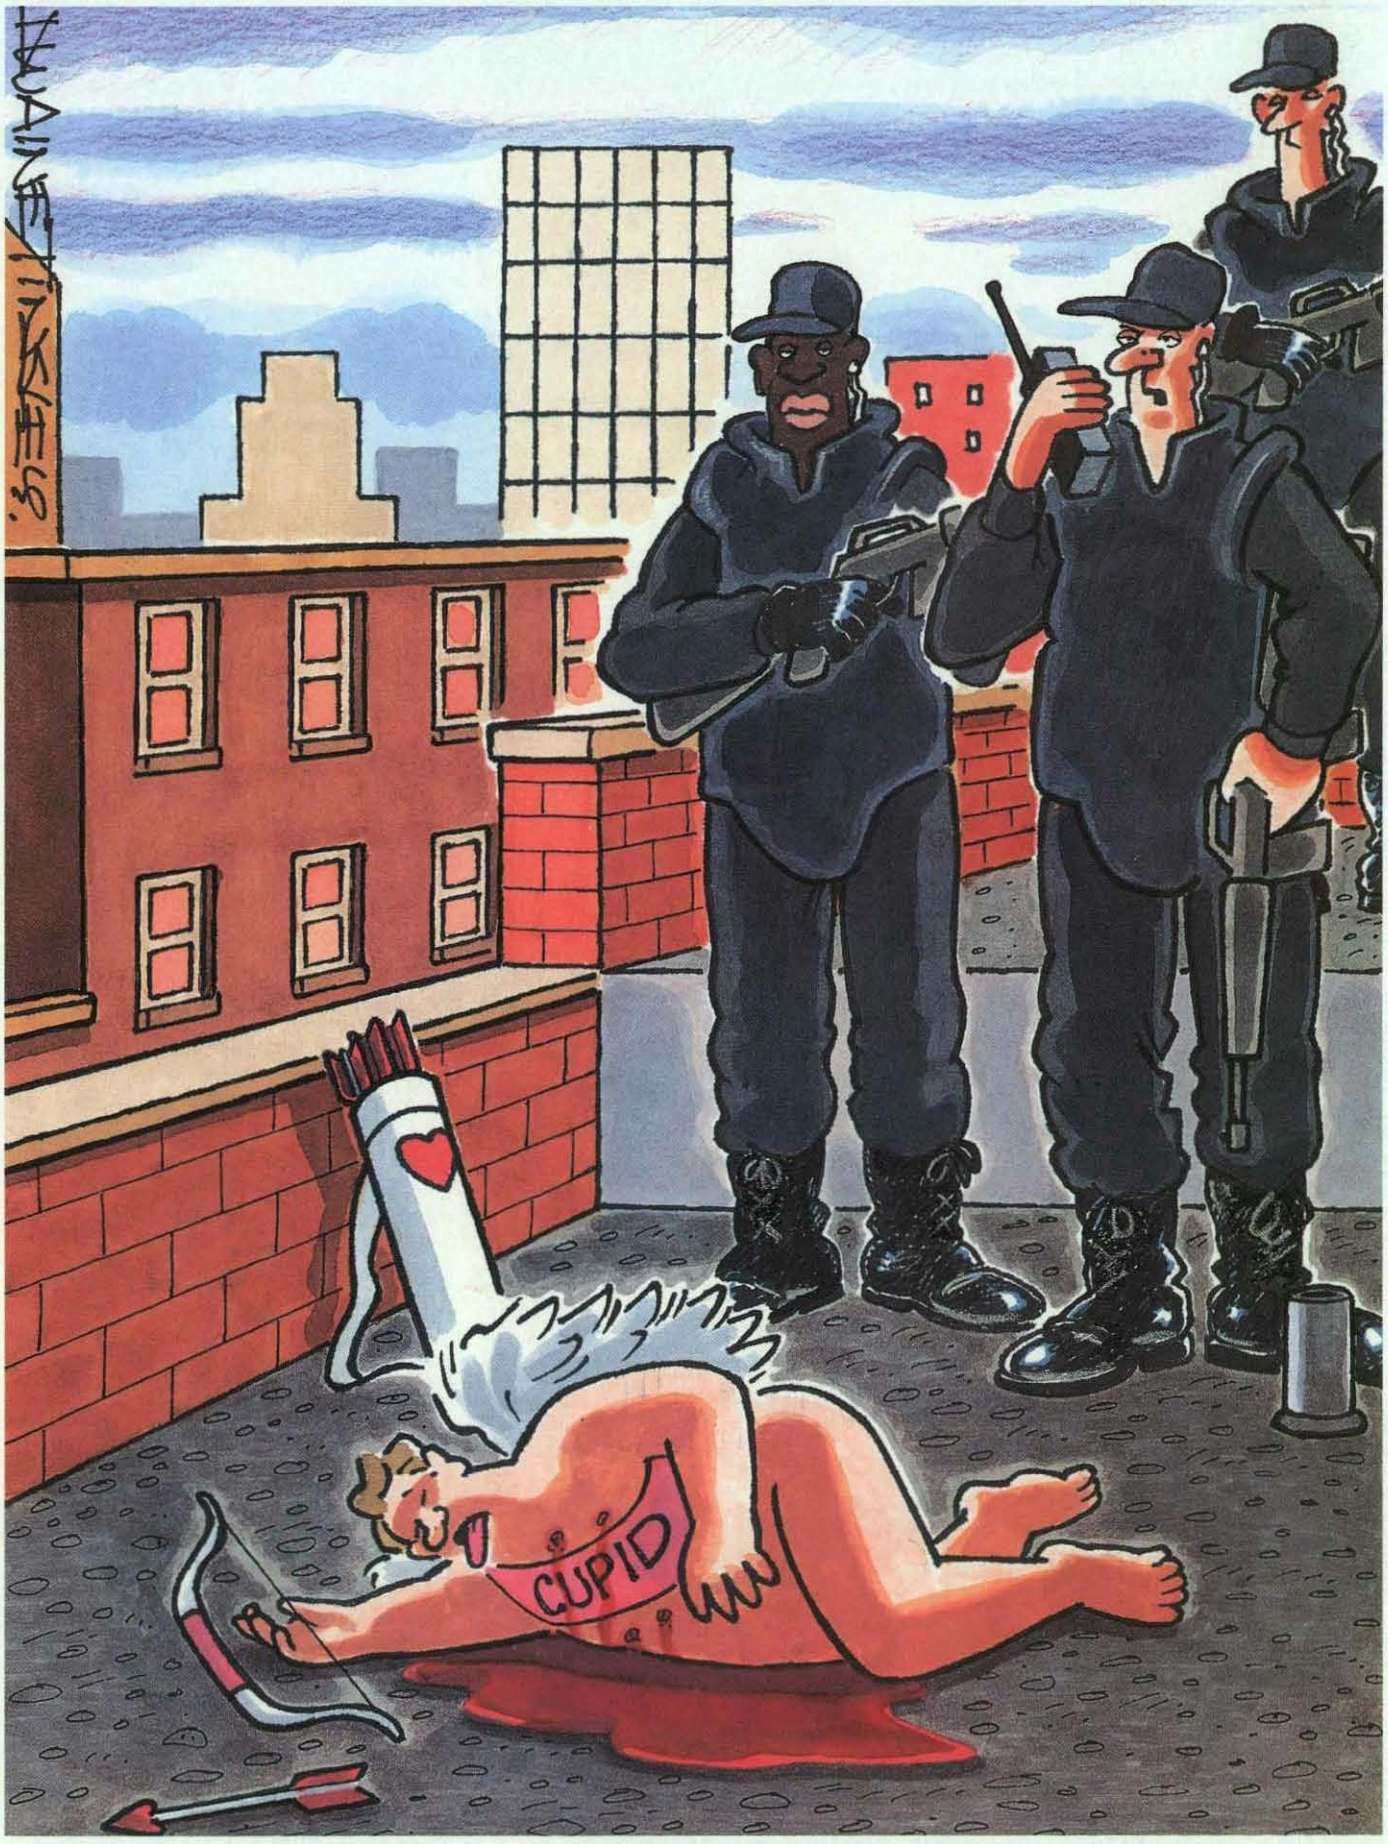

The lingerie-clad Mandigo-ish skeleton led me not to one of the waiting rows of folding, auditorium-style chairs that were lined up in front, but to a locker-type cubicle deeper inside the pit, where a pane of Plexiglass separated me from the booth *she* went into. Obviously, at Fantasy in Motion, the only lapdancing would be my own hand stroking myself—not exactly a novel experience for yours truly, and definitely not worth $10.

My ebony scamstress stood up on a chair. She told me that a "naked show" would only cost me the ten-spot that she owed Obese-but-oh-so-lovely outside. *Jeez,* I thought. *Why didn't she just cut out the middleman?* I queried her about where in hell the lapdance was, or, if not that, the Lapp Dance, as it was spelled on the sign in the front window that had lured me in.

She explained that Fantasy in Motion had experienced "license troubles," so the lapdancing was put temporarily on hold, so to speak. What, did someone fail the written exam? I was too disgusted to think much about it. All I could do was shoot a load. Which I did, visualizing not the undulating Uhuru but my heavy honey on the stool out front, waiting for *my* $10 as she dreamt about the entire pizza she was going eat with it. I exited dripping, pissed and starving. Thinking about her thinking about the pizza made me hungry!

LAPS

Laps used to be a "classy" porno theater. Patrons of Laps pay a steep $8 to enter the place, after which they ascend an even steeper, long and not overly well-lit stairway decorated with "Sweetheart Cinema" wallpaper, whose image porngoers past and present have no doubt etched in their wet dreams and/or anguished consciences, that leads to a theater lobby where a couple of colored girls (all different colors, too—black skin, blond wigs, green teeth, red eyes) sit around talking. Naked. What they're talking about is how

"All secure...took out the sicko who was shooting those arrows...."

LAPS A' POPPIN'

Her grunts sound like they're born not of arousal but from the gut-stabbing pain of constipation. They indicate the insistent pressure of a trapped turd no smaller than a bowling ball.

they'd handle a gentleman friend of theirs named "Loothah" if he tried "dat shit" with them again.

A hulking, brown presence is perched by an open doorway (which, by its scent alone, you can tell is male, and, from its presentation, you decide is a felon as well. You just hope it's not "Loothah"). This monstrous mountain man directs you toward a half-open Dutch door, behind which sits a cute li'l slopehead at a desk, ham-ham-ham-hammerin' on a pocket-sized video game with manual dexterity enough to be envied by the power-palmists from the theater's halcyon days of hand-love.

The high-school Hirohito looks up, visibly annoyed that you have plucked him out of Super-Mario world. "Hoh-kay, hohkay," he says as he readies a hospital-style wristband (familiar to anyone who's visited the Coney Island sideshows or a detox clinic). "You gip me ten dollah now," he commands. "Den girl git ten dollah. And you giff back riss-bann affah!"

He affixes the plastic tag to your wrist after you fork over the ten-spot. What he's saying in the lexicon of lichee nuts is that you are now $28 into a hole that could only get deeper and sweeter, you hope!

You saunter into the auditorium, where you see a bikini. You seat yourself in a cocktail-party chair, whereupon your hostess joins you. She's biggish (like you *like* 'em), but most of her bulk appears to be dense, black, curly *hayah* that was apparently styled with refried bean grease, clogging your every breathing portal.

Since it's the cold-and-flu season outside in New York City, the plague capital of the world, and you have been afflicted, you don't hesitate to remove your scrawny meathooks from her succulent saddlebags every so often to utilize her ebony tresses as a handkerchief. *Gesundheit!*

About five minutes into the procedure, however, you are in pain. The problem may not actually lie in your enchantress's mighty heft; it may instead be due to the fact that she seems convinced that simulating a bowel movement (with your prone thighs emulating the commode) is, somehow, *erotique*. Her grunts, timed to coincide with each bulldozer-strength thrust of her well-padded pelvis, sound like they're born not of arousal but from the gut-stabbing pain of constipation. They indicate the insistent pressure of a trapped turd no smaller than a bowling ball. Or two.

You consider punching your load-carrying lap lovely really hard in the gut to help loosen things up, but to do so would risk unleashing from her a tidal wave of diarrhea so forceful that upon engulfing you it would wash you out of the theater, down the Sweetheart Cinema steps and onto the sidewalk, where you'd lie stunned until the Botswanian Bulk came outside and tore your arm out of its socket so that he could give your wristband back to the knee-high Nipponese in the booth upstairs.

You decide to wait it out, but this is agony. Her depth charges, to your total incredulity, actually increase in both power and urgency. She pummels your trembling leg bones with wrecking-ball force; you fear they will snap. You fear, too, that perhaps your butt ballerina isn't just a few pounds overweight, but pregnant—and now she's in labor!

As it turns out, she is. At the exact moment that you open your mouth to scream for mercy, she whelps forth no young Enrique or Luzibella, but an explosive, devastating, nuclear-napalm fart (or, more accurately, *faaaarrrrtttt!!!!*) that blasts her a clear foot in the air above your trousers, stains your favorite "Ren & Stimpy Meet Malcolm X" T-shirt burnt sienna and renders the aquatic contents of the Evian bottle on the floor beneath her the color of tea. When she crashes back onto your lap, you can't wail in pain for fear of inhaling.

To your colossal relief, she slithers off of you and crawls out the door, presumably to visit the ladies' room or else to buy a new g-string. When the smoke has cleared, the first image that greets your tear-stained eyes is yet another bikini, on yet another crotch attendant. Her right breast is exposed as she utilizes one of the bra-cups of her bathing suit as a gas mask. She speaks, albeit muffled: "Ju want to try a lop dohnce wiff meee, bay-bee?"

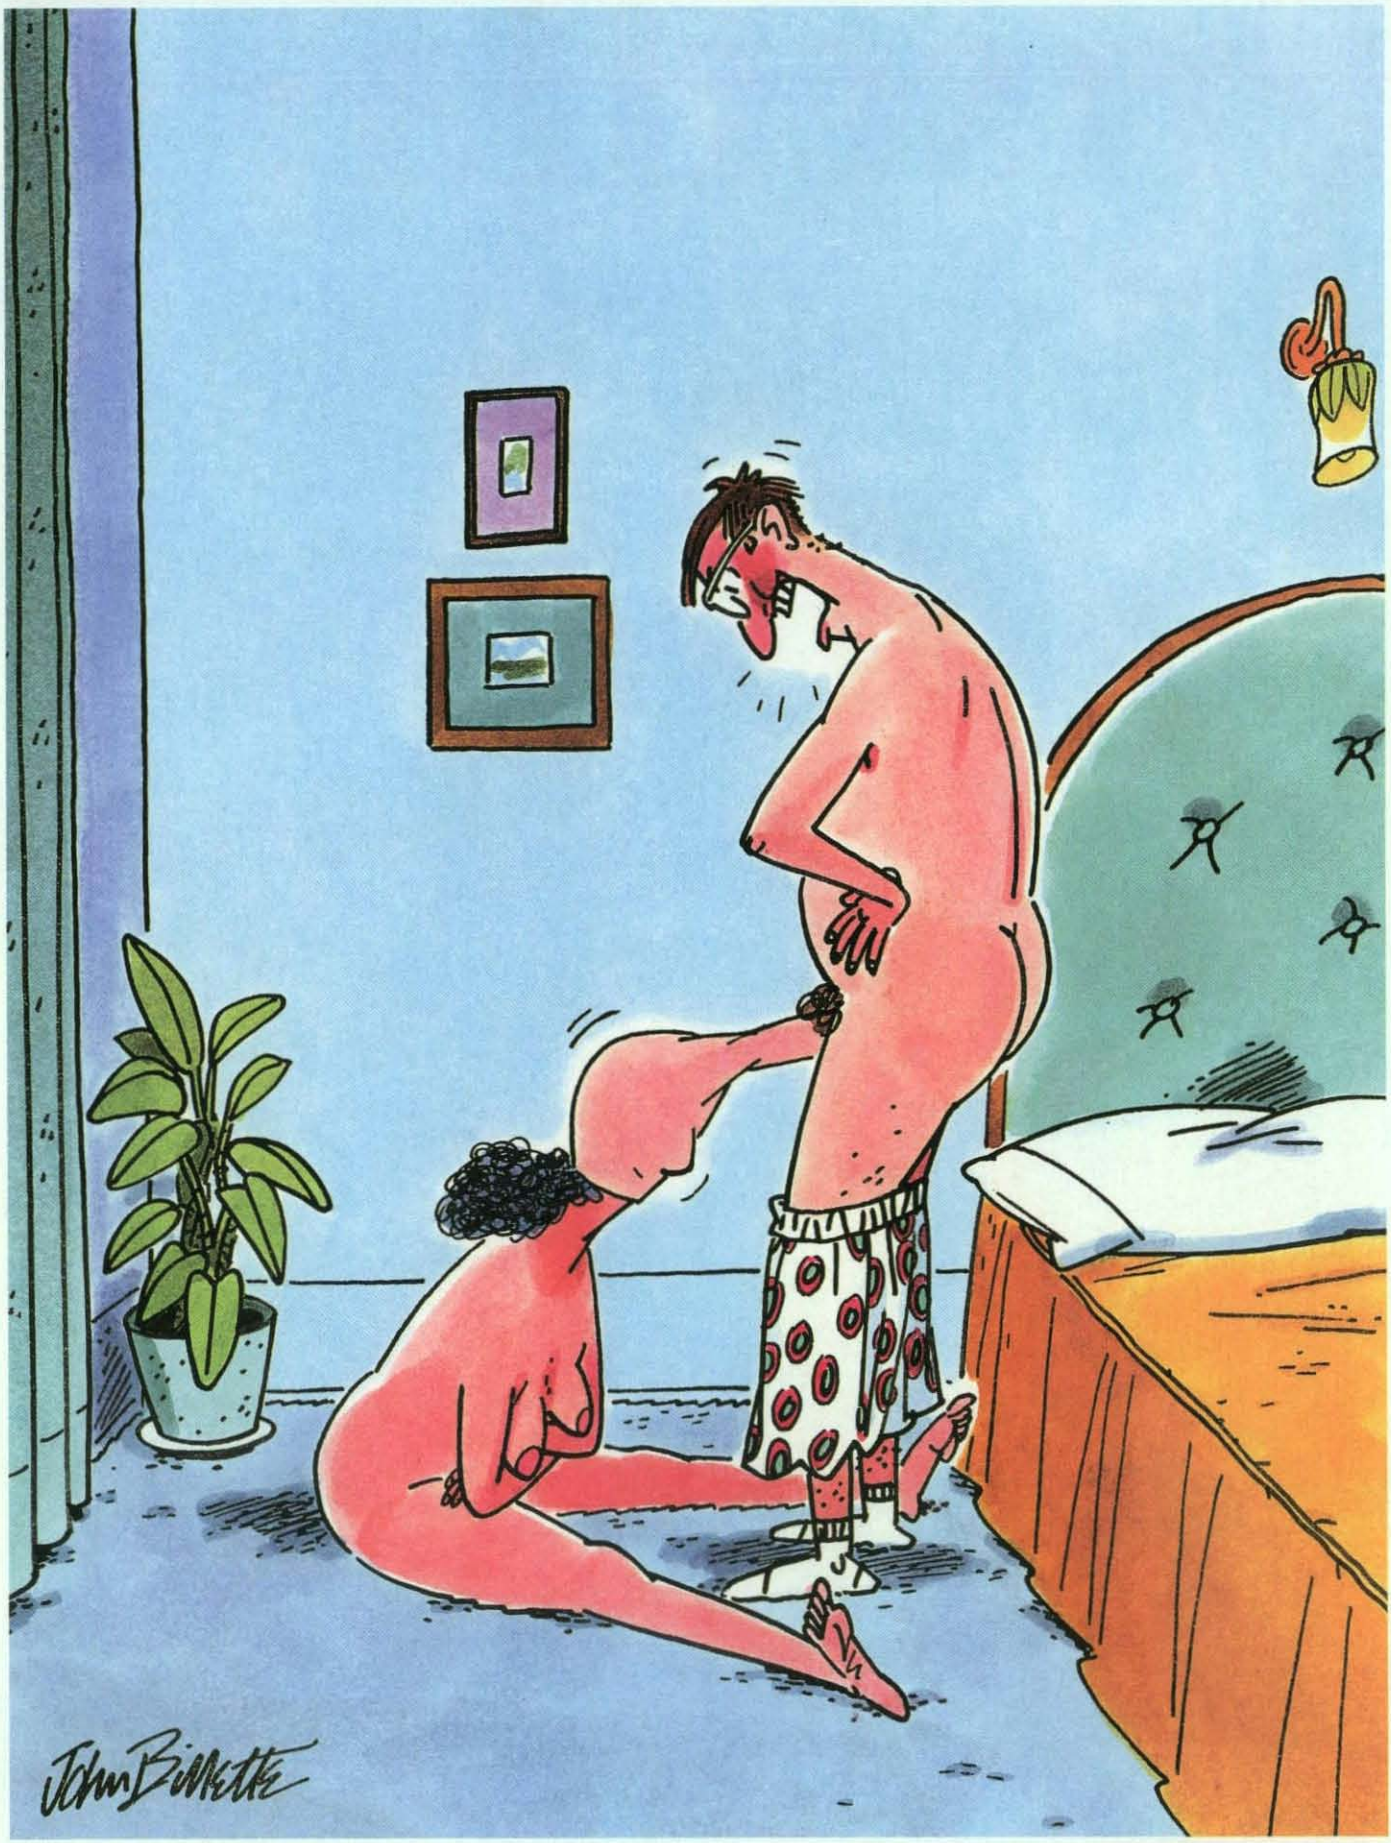

You run for your fucking life.

THE CAPRI THEATRE

The Capri Theatre is located on Eighth Avenue between 45th and 46th Streets, across from the Full Moon Saloon. (*Hi, Kate! Look, it's Selwyn! I'm in HUSTLER!*) It has been said that the candle that burns brightest also burns shortest. Allow me to add a corollary: The scum-pit that festers filthiest also festers most quickly out of commission. The Capri Theatre is less of an out-and-out pit than its neighbor, the Venus, but then, the Venus is the type of place where the HIV-virus has actually sprouted wings, and the creatures have to be swatted away like swarming insects when you enter. For a glorious moment in time, the Capri was the cream-de-la-Krakatoa of Times Square cum-casinos.

"All right! All right! I'll get circumcised! Now quit goofing around!"

Priscilla: Di

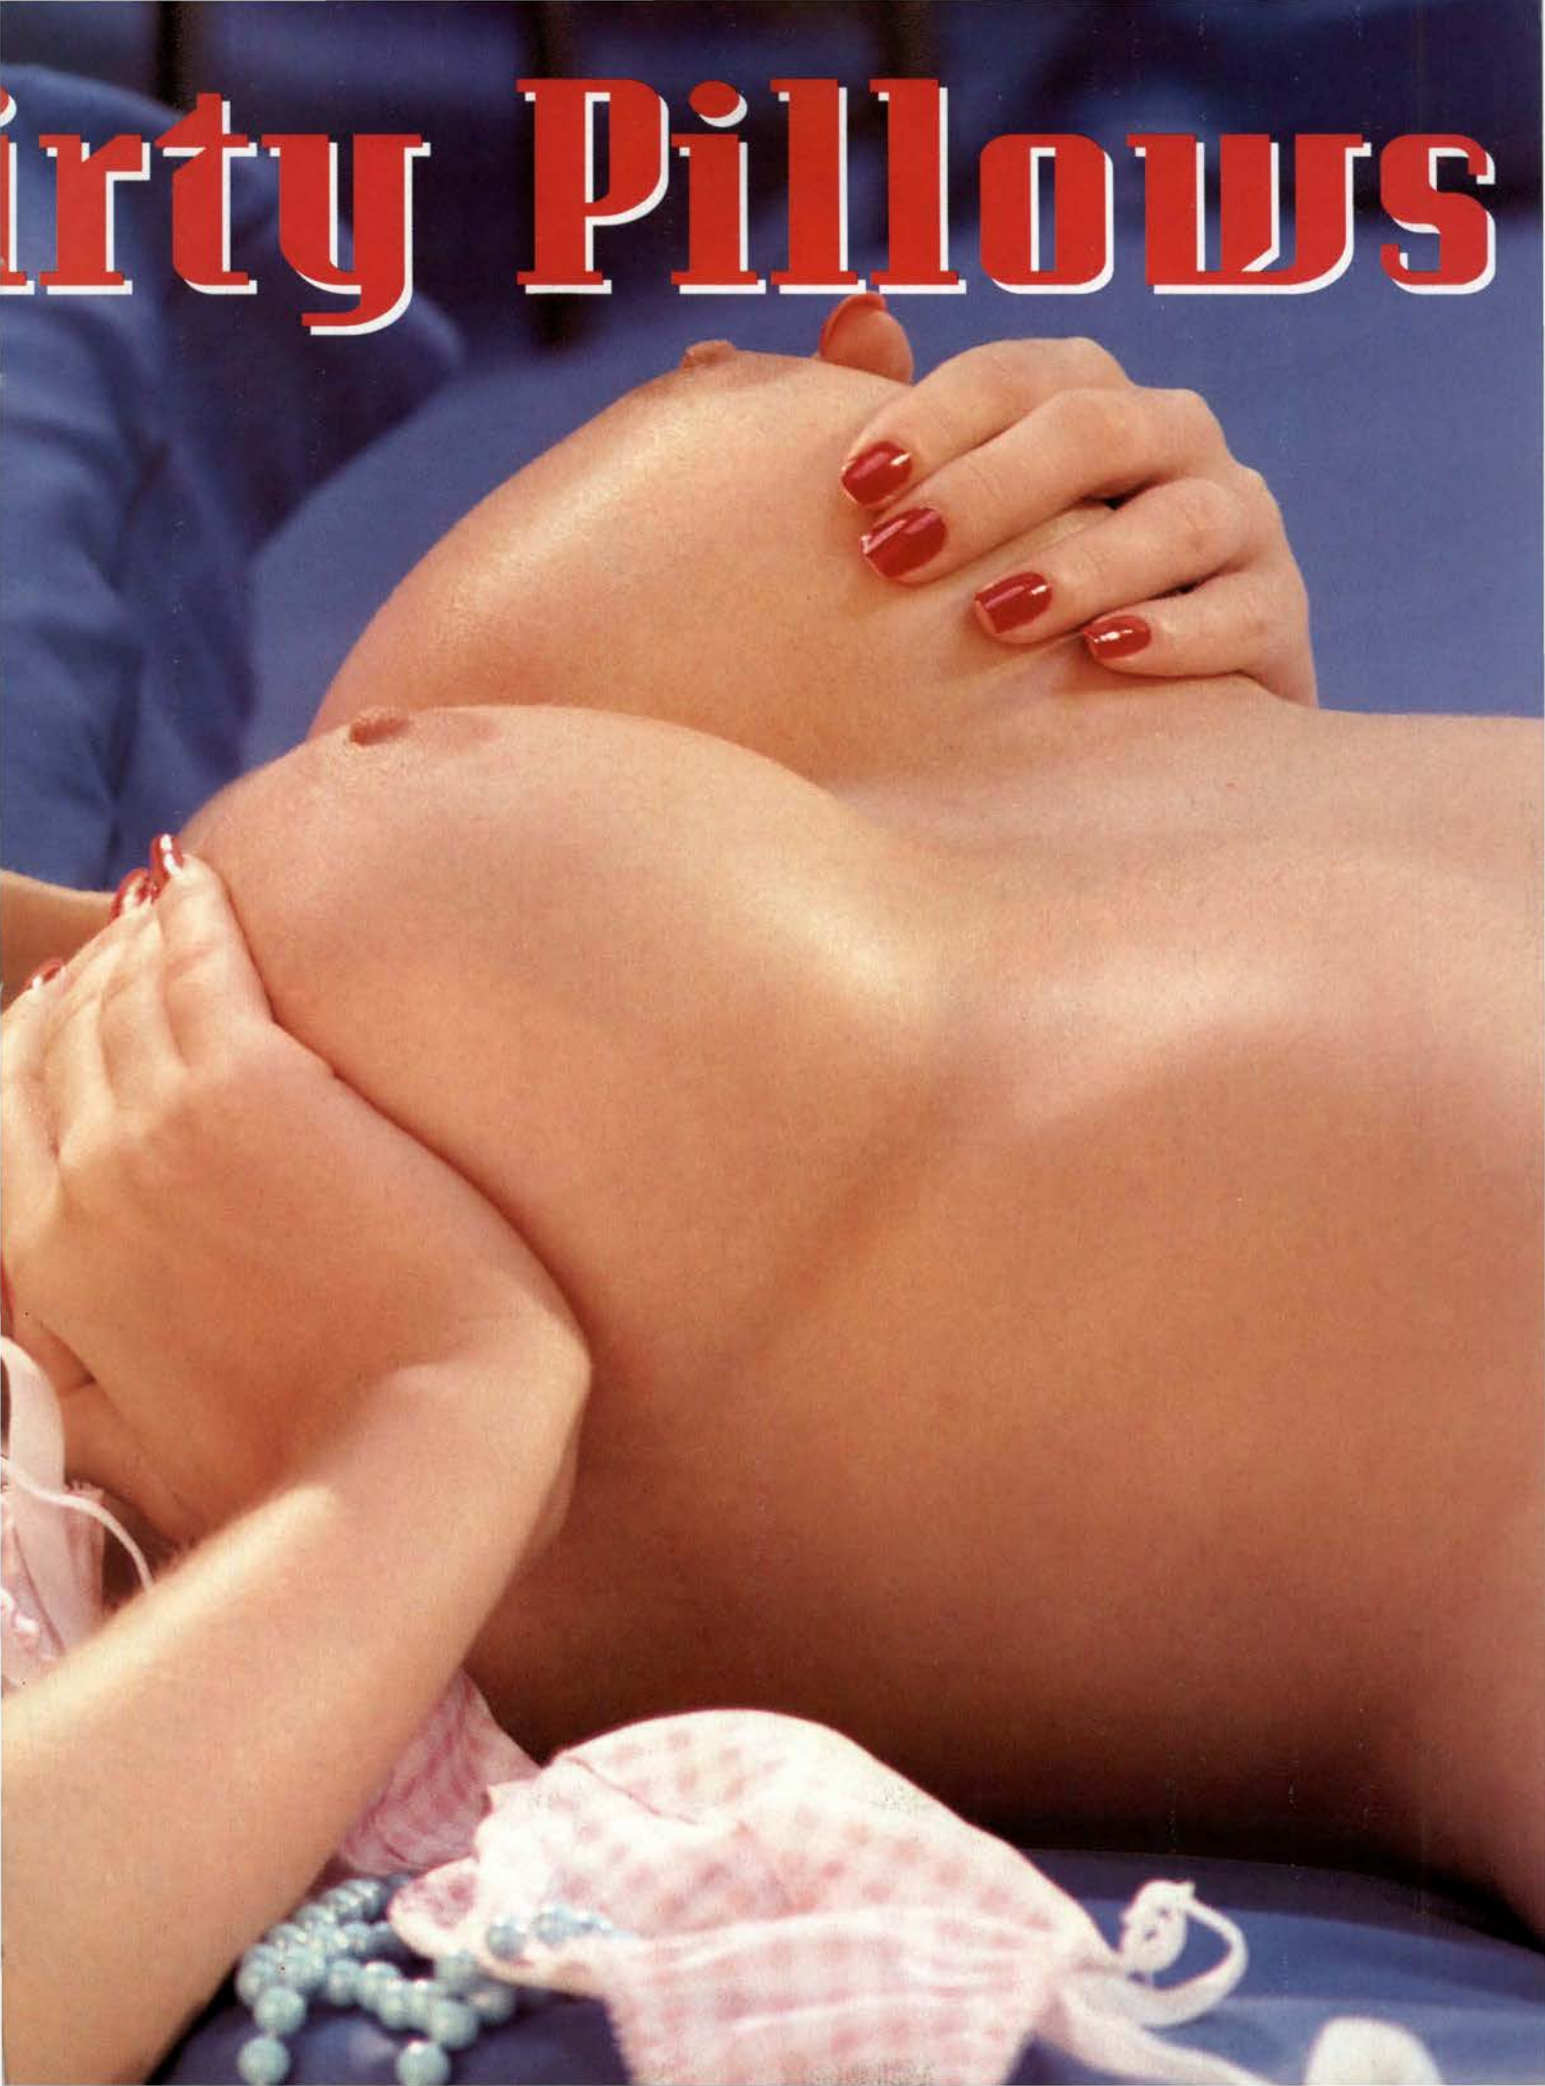

"Smell my hair," suggests 19-year-old Priscilla, a preacher's daughter from Tallahassee, Florida, who works as a temporary secretary in a Memphis law firm. "Doesn't it smell good? Smell my arm. Mmmm! Like roses!"

A nasty look flashes into her eyes.

"Smell my sheets," she whispers. "My sheets smell what I smell like when I'm feeling good. They smell so bad, I can't get in bed anymore without wanting to touch myself!"

Forget doing laundry. Who'd have thought smelling bad could be this good?

HUSTLER HUMOR

One night two sharpers were closing down their crap game at about 4 a.m. when a beautiful woman came in and said she wanted to gamble $2,000 on one roll of the dice. They said they were closed, but she insisted that one roll would only take a minute. The men figured, why not? After all, the odds were in their favor. The woman put down her money and they put down theirs.

"Wait just a minute," she said, and went to the rest room. She came out a little later, buck naked, and rolled the dice. "Seven!" she exclaimed triumphantly. She picked up her winnings, got dressed and left.

"Say, bro', did you see that seven?" asked one of the stunned men.

"No," the other replied, "I thought you did."

Miss Parsons, the town spinster, called the sheriff at one in the morning to complain that two dogs were copulating on her front lawn. The sheriff suggested she throw cold water on them.

Ten minutes later, she called again to tell him that the water hadn't worked; the dogs were still copulating. He told her to bang trash-can lids together near the randy canines.

Fifteen minutes later, she called yet again to complain that the noise had failed to work and that the dogs were copulating more vigorously than ever.

"Miss Parsons," the sheriff said slowly and deliberately, "why don't you tell the dogs that they're wanted on the telephone?"

"Will that stop them from copulating?" she asked.

"Well," he said, "it sure stopped me."

The irritated priest said, "You're not telling me you can be God!"

HONEYMOON

Raymond fired once at his new bride, popping her square in the belly. Afterward he took off running, leaving Laurette lying in a spreading pool of blood on the kitchen floor.

During his wedding reception on April 25, 1992, Tampa, Florida, newlywed Raymond Brunson, 50, took a .22-caliber pistol and drew a bead on his 38-year-old bride, Laurette.

Raymond and Laurette had been married for approximately four hours. For Raymond, it had already begun to feel like a lifetime.

According to police sources, the newlyweds had been drinking throughout the reception. When guests began to take all the food home, Laurette badgered Raymond to stop them, but he refused.

In a sudden fit of anger, she picked up a plate of macaroni salad and threw it in his face.

According to eyewitness D'Martra Williams, Laurette's 16-year-old son from a previous marriage, Raymond became enraged.

"He yelled, 'I've had enough! I'll show you who's the man of this castle!' " the boy later told police. Soon after verbally threatening Laurette, reported Williams, Raymond appeared with the .22-caliber pistol in his hands.

Raymond fired once at his new bride, popping her square in the belly.

Afterward he took off running, leaving the wounded Laurette—still dressed in her frilly wedding gown—lying in a spreading pool of blood on the conjugal kitchen floor.

Two days later, authorities apprehended Raymond on a Tampa street corner. He was charged with attempted murder. Luckily, Laurette Brunson survived her husband's attack.

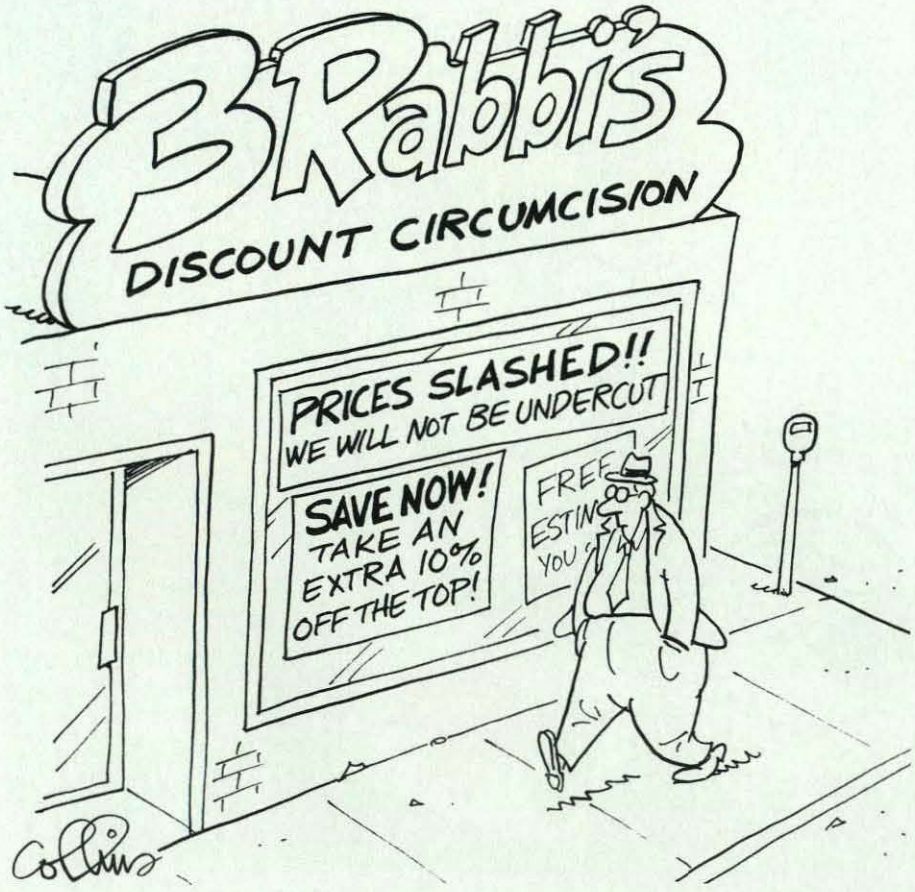

The Brunson wedding-party assault was presented tongue-in-cheek by most major news organizations. The embattled couple showed up on *Geraldo*. Raymond appeared via a telephone hookup from his Tampa jail cell.

"This is her [Laurette's] honeymoon!" announced the tabloid-TV crudmonger to the amusement of a studio audience. "She comes onto *Geraldo* to explain why her husband shot her!"

Rivera missed the point. Post-nuptial violence is no joking matter.

According to the U.S. Department of Health and Human Services, 11.2% of all marriages in America end within the first year. For many unlucky newlyweds, the end is tragic.

●Los Angeles, California: At three in the morning on Saturday, January 9, 1988, only a few hours after returning home from his wedding trip to Las Vegas, newlywed David Medina, 38, shot his 36-year-old bride, Norma Mayorga. Medina, a university counselor at Cal State, Los Angeles, then turned the gun on himself.

●Houston, Texas: On September 7, 1987, 40-year-old quadriplegic James Burns shot and killed his wife of two weeks, Bertha Mae, 37, in a crowded bar.

Suspecting his bride of infidelity, the wheelchair-bound Burns pumped three bullets into his spouse. He had mounted a nine-millimeter pistol on a small board in his lap, which was hidden by a shoe box. Using his mouth, Burns yanked a string that was attached to the trigger.

"According to witnesses, [Mr. and Mrs. Burns] were talking in quiet tones," explains Houston police detective A. J. Toepel. "She got up, put a string in his mouth, and he jerked his head back, and the gun went off."

●Alamance County, North Carolina: According to local authorities, in October 1988, 55-year-old Blanche Taylor administered regular doses of arsenic to fiance Dwight Moore, a 53-year-old minister at the Carolina United Church of Christ.

Doctors realized that Moore was being poisoned when the minister was rushed to the hospital in critical condition upon returning from a two-week honeymoon with Taylor in April 1989.

●Chatsworth, California: On November 29, 1988, an evening of pre-nuptial condominium hunting degenerated into a heated argument between Eric Lewis, 33, and his 30-year-old bride-to-be, Beverly Jordan.

Jordan castigated Lewis for failing to arrange the couple's Hawaiian honeymoon. Then they argued about the tuxedo to be worn by Lewis's best man. Lewis responded by pulling a handgun from under the seat of his pickup truck. Jordan died of multiple bullet wounds.

"The degree of violence among people who are getting married is very, very high," warns Dr. Thomas Bradbury of the UCLA Department of Psychology, "between 35 and 45%."

Bradbury's preliminary studies on spousal violence during the first year of marriage show that a major contributing factor is stress.

"[Marriage] is the most stressful time of a person's life," explains Bradbury. "Getting time off to go away on a honey-

moon, worrying about whether income is going to be sufficient—all of this is over and above day-to-day stress."

The stress-related pressures of impending matrimony can have disastrous consequences for chronically abusive relationships. As many as 60% of battered women who are married to their abusers admit that the violence began during courtship.

States Daniel O'Leary, a professor of psychology at the State University of New York at Stony Brook, "[In relationships where there is a continuing pattern of physical abuse] the likelihood of aggression seems to peak in the year prior to marriage."

* * *

On Christmas Eve in 1987, a little over a month after the couple's wedding, 22-year-old newlywed Lisa Solomon was strangled to death by 23-year-old husband Matthew after a passionate argument in their Huntington Station, Long Island, apartment.

According to police, the dispute erupted when Matthew fell asleep soon after the couple had shared an intimate, celebratory champagne-and-lobster dinner.

"[Lisa Solomon] was mad because it was Christmas Eve and she wanted to do something [besides sleep]," explained Edward Jablonski, chief of the District Attorney's Homicide Bureau. "She woke him up and told him she was going out; he tried to stop her from leaving. She bit him on the arm, and he put her in a [choke] hold."

Matthew Solomon's 1988 trial began on the day that would have been the couple's first wedding anniversary. Suffolk County Deputy Medical Examiner Dr. Sigmund Menchel testified that the strangulation hold was applied with such force that it broke flexible cartilage in Lisa Solomon's neck.

Solomon admitted that, after killing Lisa, he stripped her, put her naked body in the bathtub and then stuffed his dead bride into heavy-duty trash bags. He dumped the body in a field where similar bags filled with dead leaves were already piled.

During the 17 days before Solomon would admit to arresting officers that he had intentionally murdered his bride, he managed to convince family, friends and reporters that he was an innocent, young newlywed who'd tragically lost the love of his life after she'd gone out for a walk on Christmas Eve and never returned.

Scores of volunteers scoured the bitterly cold fields, forests and drainage ditches throughout eastern Long Island, often led by the disheveled and seemingly distraught murderer. Their efforts led to the discovery of Lisa's body on New Year's Eve.

Solomon, who would eventually be convicted of second-degree murder, continued to profess his innocence even as investigators prepared to take him into custody.

"People don't know me; people don't know [Lisa]; people don't know the love that we shared," Solomon informed a reporter from *Newsday* just prior to his arrest. "People don't know that she was my best friend."

Doctor Linda DeVillers, a Los Angeles psychologist specializing in relationship communication, attributes many instances of post-nuptial tension to the fact that, while dating, couples try to hide their faults.

"During courtship, people tend to present themselves in the most favorable light possible," DeVillers explains. "They want to win love and approval; so they try to conceal the character flaws they might be aware of. After the honeymoon, they feel disillusioned when reality sets in."

DeVillers's observation takes tragically literal form in the case of 36-year-old Scott Roston, a chiropractor from Santa Monica, California, whose disenchantment with his previously perfect, young bride led to murder.

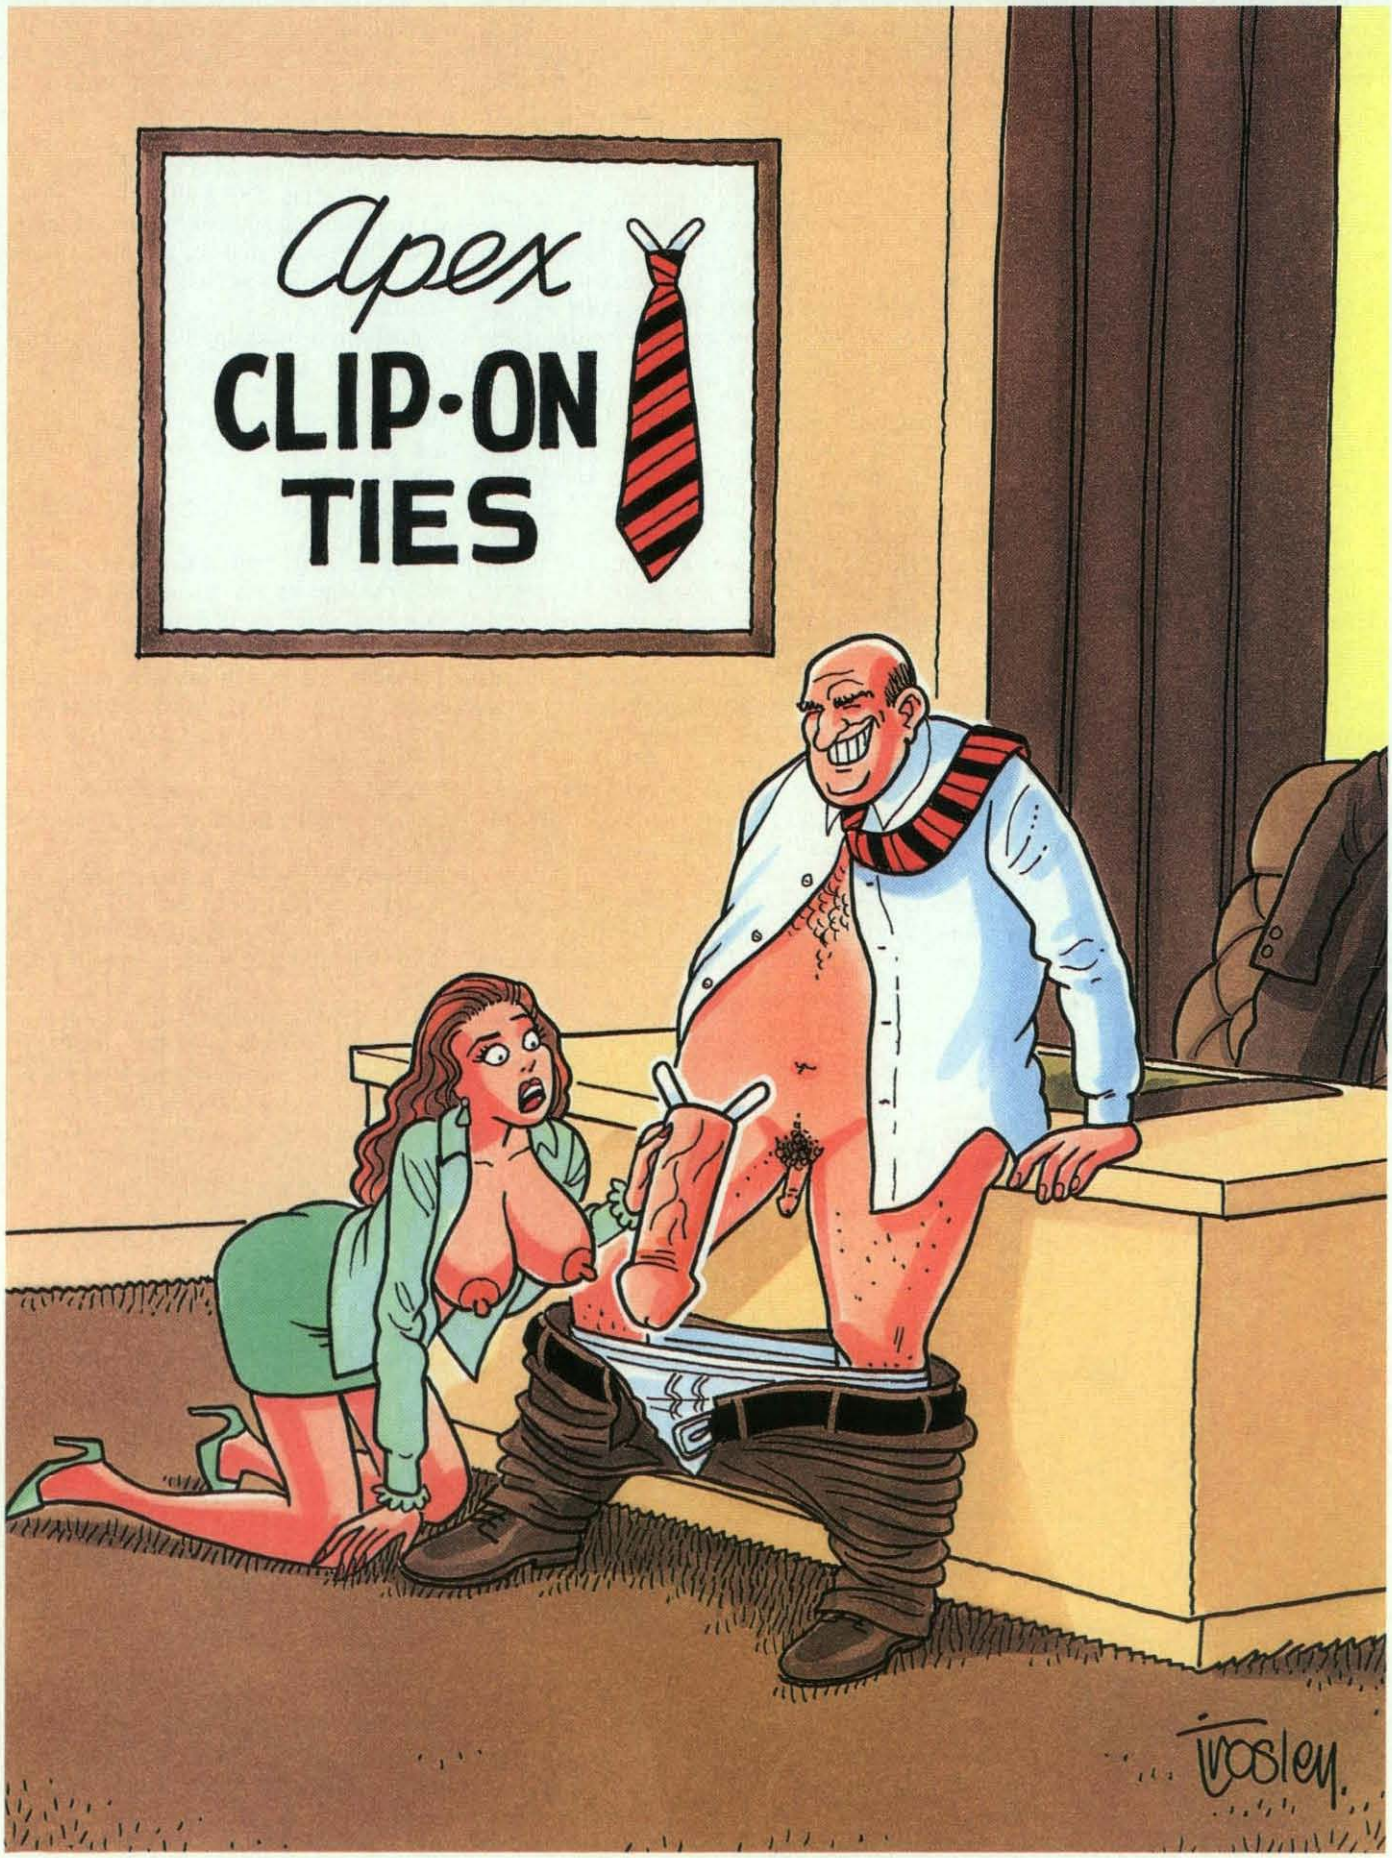

On February 4, 1988, Roston married a petite, strawberry blonde named Karen Waltz in Las Vegas, Nevada.

Two days afterward, the happy couple set sail aboard the luxury liner *Stardancer* for a week-long honeymoon cruise along the Mexican coast. Six nights into the seven-day cruise, Roston threw 26-year-old Karen into the ocean 30 miles off the California coast.

In an interview taped by Dr. Wesley Young, the ship's physician, the newlywed husband claimed that a gust of wind had blown Waltz off the ship's 11th-deck jogging track, where she had been walking laps while he waited at one end. He claimed he'd heard his bride suddenly scream for help, and, rushing to her aid, found her dangling from the side of the ship, clinging to a rail.

"I saw her trying to pull herself up on the outside of the railing," Roston recounted. "She was reaching up, and she lost her grip and fell."

There was no doubt in the San Diego

"I should've guessed...."

HONEYMOON

Believing that his wife had somehow survived the knife attack, he picked up a claw hammer and pounded her head until the skull was nearly severed from the torso.

County coroner's mind that Karen Roston had been murdered. Her death was ruled a homicidal strangulation associated with drowning, for which Roston stood trial in March 1989.

Stardancer passengers testified that although Mr. and Mrs. Roston seemed lovesome at first, Roston, a fitness fanatic, grew particularly annoyed with his bride's indulgence in sweets.

Others recalled his irritation when Karen seemed unsure of what silverware to use in the dining room. One passenger testified to having seen Karen pounding at her husband's chest less than an hour before her death, while Roston was grabbing her hands.

During closing arguments, prosecutors produced a photo of the couple's shipboard cabin taken shortly after Karen had been reported missing. On a table between the two beds sat an uneaten piece of pie.

"Would that [pie] have infuriated, would that have inflamed, would that have enraged Scott Roston?" assistant U.S. attorney Kendra McNally asked the jury, which apparently believed it had and found Scott Roston guilty of second-degree murder on the high seas.

Jury forewoman Theresa Mahadocon revealed that deliberations would have gone more quickly had one juror readily overcome doubts concerning the question of motive.

"She couldn't understand why a man would take his bride's life while on their honeymoon," forewoman Mahadocon later confided. "I think that bothered all of us."

Post-nuptial revelations about a partner's romantic past can create an impression of betrayal that leads to greater stress, according to psychologist DeVillers. According to DeVillers, a new wife's confessions of past romantic attachments may cause performance problems for the husband, who then may lose all sexual interest in his wife.

"There is almost always a deep sense of betrayal," the psychologist admits. With betrayal often comes a strong desire for revenge.

Sixty-one-year-old Douglas County, Georgia, milkman Jack Bennett—later described by defense attorney Ken Krontz as "a man...who's lived a law-abiding, nonviolent life, but for 15 minutes went crazy,"—stabbed, hacked and bludgeoned his new bride to death in a jealous rage upon learning of her romantic past.

Prior to his June 24, 1989, marriage to Gloria Callahan, 58, Bennett was a mild-mannered, hard-working gentleman who'd known Callahan, the dietician at local Lithia Springs High School, for several years.

Although he'd spoken to her each morning while delivering milk to the school, it wasn't until early 1989 that Bennett finally mustered the courage to ask her out on a date. Within six months they were married.

Four days after the ceremony, Callahan was dead.

According to prosecutors, Callahan was packing up her house, preparing to move in with her new husband, when she began talking about past lovers.

Upon hearing that his new bride had been involved with other men in her past, Bennett attacked Callahan with a kitchen knife.

When it bent against her bones, he grabbed a butcher knife and continued hacking, stabbing Callahan at least 120 times. Believing that his wife had somehow survived the knife attack, he picked up a claw hammer and pounded her head until the skull was nearly severed from the torso.

Police discovered Callahan's naked body on the bedroom floor, a bloody footprint between her spread legs. Blood was splattered on walls ten feet away.

"It was one of the most gruesome murders I've ever seen," admitted Major Phil Miller of the Douglas County Sheriff's Department.

After finding Bennett guilty of murder, jurors took less than an hour to decide that the milkman should die for his violent crime.

"The manner in which he killed her was aggravated enough for the jury to give him death," explained prosecutor David McDade. "He literally destroyed that woman's body."

Bennett himself was appalled by the brutality of what he'd done.

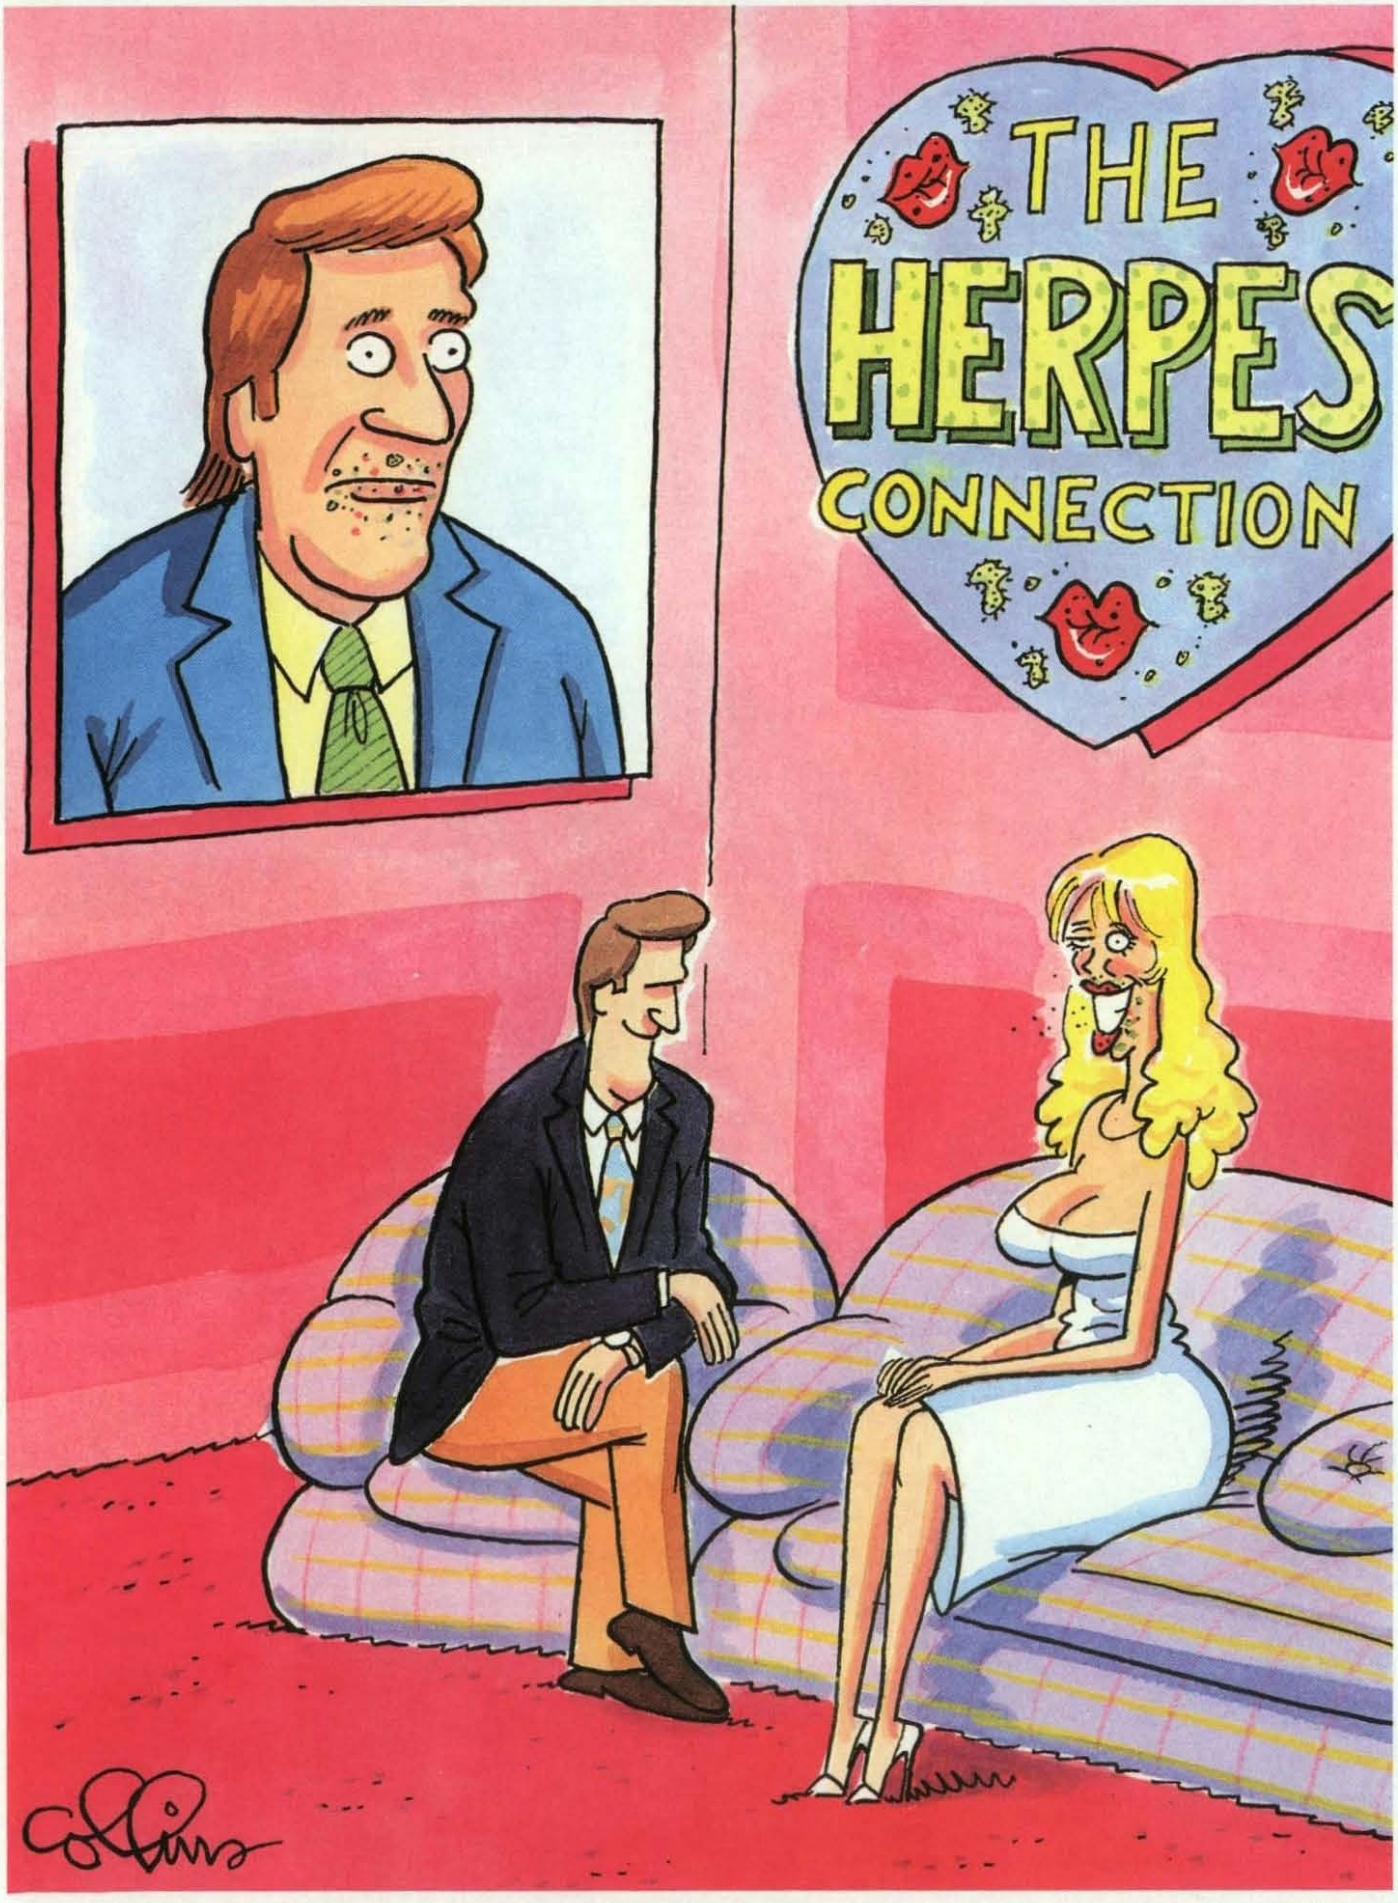

"[Such a horrible death] should never have happened, not even to an animal," he told the court prior to sentencing, "but I'm not going to beg for my life."

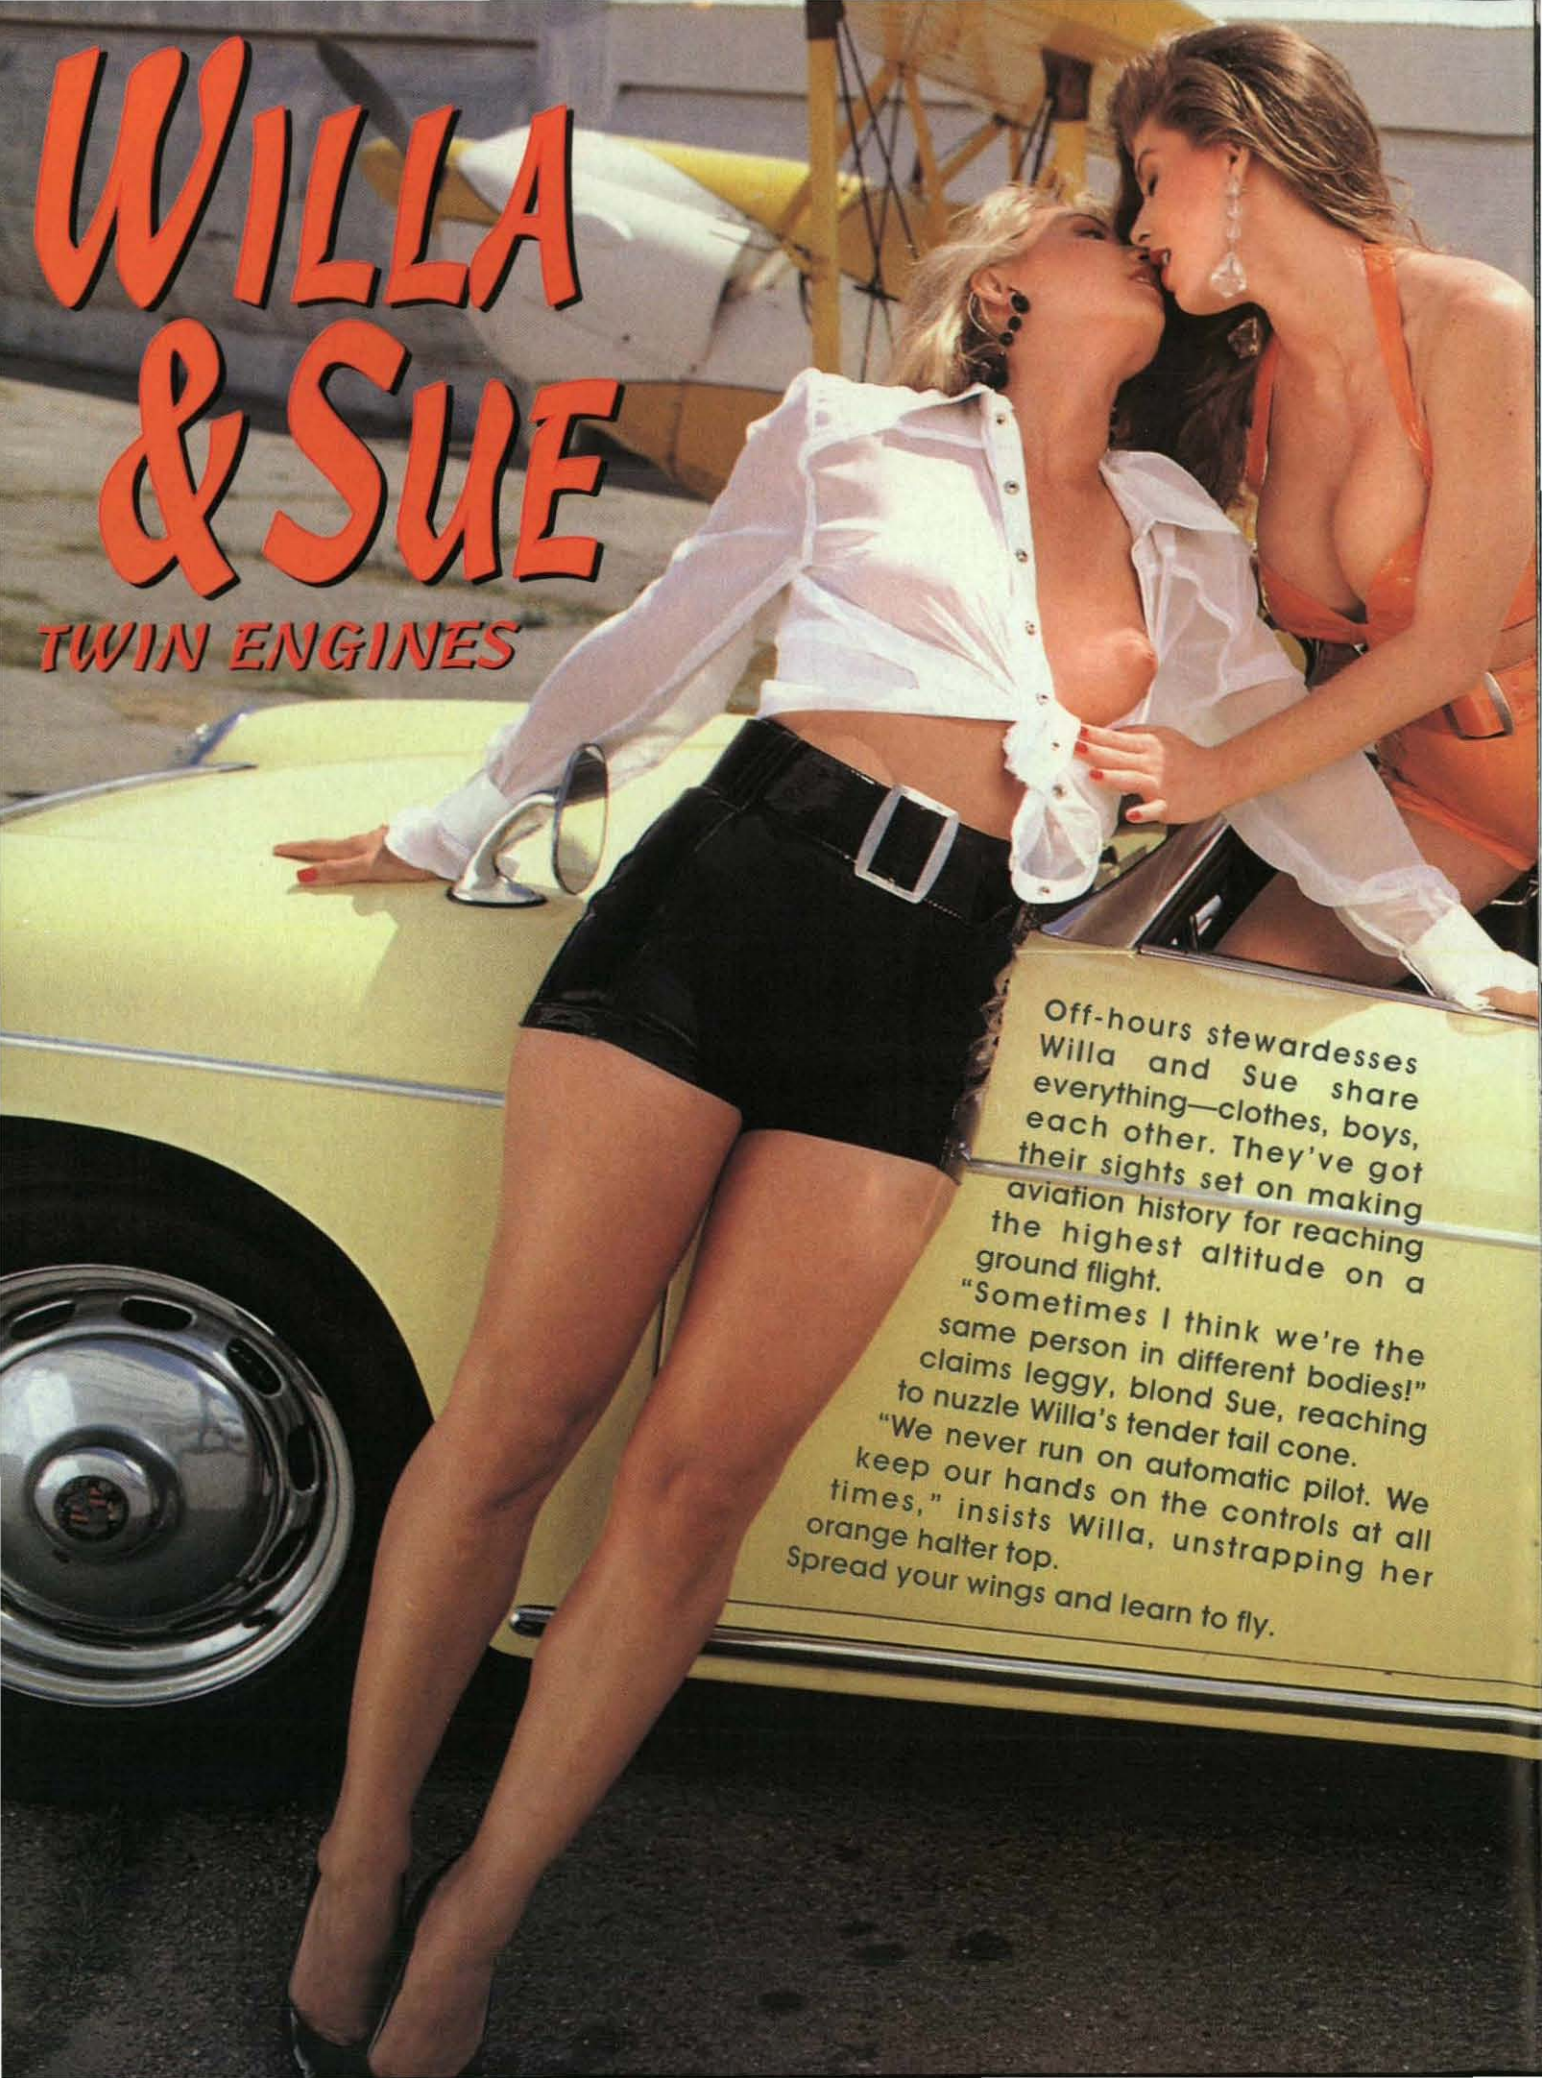

Crimes of passion are, by definition, impulsive. When Cloyd Lee, 46, of Vernon, Connecticut, called off his wedding to 46-year-old Carrie Mote a mere six days before the scheduled ceremony, Mote did what most brides left standing at the altar would only dare to fantasize:

LAPS A' POPPIN' (continued from page 72)

She wrapped her arms around me, cradling my head with one hand, offering her hoot with the other. "I giff ju what yo mommy dint, bay-bee." There was a sudden nipple in my mouth.

The setup at the Capri is similar to a single theater in a suburban multiplex, with narrow rows of plastic seats facing a small, bright screen, a decently kept lavatory and squads of blowjob junkies wandering around inquiring if patrons need any "help" (which, in light of the *No Ladies Admitted* sign hanging in the box-office, I can state forthrightly that I've never partaken of).

Remember the fire-and-brimstone, Cecil B. DeMille-scale dens of debauchery that you envisioned adult-entertainment centers to be when you were first old enough to realize what they were? Ladies and gentlemen, I give you the Capri, a funhouse of filth, a two-tiered panorama of perversions. Dante's Duplex. Nothing less than horndog heaven.

When I entered, Saint Peter, the gatekeeper, a fat, old guy rotating on a bar stool, picking his exposed ass crack and biting his nails after each fresh reaping, sat perched at the top of the auditorium's downhill slope. Lap lassies were lined up on either side along the interior walls. My eyes hadn't yet adjusted to the dark, but I could smell them, even through the jizz fumes.

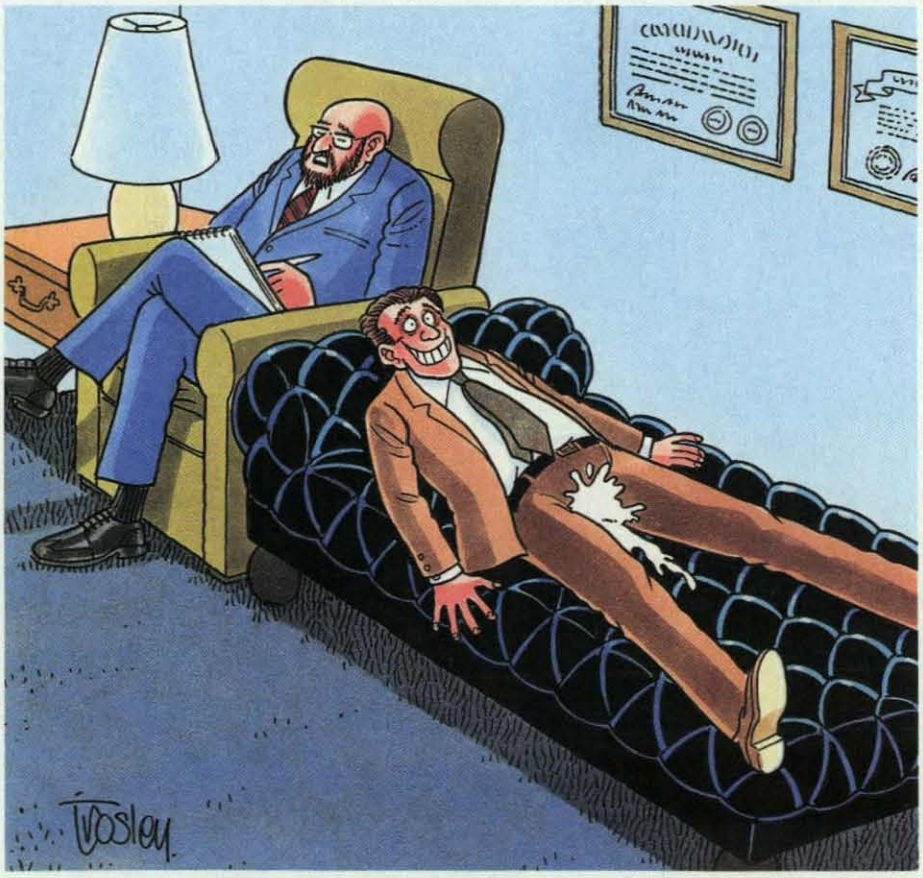

As I was fumbling in the theater's pitch blackness down the center aisle, I clasped the wall for support. Only it wasn't the wall—it was Clara. Actually, it was her beautiful, bulging, naked tit. It was love at first fondle.

I learned her name as she escorted me into one of the rows of seats, whereupon I gained my night vision at last. It was then that I learned that the theater's seemingly excellent sound system had not been cranked up to decibels akin to Sam Kinison's final scream, but that the ear-splitting wails of passion and moans-di-amore were rising up from the audience itself!

Thirty or more people were situated in the Capri Theatre that night, half of them pathetic, desperate, forlorn fools (the men), the other half savvy, sanguine, surreptitious seat-Shivas (the women). Among them were taking place 15 or so unholy, unashamed, unhampered, unsullied, unbelievable, unsafe sex acts.

Writhing bodies, nude bodies, intertwined bodies frolicked all over the place. Nude. Stroking. Nude. Blowing. Nude. Fucking. Nude. Coming. Nude. Really. Nude. In movie-theater seats. Nude.

Clara sat me down and invited us to join them. For $10. She had a taker.

"What do you mean you're turned on by leather?"

We didn't get nude right away (though Clara was halfway there from the giddyap). She took some time to get to know my Levi's first. Her casabas swung in front of my face like a hump-hypnotist's you-are-getting-very-horny watch. A string of drool escaped my mouth.

"*Hunh?*" asked Clara. "Ju mama no breast-feed ju when ju was ba-bee?"

She wrapped her arms around me, cradling my head with one hand, offering her hoot with the other. I was led to sup. "I giff ju what yo mommy dint, bay-bee." There was a sudden nipple in my mouth.

Gluttonous omnivorousness does not begin to describe the eating I did as directed. Clara and I sat in a squirming, stripped-to-the-waist ball of quiver-bliss for the next few minutes. I had a hard-on you could drive railroad spikes with.

"Ju know I luff to play wiff your byootiful cock, bay-bee," Miss Touchy Feely told me, "but if you want me to keees it, you got to pay extra."

And then, I swear to *BabyJesusGodMotherMaryAllTheAngelsAndSaintsAndAll*, John Holmes stopped fucking on-screen, looked me straight in the eye and stated flat-out, *"No!"*

I shook my head spasmodically in the fashion of a bewildered Elmer Fudd. When I reopened my eyes, the colossal Mr. Holmes was back to bone-ness as usual. I decided the hallucination was some kind of omen. To Clara's invitation I offered an articulate no: "*Nyaah-ah-ah-ahahahaha.*" It didn't stop her from de-pantsing me, however.

There were now 16 stark naked, unholiest of matrimonies going down all too literally in the Capri's majestic aisles. *Ooops!* The fat, 80-year-old guy in front of me with a simian-looking blonde suckling his considerable tits blasted such a geyser of goop that it hit an exit sign and broke a light bulb! Back to 15. Among them, of course, the refined Madame Clara and her intrepid working boy, who now believed he was falling in love with no one less than the Alpha-and-Omega of Goddess-Bitch-Mommy-Angel-Whore-Slut-Girl-Lady-Woman-Womynhood.

My cock jammed its way toward Clara's navel, seemingly trying to wriggle open a new orifice.

"Bay-bee," said Clara, "to fock I onlee charch you twunny dollahs. You got?"

"Y-y-y-esss," I sputtered. "Here...."

Suddenly, something that felt like a hunter's steel leg trap clamped down violently onto my anticipatory sac.

I saw, to my utter fright and repulsion, a male hand, squeezing hard enough to make me think something would pop. My eyes *did* pop, and I used them to follow the trail up the arm to see who it was attached to....

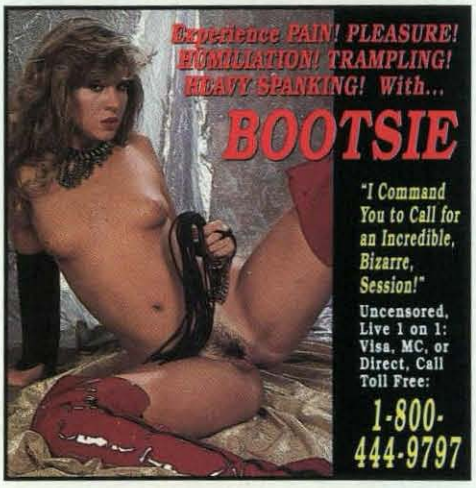

It was Mike Brady from TV's *The Brady Bunch*, as played by the late, un-

great homo actor Robert Reed!

"Asshole," the apparition said. What did he mean? I wondered. Did he want me to sodomize Clara? Okay. I was game. I parted her holiest-of-holies and took aim....

Someone slapped me across the face. I turned and saw Rock Hudson. "Dickboy!" he cried. *Oh no!* I thought. I was about to be raped by a couple of coffin queens!

I buried my shvantz as deeply as possible into Clara, in hope that the scent of overworked vag would repel my attackers. To my horror, the seat in front of me popped straight up into the air like something out of swishy James Dean's exploding sportscar.

Wladziu Valentino Liberace emerged from the hole where the chair had been. The string of obscenities he shrieked at me were unprintable even in HUSTLER Magazine. His brother George was with him!

Suddenly, *all* the seats in the Capri were exploding or being upended or propelled rocket-like toward the ceiling. The dead rose from the ground beneath them: Roy Cohn, Ryan White, Kimberly Bergalis, Keith Haring, Malcolm Forbes, Chad Lowe as his *Life Goes On* character, the big, black dude from *Predator* and more hovered around me in a terrifying circle chanting, "One of us...one of us...one of us...." until the ritual had conjured the ultimate HIV hobgoblin: Gaetan Dugas, the notorious "Patient Zero" credited with bringing a wacky new virus to North America and distributing it wholesale. He carried several African monkeys in his arms, each bleeding from the anus.

The former airline steward leaned into my face and bellowed, "What's your fucking problem, shit-for-brains? *Dintcha ever hear of AIDS?*"

The gaggle of ghouls rushed me out the door. I dressed myself as I ran, like a kid caught at a Norman Rockwell swimming hole, only with dead AIDS patients pelting him with AZT tablets all the way home.

As I sat a few minutes later in an Eighth Avenue peep booth *safely* finishing what the clandestine Miss Clara had started, I was deeply grateful. Remembering it now, I shed a nostalgic tear. The Times Square lapdancing establishments of yore offered more than not-so-cheap thrills and semen spills. They were boner-fide halls of safe-sex education!

HONEYMOON

(continued from page 98)

She gunned down her fiance with a .38-caliber weapon.

After a 12-year, on-again off-again courtship, the couple had finally set the date: May 24, 1991. They'd made all the arrangements, sent out all the invitations, booked the caterers, the hall and the preacher that would unite them. All that was left to do was to buy the decorations to top their wedding cake, which they were in the process of doing on May 18, when Lee suddenly told his fiancee that he wanted out.

Mote went crazy. Court psychiatrist Peter Zaman would later characterize her condition as "psychogenic amnesia," meaning that the bride-to-be was not aware of what she was doing—that is, of taking Lee back to her apartment, pulling out a .38-caliber revolver and shooting her fiance in the chest.

With Lee lying helpless on the floor, blood gushing from his wound, Mote reportedly hollered, "Get up, Lee, or I'll shoot you again!"

Luckily, Cloyd Lee was able to convince her instead to call the paramedics.

At first Lee took full blame, claiming that he'd wounded himself while cleaning the gun. It might be argued that Lee deserved the blame. While engaged to Mote, he'd been dating another woman, and not only had he allowed Carrie Mote to find out about the affair, according to Lee's lawyers, but one of the reasons he'd given her for backing out of the wedding at the last minute was that he had discovered that he still had feelings for the other woman.

In April 1992, Lee, among others, successfully petitioned Judge Robert McQweeny to forgo Mote's criminal trial and to grant her a two-year probation. Had she stood trial and been found guilty, Mote would have faced a maximum of 50 years in prison.

"Statistics and experience confirm that people who commit crimes like this do not in any way consider the consequences," explains New Haven, Connecticut, attorney John Williams. "This is absolutely a crime of passion. When you get that upset, you don't sit down and say to yourself, 'Here are the odds of getting convicted.' "

"What bothers me most," adds Dr. Bradbury, "is that for each of those stories that occur in public, probably 1,000 occur in private, such as, 'Why did you do that at the reception?' and then the new husband smacks his wife around."

And whether the new spouse lives or dies often depends solely on the strength of the blow.

"Hurry up, dear. It's getting late."

BEAVER HUNT

Photo by Boyfriend

There's a certain kind of tip we'd like to give Lisa, a cocktail waitress in Imperial Beach, California: Always floss after brushing. She likes to flirt, dance and rollerskate. It's taken her 28 years to accumulate enough men to fulfill her ultimate fantasy of getting gang-banged by all her ex-boyfriends while her current "sweetie" watches.

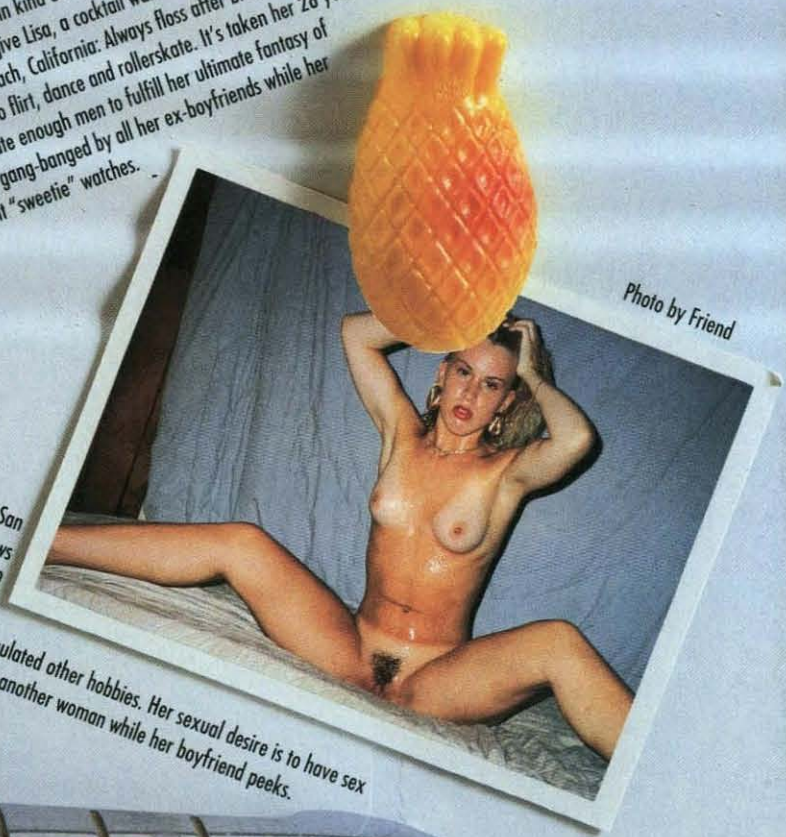

Photo by Friend

As a restaurant manager in San Dimas, California, lithe Lisa sure knows how to put out a spread. She's only 19 years old, but has had so much sex in her life that she hasn't accumulated other hobbies. Her sexual desire is to have sex with another woman while her boyfriend peeks.

The award for the photographer of the Grand Prize Winner is $500. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. Lucky clubgoers can only hope lovely Faith provides such pink charity when they watch her dance in San Rafael, California. This sexy 27-year-old relaxes by sculpting, cooking and listening to heavy-metal music. Her fantasy is to be licked for hours, give head and then get fucked "real good." Obviously an underachiever.

Photo by Husband

With her creamy skin, we could imagine Nancy on the cover of *Cosmopolitan*. She works as a model in Lebanon, Missouri, and spends her free time swimming and fishing. Having turned 22 years old last month, she feels it's time to join the "Mile High Club" with her husband while flying over New York at night.

Photo by Friend

If David Lynch dares make a sequel to his *Twin Peaks* movie, he may want to cast bountiful Saphire. A nude dancer by trade, this 24-year-old resident of Las Vegas, Nevada, enjoys swimming, biking and having sex. She's looking for a few good men to have wild sex with at the same time.

Here's one account representative who's found a nude way to ease her clients' worries. Her name is Cecilia Jo, a 28-year-old resident of Charleston, West Virginia, who likes to swim and hike. Her fantasy is to make love to her husband on a deserted beach, then spend the rest of her life cleaning out the sand.

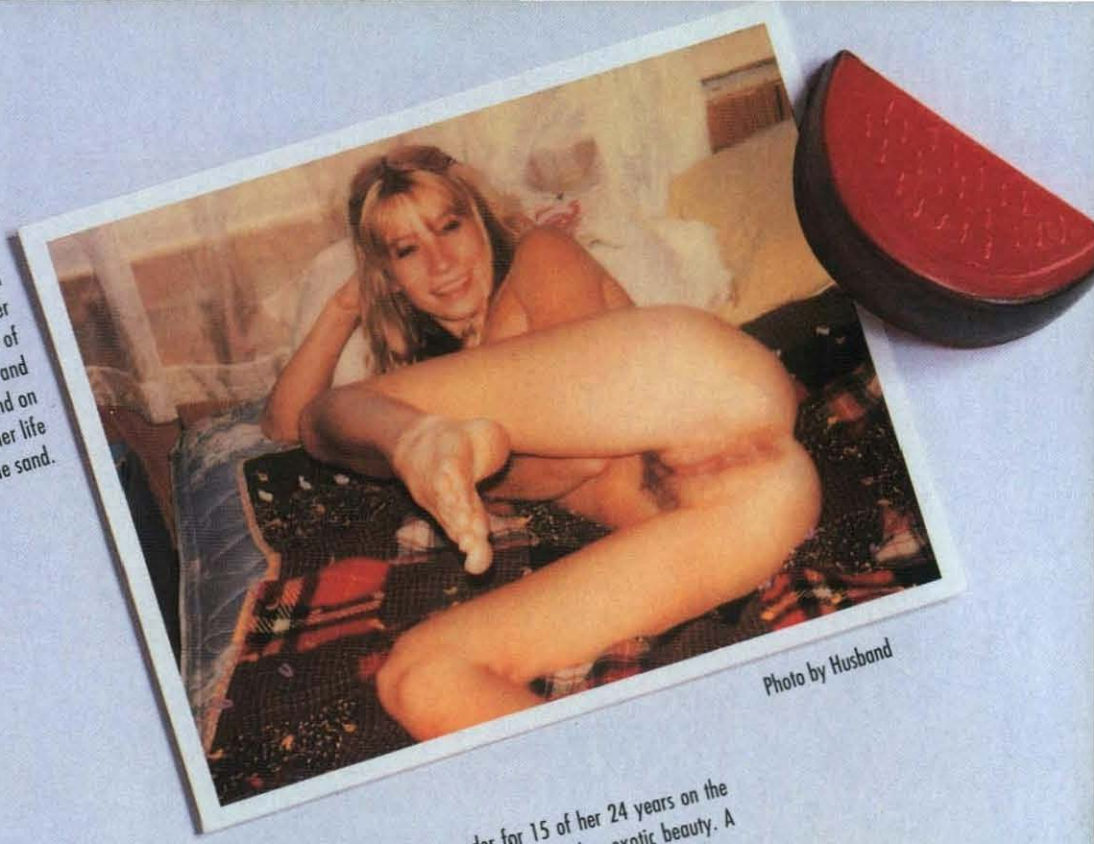

Photo by Husband

Miko has been a faithful HUSTLER reader for 15 of her 24 years on the planet and thanks us for this opportunity to show her exotic beauty. A student in San Jose, California, Miko likes to travel, read and, naturally, have sex. She'd some day like to see how many men she could handle in one night. So would we.

We'd gladly leave the casinos to see limber Briann dance in Las Vegas, Nevada. "I love dancing," this 21-year-old admits. She also likes playing ball with her black Chow dog and fantasizes about being with another woman while he watches. Sit, boy. Stay.

Photo by Friend

Kandi likes to shop, play video games and—obviously—play with herself. She's an 18-year-old dancer in Waterford, New York, and thanks us in advance for helping her fulfill this fantasy: "I want to enjoy my boyfriend's horny-as-hell reaction when he sees me in HUSTLER." We aim to please, Kandi.

Photo by Friend

There's no need to say cheese when Missy cracks a smile. She turned 22 years old in February and works retail in Branford, Connecticut. She likes to read and would some day like to give her boyfriend head in a strip bar. Lucky stiff!

Photo by Friend

Micah has a thing for beavers. She dreams of making love on top of Beaver Dam, overlooking Beaver Lake. We prefer the view of hers, and we're glad this 23-year-old student in Green Forest, Arkansas, took the time to snap it. When not studying she enjoys dancing, cooking and drinking wine.

AN ASTONISHING VIDEO OF THE MOST UNUSUAL SEXUAL ABNORMALITIES KNOWN TO MEDICAL SCIENCE.

WARNING
THIS VIDEO CONTAINS GRAPHIC & SEXUALLY EXPLICIT SUBJECT MATTER. The dozens of bizarre sexual anomalies appearing on this video are presented UNRETOUCHED, UNEDITED and UNCENSORED. This material may be shocking or repulsive to some, therefore VIEWER DISCRETION IS STRONGLY ADVISED!

Nature's "sexual mistakes" – kept in the "closet" of science for decades – have now been brought to light in this incredible visual compendium of **freakish and grotesque sexual pathology.** Hundreds of rare and long-suppressed archives have been combed to compile this footage of **bizarre genetic mishaps.** See monstrous and grotesque sex organs, case histories of sexual freaks of nature that defy description and accidents in sexual development. They are presented here for the first time in the interest of education and enlightenment. Here are *just* some of the **incredible and unusual specimens** you will see:

• The World's Largest Penis – so huge it must be tied in a knot • A monstrous 5" clitoris • Vaginal labia as big as elephant ears • A grotesque "double penis" • A 120-pound human testicle • 52-pound breasts • A horn growing from a penis • Mutilated male & female genitals • A woman with two sets of breasts • Women with nipples on their buttocks, arms, faces • A woman with four legs and two sets of sex organs • A woman who menstruates from her breast • Men and women born without assholes • Blanche Dumas, the woman with two active vaginas • True "hermaphrodites" with organs of both sexes • Close-ups of "before and after" transsexual surgery • Siamese twins joined everywhere imaginable – almost a dozen different sets of twins • And so much MORE!!! only $29.95

"A TRIP DOWN MAMMARY LANE"

If you're a "tit man." You're in for a real treat! Red-hot director Loretta Sterling (a tit freak herself!) has produced this X-travaganza of Titanic Titsex! It features the cock-hungriest Queens of Cleavage getting sucked, fucked, licked, dicked, stroked and poked! Cum-thirsty bra-busters like TRINITY LOREN, RUSTIE RHODES, SUZANNE CHASE and ASHLEY NICOLE are showcased as they unharness their awesome jugs and get down to some serious cum-spurting sex! The tape also introduces the hellacious hooters of new discovery VIVIANA – they're in-fucking-credible FF's that will have you foaming at the mouth! If you hunger for firm, succulent, big-nippled titflesh, this is a banquet of big-boob balling you cannot afford to pass up! *only* $19.95

"FREAK SHOW"

A Controversial Video Featuring The Most Unusual Cast of Performers Ever Assembled!

Step right up – for a mind-blowing, cum-drenched look at the sex lives of a carnival troupe – a video *definitely* not for the squeamish! Meet TEIGHLOR – watch her get horny – all 550 pounds of her! She's as big as 4 women, with a sex hunger to match! See her hung black stud climb and fuck this mountain of female flesh! Then there's LOTTA LOVE – voluptuous, succulent breasts, dynamite ass, and a gorgeous face – that's covered with whiskers! You'll see this bearded lady deep-throat her lover – see his long black fuckstick enter her lovely mouth – which is framed by a full black beard! Bizarre! Then, see THE TATTOOED LADY – sensuous, painted flesh – she loves penis, but would rather spend time with her trained pet python . . .! Finally, there's BILLY BEST, the "Compact Cocksman," with the dimensions of a midget, and the fuckpower of a Giant! Short in statue, LONG on sexual prowess! It's all here – on a videotape that has been described as "Shocking," "Repulsive," and "Gross." Definitely not for everybody – don't say we didn't warn you!

You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGE. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG. . .how really FAT. . .how LONG. . .how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement – join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

FREE! $24.95 HOW-TO-VIDEO *with every* PUMP ORDERED!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

- Find out exactly what is happening to your penis to make it grow longer and thicker!
- Discover what the enlargement process really feels like!
- Find out how big you can expect your penis to get!

REAL GIRLS TELL THE REAL STORY

Alese Seward, Wind River Indian Reservation. "You'll really have a chance to meet adventurous women like me on the Partners Party Line because they advertise FREE service to women"

Rhonda Bloch, Wheeling WV. "I'm not a fancy party line model, but then, those stuck up models ain't going to fuck you. Me and my friends are just regular girls looking for a good time with a guy like you."

Margarita Izzarita, New York City. "What's great about Partners Party Line is they got live, friendly operators, sweetheart facilitators and none of that electronic bullshit like those fake bulletin boards."

Cecily W., Las Vegas. "Yeah, I'm a street girl by night but I find my real lovers on the party line. They're open 24 hours a day - (and so am I, sweet thing)."

Jeff Stryker's How to Enlarge Your PENIS

Enlarge your PENIS to its Maximum Potential!

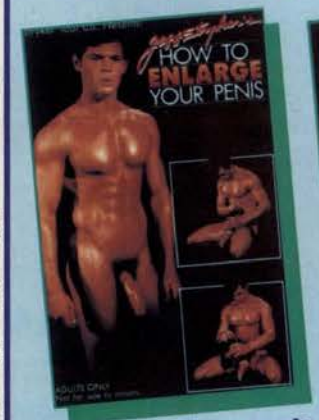

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

Here is why Jeff Stryker's penis enlargement method can work for you.

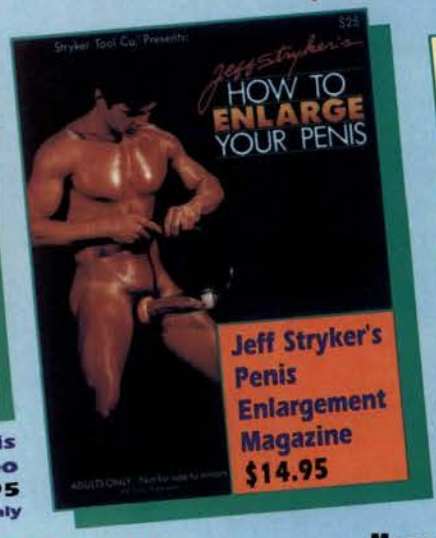

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder *(you actually watch your penis grow)*. **Erect measurements up to 12 inches!**

Your penis grows larger and firmer more than you ever dreamed possible!

NEXT MONTH IN HUSTLER

April HUSTLER on sale February 16, 1993

SPRING SPROING

HUSTLER in April heats hands and glans with solar-strength salaciousness. Sizzle in the gash-guided glare of a lip-smacking, dirty-blond skinstress spreading gartered gams for a crotch-reaming, double-digit finger-dive; vaporize a private pool where a big-breasted dick-licker and a thick-dicked tit-picker wrap laps and turn tail in a butt-'n'-nut-grabbing, nocturnal skinny dip; hit the rocking waves of a killer-curvy, labe-tugging, brickhouse brunette cruising Navy men on the pink shores of her own beach assault; and mess it up with two white-trash ginches, one dark-lipped, one fair, and both shackin' up, down and out in a full-figure fight for the clittiest. HUSTLER in April shoots the works. Aim straight.

LOCK-UP LOOK

The phrase *hard time* that describes incarceration doesn't necessarily refer to brutality and bad food—it can mean a prison's atmosphere itself. Hell is hell, but in choosing the ten toughest prisons in America, writers James Jennings and John Shinners considered a convict's fear for his life while doing time, the quality of housing, the safety of security parameters, work assignments and the general attitude created by the staff and/or inmates. *Hell Times Ten* is Jennings's and Shinners's hair-raising account of the ten most monstrous penal institutions in the U.S., where torments committed in the name of correction would outrage the founders of the first penitentiary in America: Philadelphia's 18th-century Walnut Street Jail.

LIGHTS, CAMERA, RIMJOB

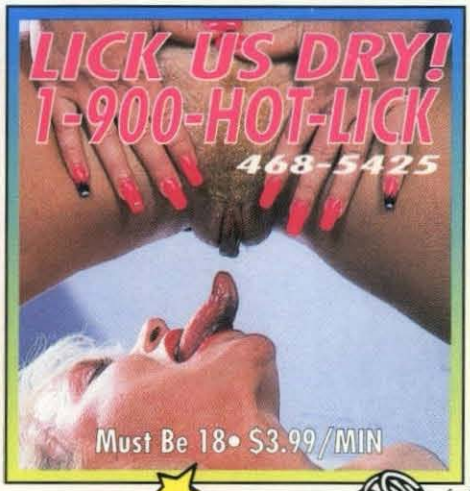

Despite the interference of California law-enforcement officials, the gritty inconvenience of lube-clinging sand, the constant threat of dick-burn in the glare of 90° afternoons and the potential scourge of ptomaine poisoning from overheated tubs of catered potato salad, Jamie Gillis, Randy Spears, Ashlyn Gere, Melanie Moore, Mona Lisa, Lacy Rose and others rammed, crammed and jammed to complete the new HUSTLER skinflick *Captain Butts Beach*. HUSTLER film reviewer Seth Roberts's on-the-set report, *Beach Blanket Bungholes*, underscores the professional side of the jizz bizz: Fucking around is hard work.

KILLER FILLER

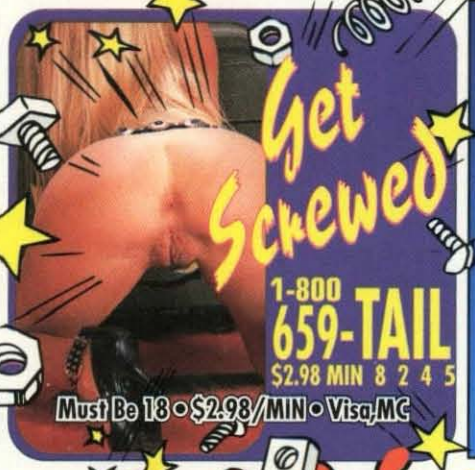

As every man knows who's gotten his fingers wet in the pursuit of Saturday-night satiation, the olfactory sense provides the longest-lasting sexual thrill. Persevering HUSTLER sexologist Alex Marvel smells something piscine in April's *Sex Play* with "Fish on a Finger: Sniffing Quiff That's Come and Gone," his rambling, albeit touching, paean to the prods and pokes of yore; *Hot Letters* licks and stamps a few Comes On Delivery at the Post Orifice; *Beaver Hunt* racks up a poon-panoply of sporting fur trophies suitable for mounting; and *Bits & Pieces* proves yet again that where there's shit, there's laughs. HUSTLER in April takes the high road. Up and off!
